

ADDENDUM NO. 2
TO
CITY OF AUBURN, MAINE
2024 BJs Retaining Wall Project
Bid #2024-037
May 3, 2024

This addendum amends and /or supplements the bid documents as indicated below. Only these items alter the bid documents. Any verbal discussions or responses are hereby declared null and void. Please acknowledge this addendum on the Bid Form.

Clarifications to the Bid Documents:

The following changes have been made to the Bid Documents:

Question: Can we close the sidewalk for the length of the project?

Answer: Yes. The intent is to work from the BJ's side of the wall. The sidewalk can be closed during the wall demo and installation. The closure of the right turn lane into Walmart is permitted for the sidewalk and underdrain work. Please see attached map of proposed work/laydown area for a better understanding of work space.

Question: Is the sidewalk detour going to be Gracelawn Road, and Turner Street?

Answer: The City is required to provide an ADA sidewalk route, which will not be possible in the immediate vicinity since sidewalks are not present on the north side of Mount Auburn Avenue at the project location. Turner Street pedestrians should receive notice of the closure location and detoured up Turner Street to Gracelawn Road and back to Mount Auburn Avenue. Apply the same route with Mount Auburn Avenue at Gracelawn Road, but the opposite direction.
