

Sustainability & Natural Resource Management Board

Meeting Agenda | February 23, 2023 6:00

Community Room, Auburn Hall

- 1. Approve minutes from October 2022 and Special December Meeting
- 2. Proposal for including public comment during our meetings (see attached materials)
- 3. Approve new working group members
- 4. Update from Phil Crowell on Auburn and the <u>Maine Community Resilience</u> <u>program</u>.
- 5. Phil: report on Solid Waste RFP and receptacle purchase
- 6. Brief reports from the Working Groups on matters of interest.

The purpose of Auburn's Sustainability & Natural Resource Board is to advance Auburn's commitment to sustainability by serving as a research, advisory and advocacy group on environmental issues and natural resource management within the city. The SNRB is created with the purpose of improving the relationship and communication between City Council, existing committees, and staff with the aim of creating more effective organization of city sustainability efforts. Working groups of the SNRB include the: Natural Products & Agriculture Working Group, Conservation Working Group, Community Forest Working Group, and the Sustainability Working Group.
