## YOUTH SAFETY NIGHT AT THE AUBURN MALL

Auburn Police Department is partnering with the Maine Bureau of Highway Safety to bring Youth Safety Night to the Auburn Mall on Friday, May 11, 2012 from 5:00pm to 9:00pm.

The National Highway Traffic Safety Administration (NHTSA) and the National Organizations for Youth Safety (NOYS) has designated the month of May as National Youth Traffic Safety Month.

National Youth Traffic Safety Month addresses the number one cause of death for youth in our country and around the world: traffic related crashes. Many of these crashes are caused by avoidable behavior.

Working together we can increase awareness among youth and communities regarding steps we can take to increase traffic safety and reduce the loss of more young lives to traffic crashes.

There will be several displays as well as the Seatbelt Convincer, Roll-over Simulator and two Driving Simulators. Please join us as we educate our youth on traffic safety.
