

Recycling Committee Agenda

10/31/19

The city council appointed the committee to study, recommend, and report on four areas listed below:

1. Identify the key impacts of the current recycling program;
 2. Compare the current model with different models we could adopt;
 3. Identify our current costs for recycling and compare with other municipalities which have adapted to the changing market; and
 4. Create a public education and awareness campaign for the recommended changes.
