

City Council Meeting and Workshop March 21, 2016 Agenda

5:30 P.M. Workshop

- A. Executive Session regarding a real estate matter, pursuant to 1 M.R.S.A §405 (6)(C).
- B. Discussion of City Council Committee Agenda Setting and Workplans

7:00 P.M. City Council Meeting

Roll call votes will begin with Councilor Walker

Pledge of Allegiance

I. Consent Items – All items listed with an asterisk (*) are considered as routine and will be approved in one motion. There will be no separate discussion of these items unless a Councilor or citizen so requests. If requested, the item will be removed from the consent agenda and considered in the order it appears on the agenda.

1. Order 17-03212016*

Amending Order 14-03072016 which was previously adopted at the 3/7/2016 City Council meeting to reflect the corrected term expiration date for the re-appointment of Robert Bowyer (Planning Board) to 1/1/2019 (previously adopted as 10/1/2019 in error).

2. Order 18-03212016*

Confirming Chief Crowell's appointment of Randall Burnham as Constable without firearm for the Auburn Police Department.

II. Minutes

• March 7, 2016 Regular Council Meeting

III. Communications, Presentations and Recognitions

- Recognition St. Dominic's Academy Girls Hockey Team State Championship
- **IV. Open Session** Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*.
- V. Unfinished Business None

VI. New Business

1. Resolve 03-03212016

Supporting staffs pursuit of the SAFER (Staffing for Adequet Fire and Emergency Response) Grant.

3. Ordinance 04-03212016

Amending the ordinance regarding parking standards for junk cars. Public hearing and first reading.

VII. Executive Session

VIII. Reports

Mayor's Report City Councilors' Reports City Manager Report

Finance Director, Jill Eastman – February 2016 Monthly Finance Report

IX. Open Session - Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*.

X. Adjournment

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

- A. Discussion of personnel issues
- B. Discussion or consideration by a school board of suspension of expulsion
- C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency
- D. Labor contracts
- E. Contemplated litigation
- F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;
- G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and
- H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

Council Meeting Date: 03/21/2016

Subject: Executive Session

Information: Discussion regarding an real estate matter, pursuant to 1 M.R.S.A. Section 405(6)(C).

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:

(1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual's reputation or the individual's right to privacy would be violated;

(2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;

(3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and

(4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present.

This paragraph does not apply to discussion of a budget or budget proposal;

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:

(1) The student and legal counsel and, if the student is a minor, the student's parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body's or agency's counsel to the attorney's client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

Council Workshop or Meeting Date: 3/21/2016

Author: Sue Clements-Dallaire

Subject: Discussion of City Council Committee Agenda Setting and Work plans

Information: This is to discuss recommendations for agenda setting policy for the Council Committees.

Advantages: To provide clear expectations and consistency amongst all Council Committees

Disadvantages: None

City Budgetary Impacts: N/A

Staff Recommended Action: Discussion

Previous Meetings and History: N/A

Attachments:

Below please find my initial recommendations for our agenda-setting policy for the Community and Economic Development Committee. These recommendations are simply meant to get the ball rolling at tomorrow's meeting, and I encourage any party to step forward with other or competing recommendations.

- 1. All requests for additions to the agenda will be forwarded to each member of the committee for review.
- 2. A standard form should be used for any staff, citizen, committee member, or councilor who is requesting an item being referred to our committee or added to our agenda.
- 3. The agenda for a subsequent meeting will be set at the close of the current meeting by a majority vote of the committee.
- 4. All new requests for additions to the agenda or committee referrals that occur between scheduled meetings will be read into the record at the next meeting and added to our work list.
- 5. Our work list will be composed of all pending referrals or committee requests that have not yet received action from the committee.
- 6. Agendas will be created by voting to take up individual items in our work list. Items not yet in the work list must be added to the work list before being added to an agenda.
- 7. A vote of the council at-large can compel an item to be added to the agenda outside of the above-referenced process.

The committee may also want to consider whether we want to create rules for emergency items deemed to be of time-sensitive importance, and how those might be handled.

Regards,

Grady Burns City Councilor, At Large Community and Economic Development Committee, Chair City of Auburn, ME 207-576-6069

Council Committee Agenda Auburn Hall – Council Chambers

1. Call to Order and Introductions

• Chairperson calls meeting to order with Council and staff introductions

2. Minutes of previous meetings

• Approve previous meeting minutes.

3. Agenda items listed for review

See #7. Each meeting the last item on the agenda will be to set the next meeting agenda and confirm date/times. This will cut down on staff time coordinating meetings and agendas. It will give staff 30 days between meetings to gather the necessary information.

4. Committee recommendations

 Following each agenda item we ask that a committee recommendation is stated and voted on by the 3 Councilors present. With a recommendation to bring the item forward staff will work to schedule the item on a future Council Workshop.

5. Staff updates

 Staff will bring forward any updates on other initiaves/projects no on the agenda, as well as, any new items/issues that should be discussed by that committee.

6. Public Comment

7. Next meeting agenda setting

• The committee will establish the agenda for their next meeting before everyone leaves. This will again cut down on staff time.

Council Workshop or Meeting Date: 3-21-2016 Order 17-03212016

Author: Sue Clements-Dallaire

Subject: Amending order 14-03072016 that was previously adopted at the 3/7/2016 Council Meeting

Information: Order 14-03072016 Appointing Board & Committee members was adopted by Council at the 3/7/2016 meeting. It was brought to my attention after that the term expiration date for the re-appointment of Robert Bowyer (Planning Board) was incorrectly noted as 10/01/2019 but should be 01/01/2019. Passage of order 17-03212016 would amend order 14-03072016 to reflect the correct term expiration date.

Advantages: Passage of order 17-03212016 would amend order 14-03072016 to reflect the correct term expiration date.

Disadvantages: None

City Budgetary Impacts: None

Staff Recommended Action: Recommend passage.

Previous Meetings and History: 3/7/2016

Attachments: Order 14-03072016 that was adopted at the 3/7/2016 Council meeting, and Order 17-03212016.

City Council Information Sheet

Council Meeting Date: March 21, 2016

Order 18-03212016*

Author: Phillip L. Crowell, Jr., Chief of Police

Subject: Confirm Chief Crowell's appointment of a Constable Process Server without firearm for the Auburn Police Department.

Information: Chief of Police Crowell requests that the Auburn City Council appoint a civilian (Randall Burnham) to serve documents in the City of Auburn. This civilian will act as a Constable Process Server without a firearm.

Advantages: Documents (ie: subpoenas) are time sensitive. Civilians, who have been appointed by the City Council, will serve documents in the City of Auburn.

Disadvantages:

City Budgetary Impacts: N/A

Staff Recommended Action: Appointment of one civilian (Randall Burnham) as a Constable Process Server for the City of Auburn.

Previous Meetings and History: January 5, 2015 and December 21, 2015 – Annually and periodically, requests are made for appointments and re-appointments for the next or current calendar year.

Jonathan P. LaBonte, Mayor

IN CITY COUNCIL

ORDER 18-03212016

ORDERED, that the City Council hereby appoint Randall Burnham, as a Constable Process Server without firearm in the City of Auburn. Mr. Burnham is not an agent or employee of the city or entitled to hold himself out as such, and is not authorized to carry a firearm in the performance of his duties, and his authority to act as a constable is limited to private employment as a process server.

Mayor LaBonté called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

I. Consent Items

1. Order 09-03072016*

Approving the temporary sign request for Park Avenue Elementary Schools April Festival.

2. Order 10-03072016*

Approving the temporary sign request for the Maine Home Show.

3. Order 11-03072016*

Approving the temporary sign request for the Kora Shrine Circus.

4. Order 12-03072016*

Approving the temporary sign request for the Auburn Business Association.

5. Order 13-03072016*

Accepting the transfer of \$1,857.00 forfeiture assets in U.S. currency to the Auburn Police Department (Superior Court Criminal Action Docket No. CR-15-309 Mustafa Abdi).

Motion was made by Councilor Walker and seconded by Councilor Titus to accept the consent items as presented. Passage 6-0-1 (Councilor Burns was not present for this vote).

II. Minutes - February 22, 2016 Regular Council Meeting

Motion was made by Councilor Walker and seconded by Councilor Pross accepting the minutes of the February 22, 2016 City Council meeting. Passage 7-0.

III. Communications, Presentations and Recognitions

The Mayor gave recognition to the Edward Little High School Girls Indoor Track Team for their State Championship victory and to the Edward Little High School Boys Alpine Ski Team for also winning the State Championship. The coaches and members of the teams were present.

IV. Open Session – Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*. No one from the public spoke.

Mary LaFontaine, Western Avenue – opened by commenting that she loves this community and chooses to live here and we are doing some really great things. She noted that she sat in the Ward 3 Council seat for 4 years and understands the work and understands that decisions that are made are not easy decisions to make and when decisions are made to fund or not fund a program or department, it comes with a cost. She asked that Councilors approach their decisions in a couple of ways. Approach decisions as a whole community,

seek out opinions, fact, data, and historical perspective. Don't listen to just one group. Consider the greater community and future of this community. The business community needs support from both cities. When she moved to L-A in 1988, she saw it as one community. She lives in Auburn, works in Lewiston, and shops, dines, and recreates in both. While many decisions they make are for Auburn specifically, many decisions will be about the greater community. She asked that they consider why decisions were made previously, and honor consistency and dependability. She spoke about property valuations and the work of the Growth Council. She commented that we now have a different leader at the Growth Council and there is good work going on. She spoke about the impact on businesses and the community if Auburn were to defund the Growth Council and asked that thy honor the commitment that was made, do complete research, talk to a variety of people before a decision is made.

Alan Hahnel, Chairman of the Board of Lewiston Auburn Economic Growth Council. He wanted to express his concern that Auburn is looking to move backwards in terms of Economic Development in the Lewiston – Auburn Community. He mentioned the topic of rescinding the \$50,000 for the Rail Study. He added that there are rumors that Auburn wants to defund LAEGC, and the message is that Auburn does not care about Economic Development and that perception is not good for the community.

Lincoln Jeffers, Economic Development Director in Lewiston, stated that as a rule, he tries to not speak at Auburn Council meetings but with rumor that Auburn is looking to defund the Lewiston Auburn Economic Growth Council, it compelled him to speak. He spoke in support of the LAEGC and John Holden and the work that is being done. He noted that he agreed with the comments Mary LaFontaine made.

Stephanie Gelinas, Lewiston resident – stated that she believes this is not just an Auburn discussion, as the dialogue that is occurring has ramifications that go well beyond Auburn and Lewiston and beyond. The LA Metro Chamber released a strong support statement for LAEGC stating that they should be allowed to continue doing the important work they are doing. She noted that LAEGC was the first resource she accessed when she started her business years ago and that is where she refers others. She added that now is not the time to withdraw from LAEGC and now is the time for Lewiston and Auburn to support joint efforts.

Gabrielle Russell, a downtown resident of Lewiston and owns a building on Lisbon Street - noted that she grew up in Auburn and works in Auburn. She expressed her strong support for the work that LAEGC is doing now. She reached out to John Holden when she was looking for a tenant for her Lisbon Street building. He responded right away and within 2 weeks she had a lease agreement. She added that she also worked with LAEGC to get a small business loan and noted that she couldn't have made it happen without John Holden and the staff at LAEGC.

Carl Shalene, commented that we need to understand that what is good for Lewiston is good for Auburn and what is good for Auburn is good for Lewiston. He spoke in support of LAEGC adding that Lewiston and Auburn are better together and we need the Growth Council.

V. Unfinished Business

1. Ordinance 02-02222016

Adopting the amendments to Chapter 20-Housing Code. Public hearing and second reading.

Motion was made by Councilor Titus and seconded by Councilor Walker to adopt the amendments to Chapter 20-Housing Code which would include the amendments made at the 2/22/2016 Council meeting.

Public hearing - no one from the public spoke.

Passage 6-1 (Councilor Pross opposed). A roll call vote was taken.

2. Ordinance 03-02222016

Adopting the amendments to Chapter 44 – Solid Waste. Public hearing and second reading.

Motion was made by Councilor Titus and seconded by Councilor Gilbert to adopt the amendments to Chapter 44 – Solid Waste.

Public hearing:

Larry Pelletier, 129 Second Street asked who will be responsible for enforcing this.

A gentleman that did not identify himself spoke asking who is responsible if tenants do not put their trash out in the trash cans and he went on to talk about enforcement of this proposed ordinance amendment.

Dan Herrick, 470 Hatch Road – asked where this proposal originated adding that he has never heard a complaint about trash strewn across city streets. He also asked who would be responsible for enforcing this.

Motion failed 3-4 (Councilors Walker, Young, Stone, and Titus opposed). A roll call vote was taken.

VI. New Business

3. Ordinance 04-03072016

Adopting amendments for a Form Based Code and Zoning Map for portions of Downtown Auburn and New Auburn. The Form Based Code Text Amendment will replace Article IV, Division 14, Central Business District, Sec. 60-546, amend related sections of the Zoning Ordinance and create 5 new Form Based Code Districts (T-4.1, T-4.2, T-5.1, T-5.2 and T-6). Public hearing and first reading.

The notification on this hearing was sent to property owners within the affected area and 100 feet around the area affected but it was determined afterwards that the ordinance states that notification has to go out to owners within and 500 feet around the affected area. Because of that, this item will be postponed and will be going before the

Planning Board for a further public hearing. An update on this item was provided but action will be postponed until after giving full and proper notice.

Public comment – Chris Branch of Sebago Technics, was representing the Hilton Garden. He spoke in support of the Form Based Code and feels that the area that the Hilton Garden is in would be better fit by being in the T-6 instead of the T-5.2 classification.

Adam Lee, Main St – stated that he commends highly the Form Based Code and encouraged expansion on the T-6 classification in the downtown area.

4. Order 14-03072016

Appointing Board and Committee members as nominated by the Appointment Committee.

Council may enter into executive session pursuant to 1 M.R.S.A. §405 (6)(A).

Motion was made by Councilor Burns and seconded by Councilor Walker to appoint Board and Committee members as nominated by the Appointment Committee. Passage 7-0.

5. Order 15-03072016

Approving to discontinue the use of Fund Balance to balance the General Fund budget over the next 2 fiscal years, FY 17 and FY 18 as recommended by the Finance Director.

Motion was mad by Councilor Titus and seconded by Councilor Stone to approve to discontinue the use of Fund Balance to balance the General Fund budget over the next 2 fiscal years, FY17 and FY18 as recommended by the Finance Director.

Public comment – no one from the public spoke.

Passage 7-0.

VII. Executive Session

Discussion on a poverty abatement case # 2879-16 pursuant to (36 M.R.S.A § 841) with possible action to follow.

Motion was made by Councilor Burns and seconded by Councilor Titus to enter into executive session to discuss a poverty abatement, pursuant to (36 M.R.S.A § 841) with possible action to follow. Passage 7-0, time in 8:12 PM.

Council was declared out of executive session at 8:32 PM.

Motion was made by Councilor Burns and seconded by Councilor Walker to approve the poverty abatement, case #2879-16 in the amount of \$456.00. Passage 7-0.

Discussion on a real estate matter, pursuant to 1 M.R.S.A. §405 (6)(C).

Motion was made by Councilor Pross and seconded by Councilor Burns to enter into executive session to discuss a real estate matter, pursuant to 1 M.R.S.A. §405 (6)(C). Passage 7-0, time in 8:34 PM.

Council was declared out of executive session at 9:17 PM.

VIII. Reports

Mayor's Report – Mayor LaBonte wanted to clarify a comment that was made during open session that Auburn is viewed poorly in regards to economic and business development. He stated that nothing is further from the truth. He spends a lot of time interacting and working with businesses and investors in the State. Auburn and Lewiston-Auburn are seen as a place for opportunity. People see Auburn as a place that is wide open for business and there is a lot in the pipeline.

Councilor Young – reported that last week was a busy week. One meeting cancelled, and one gave just a couple hours notice of another meeting. He was unable to attend due to such short notice. He noted that last weekend he visited two out of three caucuses. He was a guest at one and participated at the other. Pictures can be found on Flickr.

Councilor Walker - working with Tizz Crowley on the Denny Sullivan celebration. He encouraged people to check out the City website and Great Falls TV to find out what is happening.

City Manager – noted that next Monday will be first CIP presentation. It will be in draft form, and he is looking for feedback from Council and the public. He also noted that the Council Committee meetings are ongoing.

IX. Open Session - Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*.

No one from the public spoke.

X. Adjournment

Motion was made by Councilor Walker and seconded by Councilor Stone to adjourn. All were in favor, the meeting adjourned at 9:23 PM.

A True Copy.

ATTEST <u>Jusan Clements-Dallane</u> Susan Clements-Dallaire, City Clerk

Council Workshop or Meeting Date: March 21, 2016 Resolve 03-03212016

Author: Fire Chief Frank Roma

Subject: FY 15 Staffing for Adequate Fire and Response (SAFER) Grant

Information: The AFD desires to make application for a SAFER Grant during the FY 15 grant cycle through FEMA. This grant would cover salary and benefits for four (4) firefighter/paramedics for a period of two years.

Advantages: Award of this grant will allow for us to increase assigned staffing on Engine 2 in New Auburn to four. Engine 2 operates in a mixed rural and urban environment and is often alone for extended periods of time before additional resources are able to arrive and assist. Award of this grant will help to increase firefighter safety, company efficiency and provide a higher level of service to the community.

Disadvantages: NONE

City Budgetary Impacts: Costs for PPE, uniforms and pre-employment physicals will be borne by the city. Approximately \$4.500.00 per FF.

Staff Recommended Action: Approve submission of request for FY 15 SAFER Grant for four (4) Firefighter/Paramedics by the AFD.

Previous Meetings and History: City Council approved submission of a SAFER Grant request in FY 14 for four (4) Firefighter/Paramedics. Grant request was not successful. Presented at the 3/7/2016 Council workshop.

Attachments: Program description.

AUBURN FIRE DEPARTMENT

3-7-16

City Council,

The SAFER Grant application period opened on February 22, 2016 and will close on March 25, 2016. The AFD applied for this Grant last year. We were not successful in our application. It is our desire to make application again during this current cycle. The grant application period is quite laborious and lengthy. As such, we seek approval to move forward in making this grant request in a timely manner.

The Staffing for Adequate Fire and Emergency Response Grants (SAFER) was created to provide funding directly to fire departments and volunteer firefighter interest organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. The goal of SAFER is to enhance the local fire departments' abilities to comply with staffing, response and operational standards established by the NFPA (NFPA 1710 and/or NFPA 1720). This grant is funded through FEMA.

The grant would provide 100% (no city match) funding for four (4) firefighter/paramedics for a period of two years. This would include salary and benefits. Costs for PPE, uniforms and pre employment physicals would be borne by the city.

If successful in being awarded the grant, and should council choose to accept the grant if so awarded, we would have a defined period to make the hires.

When do we expect that departments will begin to be notified about success and or failure of grant requests?

- Projected Award Start Date(s): June 1, 2016 (estimate)
- Projected Award End Date(s): September 30, 2016 (estimate)

How long after notification if successful, do we have to accept the grant and fill the positions?

- Grantees must either accept or decline their award no later than 30 days from the award notification date.
- A default 180-day recruitment period begins when an application is approved for award
 - under this category.
- The two year period of performance automatically starts after the 180-day recruitment period, regardless of whether the grantee has successfully hired the requested firefighters. period, regardless of whether the grantee has successfully hired the requested firefighters.

I anticipate that at the conclusion of the grant funding period for those that were hired through the grant, we will have vacancies created through attrition that would provide for us to utilize these fully trained and equipped firefighters and retain them. However, we are not under an obligation or requirement to retain them.

Thank you,

Frank Roma Fire Chief James Pross, Ward One Robert Stone, Ward Two Andy Titus, Ward Three Ernestine Gilbert, Ward Four

Leroy Walker, Ward Five Grady R. Burns, At Large David C. Young, At Large

Jonathan P. LaBonte, Mayor

IN CITY COUNCIL

RESOLVE 03-03212016

RESOLVED, that the City Council hereby support the application of the Auburn Fire Department for a FEMA Staffing for Adequate Fire and Emergency Response (SAFER) Grant for four (4) Firefighter/Paramedics. The grant would provide full salary and benefits for a period of two years with no obligation to maintain the funded positions upon the conclusion of the two year funding period.

City of Auburn

Council Workshop or Meeting Date: March 21, 2016 Ordinance 04-03212016

Author: Eric Cousens, Deputy Director, Economic Development and Planning

Subject: Text Amendment to Zoning Ordinance Regarding Junk Cars

Information: The Planning and Development Office worked with the Office of Community Development on a series of City Code and Zoning Ordinance text amendments related to issues of property maintenance. This specific text amendment addresses junk cars. The proposed amendment to the zoning ordinance would eliminate the ambiguous wording of "inoperable" and "unlicensed" terms and replace them with "uninspected" and "unregistered", which is easier to verify and consistent with the State automobile-graveyard law. The change will help the enforcement process. The goal of this text amendment is to improve the appearance of neighborhoods by removing junk vehicles and help to create a more attractive and desirable place to live.

Advantages: Adopting the proposed text amendment will make it easier for Code Enforcement officers to enforce junk cars regulations by removing ambiguous language that could be challenged. Removing junk cars will help improve the appearance of individual properties, the surrounding neighborhoods and Auburn in general.

Disadvantages: Removing unsightly junk cars may be perceived by violators as government intrusion on individual property rights.

City Budgetary Impacts: No direct budgetary impacts. Removing junk cars may actually slightly improve property values over time.

Staff Recommended Action: The Staff and Planning Board recommend approval of the text amendment.

Previous Meetings and History: This text amendment and other proposed code violation changes were presented to the City Council at a February 8, 2016 workshop. The Planning Board held a public hearing on March 8, 2016.

To:	Mayor LaBonte and Auburn City Council
From:	Douglas M. Greene, AICP, RLA; City Planner
Date:	March 17, 2016
RE:	Planning Board Report on a Text Amendment to Article V (Parking) Relating to Junk Vehicles

The Planning Board is required to review and make recommendations to the City Council on text amendments to the Auburn Zoning Ordinance. At their March 8, 2016 meeting, a public hearing was held to present changes to Article V, Parking, that proposed changes to off-street parking standards of the zoning ordinances relating to controlling "junk" vehicles on residential properties. The proposed amendments to the zoning ordinance would eliminate the ambiguous wording of "inoperable" and "unlicensed" terms and replace them with "uninspected" and "unregistered", which is easier to verify and consistent with the State automobile-graveyard law.

BACKGROUND:

The Planning and Development Office worked with the Office of Community Development on a series of City Code and Zoning Ordinance text amendments related to issues of property maintenance. The goal of this text amendment is to improve the appearance of neighborhoods by removing junk vehicles and thereby, create a more attractive and desirable place to live. The changes would also help to improve the enforcement process.

MARCH 8th MEETING SUMMARY:

The Staff presented the text amendment to the Planning Board on March 8, 2016. There were no questions from the Planning Board. The public hearing portion of the agenda item was opened and no one from the public was present or commented. The Planning Board voted unanimously 7-0 to forward a favorable recommendation of the text amendment to the City Council.

RECOMMENDATION TO CITY COUNCIL:

The Auburn Planning Board recommends the City Council adopt the proposed text amendment to Article V, Parking, Section 60-607, General provisions and Design Standards as shown in the attached draft.

C: Eric Cousens, Deputy Director, Planning and Development File

Sec. 60-607. - General provisions and design standards.

Development of the parking and loading spaces required by this section is subject to the following general provisions and design standards:

- (1) There shall be provided, at the time of erection of any main building or structure or development of a site in its permitted use, the minimum number of off-street parking and loading spaces specified in the following subsections, within or without a structure. In calculating the spaces, any fractions shall be rounded to the nearest whole number.
- (2) Each individual parking space shall consist of an effective area of nine feet by 18 feet in dimension and shall be accessible to a public way, except for residential uses in Multifamily Urban Districts (MFU) containing five or more dwelling units. Such uses may develop tandem parking spaces but shall be limited to not more than two vehicles in depth.
- (3) Loading spaces shall have the following dimensions:
 - a. Buildings having a gross floor area of 10,000 square feet or less: 25-foot length, 20-foot width;
 - b. Buildings having a gross floor area of greater than 10,000 square feet: 50-foot length, tenfoot width. Each loading space shall have a vertical clearance of at least 14 feet. Required loading spaces shall not be counted as meeting part of the parking space requirements.
- (4) Interior driveways and ingress and egress points serving parking areas shall be at least 20 feet in width to allow safe and expeditious movement of vehicles. Ingress and egress points shall be separated wherever possible and so signed. Ingress and egress points for one-way vehicular movement only, may be reduced to not less than 14 feet for angle parking areas or 12 feet for perpendicular parking areas.
- (5) The required parking and/or loading spaces shall be provided on the same lot as the principal use, building or structure they are required to serve. For buildings other than dwellings, parking spaces may be located not more than 300 feet there from should practical difficulties prevent their provision on the same lot.
- (6) No required parking area or driveways servicing same shall be used for the sale, repair, dismantling or servicing of any vehicle, equipment, material, supplies or merchandise.
- (7) In-On any residential district property or in any residential district, outdoor off-street parking may include the parking or storage of not more than one inoperable unregistered or uninspected motor vehicle per lot. If also unlicensed a vehicle is both unregistered and uninspected, the vehicle must be stored within a building.
- (8) In any residential district, off-street parking may include not more than one commercial vehicle per lot.
- (9) In any residential district, no portion of the front yard space, other than the driveway, shall be utilized for off-street parking.
- (10) Any parking or loading space serving a business or industrial use which abuts the side or rear lot line of a lot in a residential district or use shall be screened from said lot by a tight evergreen shrub hedge or similar landscaping, a fence, a solid wall or a combination of two or more of the foregoing. The screen landscaping, wall or fence shall be at least six feet high and may be extended no closer than 15 feet from the street line.
- (11) Exterior lighting provided in any parking or loading area shall be arranged and shielded so that it is deflected away from adjacent properties used for residential purposes and from any public highway.
- (12) All uses containing over five parking and/or loading spaces shall either contain such spaces within structures or be subject to the following requirements:

- a. All access drives, parking, loading and service spaces shall be graded and surfaced with a solid paving material that is impermeable to water and so as to be dust free and properly drained. Materials which satisfy this criteria include but are not limited to: bituminous pavement, concrete, geotextiles and brick or cobblestone or other paving block provided that it is mortared.
- b. Parking and loading spaces shall be suitably marked by painted lines or other appropriate markings.
- c. A substantial bumper of concrete, masonry, steel or heavy timber or a curb of similar material or an earthen berm shall be placed at the head of each parking or loading stall that abuts a structure, rear or side setback or property line, sidewalk, street right-of-way, or landscaped area to prevent vehicles from rolling into such areas.
- d. Where, in nonresidential districts, parking is planned to occupy a portion of the required front yard area, parking shall not be placed nearer than ten feet from the street right-of-way line. The area between the parking area and the street right-of-way line shall be landscaped.
- (13) Parking and loading spaces shall be so arranged as not to require backing of vehicles onto any public street. No loading platforms or receiving doors shall be located on the street side of any retail store or other commercial building unless such platforms or receiving doors be located not less than 60 feet from the sideline of any street right-of-way lines.
- (14) No portion of any entrance or exit driveway serving a residential use or building shall be closer than 50 feet from the nearest public street intersection unless prevented by dimensional or physical difficulties. No portion of any entrance or exit driveway serving a commercial or industrial use of building shall be closer than 100 feet from the nearest public street intersection unless prevented by dimensional or physical difficulties.
- (15) On lots where one entrance and exit driveway or curb-cut is constructed, the curb-cut shall not exceed 32 feet in width. Where two or more driveways or curb-cuts are constructed, the curb cuts shall not exceed 20 feet in width. For automotive service stations, the curb cut widths may be increased to 32 feet for each driveway or access, but shall not exceed two driveways. These widths may be increased up to a maximum of 44 feet on arterial roads if required by the city engineering department or the state department of transportation.
- (16) A parking lot cluster containing more than 80 stalls shall contain landscaped areas within the perimeter of the overall lot, in the form of landscaped perimeter and islands.
- (17) For those developments subject to site plan review (division 2 of article XVI of this chapter) the relaxation of the requirements of this section shall be reviewed by the planning board.
- (18) Required off-street parking in the Auburn Downtown Action Plan for Tomorrow area for lots which cannot provide their own parking because of location, lot size or existing development may be substituted by parking facilities which, in the public's interest may be provided for by the municipality or private parking resources. No such public or private off-street parking shall be considered as a substitute unless located within 1,000 feet of the principal building or use as measured along lines of public access.
- (19) In calculating the required number of off-street parking spaces, the gross leasable area shall be used.

ORDINANCE 04-03212016

Be it ordained by the Auburn City Council, that the Auburn Zoning Ordinance, Article V, Parking, Section 60-607, General Provisions and Design Standards be amended as shown on the attached draft dated March 17, 2016.

Sec. 60-607. - General provisions and design standards.

Development of the parking and loading spaces required by this section is subject to the following general provisions and design standards:

- (1) There shall be provided, at the time of erection of any main building or structure or development of a site in its permitted use, the minimum number of off-street parking and loading spaces specified in the following subsections, within or without a structure. In calculating the spaces, any fractions shall be rounded to the nearest whole number.
- (2) Each individual parking space shall consist of an effective area of nine feet by 18 feet in dimension and shall be accessible to a public way, except for residential uses in Multifamily Urban Districts (MFU) containing five or more dwelling units. Such uses may develop tandem parking spaces but shall be limited to not more than two vehicles in depth.
- (3) Loading spaces shall have the following dimensions:
 - a. Buildings having a gross floor area of 10,000 square feet or less: 25-foot length, 20-foot width;
 - b. Buildings having a gross floor area of greater than 10,000 square feet: 50-foot length, tenfoot width. Each loading space shall have a vertical clearance of at least 14 feet. Required loading spaces shall not be counted as meeting part of the parking space requirements.
- (4) Interior driveways and ingress and egress points serving parking areas shall be at least 20 feet in width to allow safe and expeditious movement of vehicles. Ingress and egress points shall be separated wherever possible and so signed. Ingress and egress points for one-way vehicular movement only, may be reduced to not less than 14 feet for angle parking areas or 12 feet for perpendicular parking areas.
- (5) The required parking and/or loading spaces shall be provided on the same lot as the principal use, building or structure they are required to serve. For buildings other than dwellings, parking spaces may be located not more than 300 feet there from should practical difficulties prevent their provision on the same lot.
- (6) No required parking area or driveways servicing same shall be used for the sale, repair, dismantling or servicing of any vehicle, equipment, material, supplies or merchandise.
- (7) In On any residential district property or in any residential district, outdoor off-street parking may include the parking or storage of not more than one inoperable unregistered or uninspected motor vehicle per lot. If also unlicensed a vehicle is both unregistered and uninspected, the vehicle must be stored within a building.
- (8) In any residential district, off-street parking may include not more than one commercial vehicle per lot.
- (9) In any residential district, no portion of the front yard space, other than the driveway, shall be utilized for off-street parking.
- (10) Any parking or loading space serving a business or industrial use which abuts the side or rear lot line of a lot in a residential district or use shall be screened from said lot by a tight evergreen shrub hedge or similar landscaping, a fence, a solid wall or a combination of two or more of the foregoing. The screen landscaping, wall or fence shall be at least six feet high and may be extended no closer than 15 feet from the street line.
- (11) Exterior lighting provided in any parking or loading area shall be arranged and shielded so that it is deflected away from adjacent properties used for residential purposes and from any public highway.
- (12) All uses containing over five parking and/or loading spaces shall either contain such spaces within structures or be subject to the following requirements:

- a. All access drives, parking, loading and service spaces shall be graded and surfaced with a solid paving material that is impermeable to water and so as to be dust free and properly drained. Materials which satisfy this criteria include but are not limited to: bituminous pavement, concrete, geotextiles and brick or cobblestone or other paving block provided that it is mortared.
- b. Parking and loading spaces shall be suitably marked by painted lines or other appropriate markings.
- c. A substantial bumper of concrete, masonry, steel or heavy timber or a curb of similar material or an earthen berm shall be placed at the head of each parking or loading stall that abuts a structure, rear or side setback or property line, sidewalk, street right-of-way, or landscaped area to prevent vehicles from rolling into such areas.
- d. Where, in nonresidential districts, parking is planned to occupy a portion of the required front yard area, parking shall not be placed nearer than ten feet from the street right-of-way line. The area between the parking area and the street right-of-way line shall be landscaped.
- (13) Parking and loading spaces shall be so arranged as not to require backing of vehicles onto any public street. No loading platforms or receiving doors shall be located on the street side of any retail store or other commercial building unless such platforms or receiving doors be located not less than 60 feet from the sideline of any street right-of-way lines.
- (14) No portion of any entrance or exit driveway serving a residential use or building shall be closer than 50 feet from the nearest public street intersection unless prevented by dimensional or physical difficulties. No portion of any entrance or exit driveway serving a commercial or industrial use of building shall be closer than 100 feet from the nearest public street intersection unless prevented by dimensional or physical difficulties.
- (15) On lots where one entrance and exit driveway or curb-cut is constructed, the curb-cut shall not exceed 32 feet in width. Where two or more driveways or curb-cuts are constructed, the curb cuts shall not exceed 20 feet in width. For automotive service stations, the curb cut widths may be increased to 32 feet for each driveway or access, but shall not exceed two driveways. These widths may be increased up to a maximum of 44 feet on arterial roads if required by the city engineering department or the state department of transportation.
- (16) A parking lot cluster containing more than 80 stalls shall contain landscaped areas within the perimeter of the overall lot, in the form of landscaped perimeter and islands.
- (17) For those developments subject to site plan review (division 2 of article XVI of this chapter) the relaxation of the requirements of this section shall be reviewed by the planning board.
- (18) Required off-street parking in the Auburn Downtown Action Plan for Tomorrow area for lots which cannot provide their own parking because of location, lot size or existing development may be substituted by parking facilities which, in the public's interest may be provided for by the municipality or private parking resources. No such public or private off-street parking shall be considered as a substitute unless located within 1,000 feet of the principal building or use as measured along lines of public access.
- (19) In calculating the required number of off-street parking spaces, the gross leasable area shall be used.

(Ord. of 9-21-2009, § 4.1A)

"Maine's City of Opportunity"

- TO: Howard Kroll, City Manager
- FROM: Jill Eastman, Finance Director
- REF: February 2016 Financial Report
- DATE: March 9, 2016

The following is a discussion regarding the significant variances found in the City's February financial report. Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department.

The City has completed its eighth month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 66.7% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

<u>Revenues</u>

Revenues collected through February 29th, including the school department were \$46,245,854 or 59.63%, of the budget. The municipal revenues including property taxes were \$33,210,304, or 60.46% of the budget which is more than the same period last year by 1.28%. The accounts listed below are noteworthy.

- A. The current year tax revenue is at 59.15%, the second payment is due March 15th.
- B. Excise tax for the month of February is at 72.17%. This is a \$143,093 increase from FY 15. Our excise revenues for FY16 are 5.5% above projections as of February 29, 2016.
- C. State Revenue Sharing at the end of February is 71.58% or \$1,057,740. This is 13.34% or \$97,046 increase from last February.
- D. Fines are ahead of last year at this time by \$1,794.

60 Court Street • Suite 411 • Auburn, ME 04210 (207) 333-6600 Voice • (207) 333-6601 Automated • (207) 333-6620 Fax www.auburnmaine.org

Expenditures

City expenditures through February 2016 were \$25,034,762 or 65.04%, of the budget. This is a 8.56% decrease for the same period last year. Noteworthy variances are:

- A. The operating departments are all in line with where they should be at this time. Several line items are paid quarterly, semi-annually or annually thus creating the appearance of being over budget. I have and will continue to monitor each department's expenditures throughout the fiscal year.
- B. The TIF transfer has not been made yet this year which is the major variance compared to last year at this time.

Investments

This section contains an investment schedule as of February 29th. Currently the City's funds are earning an average interest rate of .47%.

Respectfully submitted,

eem Castman

Jill M. Eastman Finance Director

"Maine's City of Opportunity"

Financial Services

To: Howard Kroll, City Manager From: Jill Eastman, Finance Director Re: Arena Financial Reports for February 29, 2016

Attached you will find a Statement of Net Assets and a Statement of Activities and budget to actual reports for Norway Savings Bank Arena for revenue and expenditures as of February 29, 2016.

NORWAY SAVINGS BANK ARENA

Statement of Net Assets:

The Statement of Net Assets lists current assets, noncurrent assets, liabilities and net assets and shows a comparison to the previous month, in this case, January 31, 2016.

Current Assets:

As of the end of February 2016 the total current assets of Norway Savings Bank Arena were (\$141,675). These consisted of cash and cash equivalents of \$91,281, accounts receivable of \$136,851 and an interfund payable of \$369,807, which means that Norway owes the General Fund \$369,807 at the end of February.

Noncurrent Assets:

Norway's noncurrent assets are equipment that was purchased, less depreciation (depreciation is posted at year end). The total value of the noncurrent assets as of February 29, 2016 was \$215,947.

Liabilities:

Norway Arena had accounts payable of \$41,210 as of February 29, 2016.

Statement of Activities:

The statement of activities shows the current operating revenue collected for the fiscal year and the operating expenses as well as any nonoperating revenue and expenses.

The operating revenues for Norway Arena through February 2016 are \$756,548. This revenue comes from the concessions, sign advertisements, pro shop lease, youth programming, shinny hockey, public skating and ice rentals.

The operating expenses for Norway Arena through February 2016 were \$788,665. These expenses include personnel costs, supplies, utilities, repairs, rent, capital purchases and maintenance.

As of February 2016 Norway Arena has an operating loss of \$32,117 compared to the February 2015 operating loss of \$115,732 a decrease in the operating loss for the fiscal year of \$83,615.

As of February 29, 2016 Norway Arena has a decrease in net assets of \$32,117.

The budget to actual reports for revenue and expenditures, with comparison to the same period last year show that revenue for FY16 is \$19,497 more than in FY15 and expenditures in FY16 are \$108,325 less than last year in February.

Financial Services

To: Howard Kroll, City Manager From: Jill Eastman, Finance Director Re: Financial Reports for February 29, 2016

Attached you will find a Statement of Net Assets and a Statement of Activities and budget to actual reports for Ingersoll Turf Facility for revenue and expenditures as of February 29, 2016. Ingersoll opened in October 2015 and I have not given you any reports to date. After 5 months of operation Ingersoll is operating in the black as you will see from the attached report and narrative below.

INGERSOLL TURF FACILITY

Statement of Net Assets:

The Statement of Net Assets lists current assets, noncurrent assets, liabilities and net assets as of February 29, 2016.

Current Assets:

As of the end of February 2016 the total current assets of Ingersoll Turf Facility were \$42,157. These consisted an interfund receivable of \$42,157, which means that the General Fund owes Ingersoll \$42,157 at the end of February.

Noncurrent Assets:

Ingersoll's noncurrent assets are equipment that was purchased, less depreciation (depreciation is posted at year end). The total value of the noncurrent assets as of February 29, 2016 was \$20,915.

Liabilities:

Ingersoll had no liabilities as of February 29, 2016.

Statement of Activities:

The statement of activities shows the current operating revenue collected for the fiscal year and the operating expenses as well as any nonoperating revenue and expenses.

The operating revenues for Ingersoll Turf Facility through February 2016 are \$105,361. This revenue comes from the sponsorships, programs, rental income and batting cages.

The operating expenses for Ingersoll Turf Facility through February 2016 were \$42,289. These expenses include personnel costs, supplies, utilities, repairs, capital purchases and maintenance.

As of February 2016 Ingersoll has an operating gain of \$63,072.

As of February 29, 2016 Norway Arena has an increase in net assets of \$63,072.

The budget to actual reports for revenue and expenditures, show that the revenue for FY16, after 5 months is 49.02% of the budget and expenditures are at 23.67% of budget.
