REZONING PETITION

We, the undersigned registered voters of the City of Auburn, do herein petition the City of Auburn to amend the Zoning Map and the City of Auburn Comprehensive Plan, Future Land Use Map in the area of Pond View and Ledgeview Drives from from Low Density Country Residential to Urban Residence as outlined in black on the attached map. The parcels or portions of parcels listed on the attached property list as outlined in black would be changed as noted above. The change is consistent with the Comprehensive Plan in areas that are served by public sewer and will make more of the lots conforming than are conforming under the existing zoning. The change will allow for redevelopment of seasonal homes into year round homes with setbacks that are smaller than currently allowed and more consistent with existing development patterns. → see pg. 4
