FOR IMMEDIATE PRESS RELEASE

10-04-12

DEATH INVESTIGATION

On 10-04-12 at approximately 9:20am, a worker with the Auburn Water & Sewer District discovered a body floating in Lake Auburn. The body was found near the western shore of the lake. Due to that location, water quality for the Auburn Water District has not been affected.

The body was recovered from the lake in a joint effort with Auburn Police, Auburn Fire, Maine Warden Service and Maine State Police. Auburn Police and Maine State Police are conducting a joint investigation into the discovery of the body.

The body was transported to the Chief Medical Examiner's Office for an autopsy. The cause of death is unknown at this point as well as the identity of the victim. The body was that of a white adult male, age unknown.

This is all of the information that is available at this time. As more information becomes known, we will provide updates as we can.
