

## 150<sup>th</sup> Celebration

Steering Committee Meeting Minutes

October 25, 2018 (No Agenda Provided)

- LA Chamber (Maureen)
  - Looking to do something fun like “How do you say SESQUICENTENNIAL” and upload them to Facebook.
- Sun Journal has agreed to create the Year Book to be sold in December 2019. There was a concern on when the celebrating year officially ended and this needed to be defined. Questions on the production timeline and when ‘memories’ would stop being included.
- Brick Sales are still slow but hoping to pick up around the Holidays as gifts.
  - It was asked if we could list or provide options that are non-brick related (benches, flower beds, tree etc)
- Website; Needs content
  - It was suggested that we need to do more targeted ‘ASKS’ and get specific so volunteers know what they are signing up to do and their expectations.
- Memorial Day Parade
  - Tizz requested info on the parade so she could share with others on her trips
  - Tizz mentioned having an official invite letter for the reenactors with info on; no charge to actors, visiting hours to the public, gun powder, alcohol, pre-registration, settlers (venders) with fires, bathrooms, water source, is there a need for insurance?
- Alumni Weekend – Come Home Auburn
  - Date tentatively Oct 25<sup>th</sup> (could change due to MPA game schedule)
  - We need to change the wording of the event as this is not the EL Homecoming weekend (which is in Sept. with a dance) but it will be the Battle of the Bridge
  - It was asked if schools could have a banner to put up or display poster
- History
  - Museum L-A is working with school groups to do displays
  - “What makes Auburn Special” campaign of students with video clips was suggested
  - Can we use the Art Wall in New Auburn to display 150<sup>th</sup> art
