

Sustainability & Natural Resource Management Board

Meeting Agenda | July 13, 2023

1. Approve minutes from the April 13, 2023 meeting
2. Public Comment - *Members of the public are invited to speak to the SNRB about any issue related to SNRB business or any item that does not appear on the agenda.*
3. New member recommendations for workgroups
4. Discussion on recycling status and the solid waste / recycling RFP
 - a. Transition to drop-off locations
5. Net Energy Billing Credits Agreement with Eagle Creek Report
6. MEVS Brown Solar Project update from Cenergy
7. EV Charging Stations
8. Energy Efficiency and Conservation Block Grant \$75,880
9. Discussion of SNRB's role in advising city decisions that impact sustainability, natural resources, agriculture and forestry.
10. Brief reports from the Working Groups on matters of interest
 - a. Natural Products & Agriculture Working Groups Updates:
 - i. Local Food Action Plan MTG 7/13, community gardens, City Ag grants, local food expo (large institutional buyers), GIS mapping project, Land Use Forum
 - b. Conservation Working Group Updates:
 - i. Conservation is focusing on how to develop access to the Little Androscoggin. Jonathan Labonte met with us a couple months ago. It might be useful to see where this potential project falls on Phil's priority list and if he has a sense on who best to proceed.
 - c. Community Forest Working Group Updates:

- i. Project Canopy grants, Arbor Week planting, SFI Urban and Community Forestry Standard Development
- d. Sustainability Working Group Updates:
 - i. Recycling issue discussion
