Hi Jason,

Thank you for submitting an application to serve on a Board/Committee for the City of Auburn and for your willingness to serve this community.

In looking over the application, you did not list the name of the Board/Committee you were applying for. I believe Jason Moen noted that it was for the Public Safety Building ad hoc committee but I will need confirmation from you before I submit this to the Appointment Committee and the full City Council.

There is no need to fill out a new application, just a response to this email will be sufficient.

Thank you!

Sue
