TRAINING  Ammunition cost increase, academy tuition for new recruits, and officer development

FUEL  Increase in cost covering 300,000+ miles

FLEET REPAIRS  Replacement schedule is still behind, causing added miles and more repairs
COMMUNITY INVESTMENT

CITIZEN ENGAGEMENT Improve or expand dialogue and interaction with citizens

RETURN ON INVESTMENT

NEIGHBORHOOD MOBILIZATION

- Neighborhood Watch Groups/Coffee with a Cop - safety concerns
- Citizens Police Academies - provides citizen knowledge
- Citizen Survey - 90% of responders (188) believe their neighborhood is a good place to live and raise children; 70% plan to live in their neighborhood for at least five years – 25% had more than five community interactions with police in a year
SIX Current Neighborhood Watch Groups

Two newest NW groups:
Pleasant Street & PAL Area
COMMUNITY INVESTMENT

ENHANCED TRAFFIC SAFETY
• Address motor vehicle and pedestrian safety in Auburn

RETURN ON INVESTMENT

DATA-DRIVEN STRATEGIES
• **Traffic Enforcement Unit**: traffic enforcement/calming initiatives
• Applied for Bureau of Highway Safety **Grants** $82,885 for distracted driving, speed, OUI, and seatbelt overtime
• Deployed traffic calming signs and speed bumps in neighborhoods
• Stopped 6,319 motor vehicles in 2017 – a **7% increase** from 2016
Seven have been displayed on Broad Street, West Auburn Road, Park Avenue, Mill Street, Perkins Ridge Road, Lake Street, Stevens Mill Road, and Central Maine Community College.

The units collect data and can be redeployed. Provides traffic calming efforts and responsiveness to citizen complaints.

CIP FY 18: purchased 10 units
COMMUNITY INVESTMENT

COMMUNITY SAFETY Address safety of Auburn from all perspectives (residents, schools, businesses & visitors)

RETURN ON INVESTMENT

PATROL/INVESTIGATION/SCHOOL DEPLOYMENT

- Largest investment – 47 staff members handling over 24,000 calls for service
- 96% of our crime rate is property related/only 4% are crimes against people
- Auburn’s solved crime rate is 49% (higher than state average)

DRUG ENFORCEMENT

- Allocated three agents regionally to disrupt the supply of drugs in Auburn
- Promoted community conversations in collaboration with treatment providers
- Educated the community on drug issues and local resources
BEATS/CALLS FOR SERVICE

Total Miles for 2017: 334,577

Calls for Service: 24,340
DRUG OVERDOSE/DEATHS

2013 – 2017

• 5 overdoses in 2013 resulting in 2 deaths
• 11 overdoses in 2014 resulting in 3 deaths
• 25 overdoses in 2015 resulting in 2 deaths
• 36 overdoses in 2016 resulting in 5 deaths
• 29 overdoses in 2017 resulting in 4 deaths

ACTION STEPS

• All officers have been issued NARCAN and are trained to administer it
• APD has launched a follow-up program with the Auburn Fire Department; overdose patients are contacted within 48 hours
• The department has joined CommUNITY Recovery, a collaboration to expand patient-centered addiction care: “To create a community response and safe pathway to recovery that provides full access, reduces stigma and encourages the possibility of successful overall well-being and participation.”

City Council Information Sheet

Council Workshop or Meeting Date: May 7, 2018

Author: Deputy Fire Chief Robert Chase

Subject: Fire Department Budget Presentation

Information:
The presentation includes a review of the department’s structure, facilities and equipment.

The CIP request includes the required removal of the Under-Ground Storage Tank for heating oil which has been abandoned at Center Street Station for almost two years. After tank removal, the driveway must then be paved which will also repair an area dug up this winter to repair a broken water main.

There is also a CIP request of a response vehicle for the EMS Director.

The operating budget review includes information on the requested increase in the overtime budget for short and long term sick leave. This request is the start of a three to five-year process of trying to control overtime while adjusting the budget to align more closely with realistic expenditures. This comes following a recommendation from the Fire Department Overtime Working Group which will continue to work on controlling overtime expenses.

Detail will also be provided on a requested increase to the Vehicle Repairs budget, which has been overbudget for several years and continues to challenge our ability to keep vehicles response ready.

City of Auburn  
City Council Information Sheet

Council Workshop Date: 5-7-2018

Author: Zach Mosher, City Planner

Subject: Future Land Use and Zoning Map Amendments at 33 Dunn St.

Information: Clarice and Jeff Hinckley, owners of 33 Dunn St (PID #: 221-195), the site of the former Twin City Times, requested to have the zoning changed at this property from Multi-Family Urban (MFU) to Neighborhood Business (NB). They are interested in providing office space on the bottom floor and a coffee and doughnut/muffin shop on the top floor. The Assessing Department classifies the property as “personal/professional services” and therefore the office use, although not permitted in the MFU district, is grandfathered and allowed to continue at this location, but any kind of retail, including food retail is not allowed in the MFU district. The zone change proposal from MFU to NB would allow a neighborhood scale commercial use.

At the request of the property owners, the Planning Board initiated a Zoning Map Amendment at their February 13, 2018 meeting. The zone change was then presented to the Planning Board at a public hearing on March 27, 2018. The Staff recommended that the Planning Board consider both an amendment to the Comprehensive Plan’s Future Land Use Plan for both 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) and a Zoning Map Amendment from Multi-Family Urban (MFU) zoning to Neighborhood Business (NB) zoning. The Staff felt the Zoning Map Amendment would be better supported by changing the Future Land Use designation to one that would be in compliance with the Comprehensive Plan. One resident spoke during the public hearing and voiced concern over the other uses the Neighborhood Business district might allow as this specific use and owners will not be present forever. Any kind of commercial (retail, service, or office) use in the NB district would either need a signoff from the Planning Director or special exception approval by the Planning Board.

City Budgetary Impacts: None

Staff Recommended Action: Staff recommends the City Council move to 1st reading and Public Hearing.

Previous Meetings and History: On February 13, 2018 staff asked the Planning Board to initiate a zone change. A public hearing was held at the March 27, 2018 meeting and the Planning Board voted 7-0 to forward a positive recommendation to the City Council. All Planning Board materials and maps are attached.

PLANNING BOARD REPORT to the CITY COUNCIL

To: Mayor Levesque and Honorable Members of the Auburn City Council

From: Zach Mosher, City Planner

Re: Comprehensive Plan Future Land Use Plan Zoning Map Amendment – 33 Dunn Street

Date: May 7, 2018

SUMMARY – On March 27, 2018 the Auburn Planning Board held a public hearing and took action on a Comprehensive Plan Future Land Use Plan Amendment and a Zoning Map Amendment for 33 Dunn St. The meeting consisted of a staff presentation and comments from an area resident residing at 59 Fourth street during the public hearing. After a discussion, the Planning Board voted unanimously 7-0 to send recommendations of APPROVAL for both amendments on to the City Council for final action.

PROPOSAL - Based on a request by staff the Planning Board initiated a Zoning Map Amendment (zone change) at its February 13, 2018 meeting for the Planning Board to amend the zoning at 33 Dunn St from its current zoning of Multi-Family Urban (MFU) to Neighborhood Business (NB). The party who has purchased the property is interested in providing office space on the bottom floor and a coffee and doughnut/muffin shop on the top floor. Our assessing office classifies the property as “personal/professional services with an office style building” and therefore the office use, although not permitted in the MFU district, is allowed to continue at this location, but any kind of retail, including food retail is not allowed in the MFU district. The owner is requesting to have the zoning changed to Neighborhood Business to allow a neighborhood scale commercial use which could be a desirable amenity in this part of New Auburn.

The 2010 Comprehensive Plan Future Land Use Plan recommends New Auburn Village Center (NAVC) for the general area including 33 Dunn St. The Staff recommended that the Planning Board first amend the 2010 Comprehensive Plan’s Future Land Use map for 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) prior to considering the
proposed zone change. The second step would be a Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB).

THE SITE – The property is approximately .23 ac. (10,000 s.f.) in size and is the site of the former Twin City Times newspaper. The structure was permitted and constructed around 1965 as a credit union and later occupied by Twin City Times and contains approx. 12 parking spaces at the rear of the building. There are two floors in the building with the bottom floor being a “walk-out.” The whole building is approx. 3,400 s.f. in size, but only approx. 600 s.f. would be devoted to food retail under the owner’s specific proposal.

At the February 13, 2018 Planning Board meeting, staff conducted a short presentation asking the Planning Board to initiate the zone change. Staff provided the following reasons as to why considering a zone change made sense at this property:

1. The property is across the street from a Neighborhood Business zoned property with a similar history of commercial use.
2. The structure was permitted and constructed around 1965 as a credit union and later occupied by Twin City Times.
3. The structure is not well suited for conversion to a residential use.
4. A small retail store, café or bakery could be a desirable amenity in the neighborhood.

Final action was taken the Planning Board on March 27, 2018 when the board voted unanimously to forward a recommendation of approval to the City Council.

PLANNING BOARD ACTION - The Planning Board was asked to make two recommendations to the City Council: (1) amend the Future Land Use Map for 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) and 2) for a Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) zone to Neighborhood Business (NB) zone.

1. The March 27th Staff Report presented references from the 2010 Comprehensive Plan relating to Neighborhood Business, which were incorporated into the findings for recommending approval to amend the Future Land Use for 33 Dunn St Street from the New Auburn Village Center designation to Neighborhood Business. (See Attachment 2, Section III, A, pages 3 and 4)

The second part of Planning Board consideration was for a zoning map amendment from Multi-Family Urban (MFU) to Neighborhood Business (NB). The Staff suggested that if the Planning Board/City Council amended the Future Land Use for 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB), that change would make the Zoning Map Amendment request for said property to Neighborhood Business in compliance with the Comprehensive Plan’s Future Land Use Plan. The staff also presented findings that the zone change request was reasonable would allow small-scale general commercial uses (retail, service, and office) that do not negatively affect the character of the surrounding neighborhood. It would also allow the
proposed continuance of the office use to become a conforming use, in addition to allowing small scale retail and service uses.

IV. **PLANNING BOARD PUBLIC HEARING, DELIBERATION AND RECOMMENDATIONS** - During the public hearing portion of the item at the March 27, 2018 meeting, Kevin Lynch, a resident of 59 Fourth St expressed concern about the use regulations in the Neighborhood Business district as this property will at some point change hands and doesn’t want the character of the neighborhood to change by allowing a wide range of commercial uses. Board member Scogin responded by listing the use regulations of Neighborhood Business district and by reading Use Regulation 5 which reads:

Commercial uses (offices, retail and services) in the Neighborhood Business (NB) district are a permitted use and must be authorized by the planning director while meeting the following two criteria:

a. The external activity levels and impacts are limited as to be compatible with and not adversely affect the character of the surrounding neighborhood.

b. The proposed use will not create excessive noise, excessive traffic, nuisances (vibration, smoke, odor, appearance, etc.), fire hazard and other negative impacts of business activities being conducted in the residential neighborhood.

The resident was happy with the answer and said that he lauds the owners of 33 Dunn St for trying to accommodate a small retail use at this location. The public hearing was then closed.

A motion was made to forward a recommendation of Approval to the City Council to amend the Future Land Plan for 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) and to amend the Zoning Map for said property from Multi-Family Urban (MFU) to Neighborhood Business (NB) with the following findings on the Future Land Use Amendment:

1. Amending the Future Land Use Plan from New Auburn Village Center (NAVC) to Neighborhood Business (NB) for 33 Dunn St will meet the goal of the Comprehensive Plan by “support(ing) the retention and improvement of these businesses since they offer a valuable service to the City’s residents” and “The standards also allow for replacing an existing use with a new non-residential use as long as it is appropriate for the neighborhood.”
2. The proposed uses at 33 Dunn St meets the Objectives, Allowed Uses and Development Standards for Neighborhood Business (NB) as stated in the 2010 Comprehensive Plan (Chapter 2 Future Land Use Plan).

3. Amending the Future Land Use Plan from New Auburn Village Center (NAVC) to Neighborhood Business (NB) for 33 Dunn St will create a future land use designation for the Comprehensive Plan and be compatible and in compliance for the proposed zoning map amendment, which if approved, would allow the proposed uses of office and retail.

4. The proposed use of 33 Dunn St will be compatible and appropriate for the surrounding neighborhood.

The findings continued for the Planning Board to send a recommendation of **APPROVAL** to the City Council for the Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) with the following findings:

1. The Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) will be in compliance with the Future Land Use Plan’s designation as Neighborhood Business. (Subject to City Council approval of the Future Land Use Amendment)

2. Amending the Zoning Map for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) will allow a small-scale office and retail location to exist in a walkable neighborhood.

3. Changing 33 Dunn St to Neighborhood Business (NB) will meet the Neighborhood Business district goal of the 2010 Comprehensive Plan by "support(ing) the retention and improvement of these businesses since they offer a valuable service to the City’s residents."

The motion was approved with a unanimous vote of 7-0 (motion by Scogin, seconded by Hamlyn).
PLANNING BOARD STAFF REPORT

To: Auburn Planning Board
From: Zach Mosher, City Planner
Re: Future Land Use Map and Zoning Map Amendment for 33 Dunn St
Date: March 27, 2018

I. PROPOSAL – The Auburn Planning Board initiated a Zoning Map Amendment (zone change) at their February 13, 2018 meeting for the property located at 33 Dunn St (PID # 221-195). This property was occupied by the Twin City Times as recently as January 2018 and is currently zoned Multi-Family Urban (MFU) and is being proposed to be rezoned to Neighborhood Business (NB). At this meeting, the Planning Board is being asked to make a two-step recommendation to the City Council: 1) Amend the Future Land Use Map and 2) Amend the Zoning Map.

Existing Future Land Use Map:
Proposed Future Land Use Map:

Existing Zoning:
Proposed Zoning:

BACKGROUND and STAFF COMMENTS – The party who has purchased the property is interested in providing office space on the bottom floor and a coffee and doughnut/muffin shop on the top floor. They are proposing offices on the 1st floor in addition to a small retail coffee/doughnut shop on the top floor. Our assessing office classifies the property as “personal/professional services with an office style building” and therefore the office use, although not permitted in the MFU district, is allowed to continue at this location, but any kind of retail, including food retail is not allowed in the MFU district. The owner is requesting to have the zoning changed to Neighborhood Business to allow a neighborhood scale commercial use which could be a desirable amenity in this part of New Auburn.

THE SITE – The property is approximately .23 ac. (10,000 s.f.) in size and is the site of the former Twin City Times newspaper. The structure was permitted and constructed
around 1965 as a credit union and later occupied by Twin City Times and contains approx. 12 parking spaces at the rear of the building. There are two floors in the building with the bottom floor being a “walk-out.” Each floor is approx. 1,450 sq ft in size.

At the February 13, 2018 Planning Board meeting, staff conducted a short presentation asking the Planning Board to initiate the zone change. Staff provided the following reasons as to why considering a zone change made sense at this property:

1. The property is across the street from a Neighborhood Business zoned property with a similar history of commercial use.
2. The structure was permitted and constructed around 1965 as a credit union and later occupied by Twin City Times.
3. The structure is not well suited for conversion to a residential use.
4. A small retail store, café or bakery could be a desirable amenity in the neighborhood.

After review, the Planning Board voted to initiate a zone change at this location and staff is now requesting the Planning Board vote to make a recommendation to the City Council on amending both the Future Land Use map and the Zoning Map.

II. DEPARTMENT REVIEW - The proposed zoned change was reviewed at the October 18, 2017 Plan Review Committee.

a. Police - No Comments
b. Auburn Water and Sewer - No Comments
c. Fire Department - No Comments
d. Engineering – No Comments
e. Public Services – No Comments
f. Economic and Community Development – Staff presented the zone change request to the Plan Review Committee.

III. PLANNING BOARD ACTION- The Planning Board is being asked to make a two-step recommendation to the City Council:

1) Amend the Future Land Use Map
2) Amend the Zoning Map

The Planning Board is being asked to amend the Future Land Use for 33 Dunn St from New Auburn Village Center (NAVC) District to Neighborhood Business (NB), and for a Zoning Map Amendment for 33 Dunn Street from Multi-Family Urban (MFU) district to Neighborhood Business (NB) district.
A. FUTURE LAND USE PLAN AMENDMENT-

The 2010 Comprehensive Plan’s Future Land Use Map for the 33 Dunn St property is New Auburn Village Center. This designation is appropriate for the general area.

The 2010 Comprehensive Plan speaks to Neighborhood Business as follows:

(From Goals, Policies and Strategies, Chapter 1)

4. Neighborhood Business Districts
The City has a number of neighborhood businesses that are located within residential neighborhoods. **It is the City’s policy to support the retention and improvement of these businesses since they offer a valuable service to the City’s residents.** It is also the City’s policy to encourage the owners of these properties to reinvest in maintaining and improving these buildings. To accomplish these objectives, the Future Land Use Plan (see Chapter 2) designates these properties as Neighborhood Business Districts. The standards for these districts allow the existing nonresidential use to be maintained and improved, as long as it is compatible with the surrounding neighborhood. The standards also allow for replacing an existing use with a new nonresidential use (other than service stations and auto service facilities), as long as it is appropriate for the neighborhood. **The primary objective in creating these districts is to encourage the retention of these neighborhood businesses.** As long as the property includes nonresidential space, whether occupied or not, the property should remain in the Neighborhood Business District to allow re-occupancy by an appropriate nonresidential use. However, if a property is converted to a residential use, it is the City’s policy that the City should rezone the property to eliminate the Neighborhood Business District. (pages 71 and 72, 2010 Comprehensive Plan- Chapter 1: Goals, Policies and Strategies)

(From Future Land Use Plan, Chapter 2)
**Neighborhood Business District (NB)**

**Objective** – The objective of the Neighborhood Business District is to allow for the maintenance, improvement, and continued commercial use of properties within residential neighborhoods that have been traditionally used for nonresidential purposes, provided that they are good neighbors, and that changes in the property or the use do not increase the adverse impacts on the neighborhood (see Figure 2.3). Properties that are zoned Neighborhood Business should continue to be zoned for commercial use as long as they continue to be used for appropriate nonresidential
purposes. If the property is converted to a residential use, it should be rezoned to remove it from the neighborhood business district.

**Allowed Uses** – The following types of uses should be allowed in the Neighborhood Business District provided they do not result in an increase in the adverse impacts on the surrounding neighborhood:

- residential uses of the type allowed in the surrounding neighborhood
- personal services
- small retail uses
- existing service stations and auto service facilities
- community services and government uses

**Development Standards** – The development standards should reflect the existing pattern of development with respect to setbacks. The standards should allow for the expansion of the building as long as the overall layout and functioning of the site is improved, and there is no increase in adverse impacts. (pages 105 and 106; 2010 Comprehensive Plan- Future Land Use Plan Chapter 2)

STAFF COMMENTS- It is clear that the 2010 Comprehensive Plan’s Goals and Future Land Use Plan supports preserving and maintaining neighborhood businesses. As the site of a credit union for 40 years and then the location of the Twin City Times this property has provided a valuable service to the neighborhood over the years. With the plan being to continue the office use while also offering small scale food retail, it is the owner’s desire to continue a valuable service to the neighborhood. Amending 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) meets the goals and intent of the 2010 Comprehensive Plan for Neighborhood Business and will allow the associated Zoning Map Amendment to be approved by being in agreement with the Comprehensive Plan Land Use Map.

B. ZONING MAP AMENDMENT- The proposed Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) is supported by the 2010 Comprehensive Plan’s Goals, Policies and Strategies and Land Use Plan as referenced previously. Should the Future Land Use Plan be amended for 33 Dunn St to Neighborhood Business, the proposed zone change for 33 Dunn St to Neighborhood Business would then be in agreement with the Future Land Use Plan. The proposed zone change would allow general commercial uses (retail, service, and office) that do not negatively affect the character of the surrounding neighborhood. It would also allow the office use to become a conforming use, in addition to allowing small scale retail and service uses.
STAFF COMMENTS- Amending the Future Land Use for 33 Dunn Street to from New Auburn Village Center (NAVC) to Neighborhood Business (NB) will make the Zoning Map Amendment request for 33 Dunn St to Neighborhood Business compatible and in compliance with the Comprehensive Plan’s Future Land Use Plan. The zone change request will allow the office use to become conforming as well as allowing general commercial, retail, and service uses without being detrimental to the surrounding area.

IV. STAFF RECOMMENDATIONS-

A FUTURE LAND USE PLAN AMENDMENT-
The Staff recommends the Planning Board send a recommendation of APPROVAL to the City Council to amend the Future Land Plan for 33 Dunn St from New Auburn Village Center (NAVC) to Neighborhood Business (NB) with the following findings:

1. Amending the Future Land Use Plan from New Auburn Village Center (NAVC) to Neighborhood Business (NB) for 33 Dunn St will meet the goal of the Comprehensive Plan by “support(ing) the retention and improvement of these businesses since they offer a valuable service to the City's residents” and “The standards also allow for replacing an existing use with a new non-residential use as long as it is appropriate for the neighborhood.”

2. The proposed uses at 33 Dunn St meets the Objectives, Allowed Uses and Development Standards for Neighborhood Business (NB) as stated in the 2010 Comprehensive Plan (Chapter 2 Future Land Use Plan).

3. Amending the Future Land Use Plan from New Auburn Village Center (NAVC) to Neighborhood Business (NB) for 33 Dunn St will create a future land use designation for the Comprehensive Plan and be compatible and in compliance for the proposed zoning map amendment, which if approved, would allow the proposed uses of office and retail.

4. The proposed use of 33 Dunn St will be compatible and appropriate for the surrounding neighborhood.

B. ZONING MAP AMENDMENT-
The Staff recommends the Planning Board send a recommendation of APPROVAL to the City Council for the Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) with the following findings:

1. The Zoning Map Amendment for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) will be in compliance with the Future Land Use Plan.
Plan’s designation as Neighborhood Business. (Subject to City Council approval of the Future Land Use Amendment)

2. Amending the Zoning Map for 33 Dunn St from Multi-Family Urban (MFU) to Neighborhood Business (NB) will allow a small-scale office and retail location to exist in a walkable neighborhood.

3. Changing 33 Dunn St to Neighborhood Business (NB) will meet the Neighborhood Business district goal of the 2010 Comprehensive Plan by “support(ing) the retention and improvement of these businesses since they offer a valuable service to the City’s residents.”

**Development Standards** – The basic density requirement should be up to 6-8 units per acre for single family and two-family homes and up to 10-12 units per acre for townhouse style and multifamily units. The reuse/reconfiguration of the space within existing buildings for residential purposes should be allowed without consideration of the density/lot size requirements provided that the building will be renovated, be compatible with the neighborhood, and meet the City’s requirements for residential units including the provision of appropriate parking and green space. The minimum lot size for single family house lots should be 5,000 to 6,500 SF with 50 feet of lot width or frontage. The other development standards should be established to reflect the existing pattern of development.

**Moderate Density Neighborhood Conservation District (MoDNC)**

**Objective** – Stabilize and promote continued investment in the City’s moderate density single and two-family neighborhoods to assure that they remain safe, attractive areas in which residents want to live (see Figures 2.3, 2.5, 2.6, and 2.7). To this end, the district should allow property owners to upgrade their properties and for infill development to occur on vacant lots as long as it is compatible with the character of the neighborhood.

**Allowed Uses** – The allowed uses in the Moderate Density Neighborhood Conservation District should be limited to the following types of uses:

- single and two-family homes
- townhouse style attached single family units
- home occupations
- community services and municipal use and facilities
- agriculture

**Development Standards** – The basic density requirement should be up to 4-6 units per acre for single family and two-family homes and up to 6-8 units per acre for townhouse style units. The minimum lot size for single family house lots should be 7,500 to 10,000 SF, with 75 to 100 feet of lot width or frontage. The other development standards should be similar to the standards for existing Urban Residential District. The development standards should include provisions to allow infill development on existing lots of record, regardless of their size, if they meet stringent design and environmental standards that ensure compatibility with the surrounding neighborhood.

**Designations: Nonresidential and Mixed Use**

**Neighborhood Business District (NB)**

**Objective** – The objective of the Neighborhood Business District is to allow for the maintenance, improvement, and continued commercial use of properties within residential neighborhoods that have been traditionally used for nonresidential purposes, provided that they are good neighbors, and that changes in the property or the use do not increase the adverse impacts on
the neighborhood (see Figure 2.3). Properties that are zoned Neighborhood Business should continue to be zoned for commercial use as long as they continue to be used for appropriate nonresidential purposes. If the property is converted to a residential use, it should be rezoned to remove it from the neighborhood business district.

**Allowed Uses** – The following types of uses should be allowed in the Neighborhood Business District provided they do not result in an increase in the adverse impacts on the surrounding neighborhood:

- residential uses of the type allowed in the surrounding neighborhood
- personal services
- small retail uses
- existing service stations and auto service facilities
- community services and government uses

Service stations and auto service facilities existing as of 2009 should continue to be allowed uses and should be allowed to modernize, but the establishment of a new service station or auto service facility in the Neighborhood Business district should not be permitted. Before an existing nonresidential use is replaced by a new nonresidential use, it should be required to demonstrate that it will not increase the adverse impact on the surrounding neighborhood.

**Development Standards** – The development standards should reflect the existing pattern of development with respect to setbacks. The standards should allow for the expansion of the building as long as the overall layout and functioning of the site is improved, and there is no increase in adverse impacts.

**Community Use District (CU)**

**Objective** – The objective of the Community Use District is to recognize those areas that are used for community facilities, including schools and educational institutions, parks, playgrounds, and similar public and community facilities (see Figure 2.3). The intent of this designation is to establish a policy that these types of properties should be recognized as important resources, and that any significant change in use should be considered a significant policy decision.

**Allowed Uses** – The allowed uses within the Community Use District should be limited to municipal and governmental facilities, educational facilities, recreational facilities and uses, and community services.

**Development Standards** – The development standards should focus on providing flexibility for appropriate municipal, community, and governmental uses, while reflecting the existing pattern of development in adjacent areas, and assuring that the use of the property does not result in any undue adverse impact on the surrounding neighborhood.
DIVISION 11. - NEIGHBORHOOD BUSINESS DISTRICT

Sec. 60-470. - Purpose.

This district is intended to provide for the daily convenience shopping and business needs of nearby residents and contains those retail, service and office uses which serve primarily a neighborhood population. It is intended that this district be located on lots in areas zoned for residential use.

(Ord. of 9-21-2009, § 3.61A)

Sec. 60-471. - Use regulations.

(a) **Permitted uses.** The following uses are permitted, provided that the business use be limited to the ground floor and/or basement and that the gross building area devoted to business use, excluding storage, does not exceed 3,000 square feet:

1. Residential dwellings at the same density as permitted in any abutting residential district.
2. Beauty parlors, barbershops and self-service laundries.
5. General commercial uses (retail, service and office uses), not necessarily associated with the surrounding neighborhood, may be authorized by the planning director upon written application adhering to the following procedure and criteria:
   a. The external activity levels and impacts are limited as to be compatible with and not adversely affect the character of the surrounding neighborhood.
   b. The proposed use will not create excessive noise, excessive traffic, nuisances (vibration, smoke, odor, appearance, etc.), fire hazard and other negative impacts of business activities being conducted in the residential neighborhood.

(b) **Special exception uses.** The following uses are permitted as special exceptions after approval by the planning board in accordance with division 3 of article XVI of this chapter.

1. Automobile parking lots and garages, commercial and public, provided that they shall be at least ten feet from any lot in a residential district and that the setback area be landscaped.
2. Public utility uses, such as electric substations and office, excluding repair facilities and the storage of material and trucks.
3. Convenience stores, drug stores, variety stores and retail bakeries shops provided that goods baked on the premises shall be sold only on the premises.
4. Automobile filling stations.
5. Halls, private clubs and lodges.
6. Shoe repair shops, pickup laundries and dry cleaners.
7. Adaptive reuse of structures of community significance.

(Ord. of 9-21-2009, § 3.61B; Ord. No. 05-04032017, § 2, 4-24-2017)

Sec. 60-472. - Dimensional regulations.

All structures in this district, except as noted, shall be subject to the following dimensional regulations:
(1) *Minimum lot area, width and depth.* No minimum shall be applied to buildings in this district.

(2) *Density.* The maximum lot coverage by all building shall be 40 percent.

(3) *Yard requirements.*
   a. *Rear.* There shall be behind every principal building a rear yard having a minimum depth of 35 feet or 25 percent of the average depth of the lot, whichever is less.
   b. *Side.* There shall be a distance of five feet between any principal building and the side property line, plus the side yard setback shall be increased one foot for every four feet or part thereof increase in street frontage over 49 feet to a maximum of 25 feet for side yard setback.
   c. *Front.* There shall be in front of every principal building a front yard having a minimum depth of 25 feet or 25 percent of the average depth of the lot, whichever is less.
   d. *Open and unbuilt spaces.* Any yard space or area required to be kept open and unbuilt on may be used, if otherwise lawful, for off-street automobile parking, except that a green strip not less than ten feet wide shall be maintained open and green, not built on, paved, or parked on, all or parked on, all along each property line that abuts land residentially.

(4) *Height.* No permitted structure shall exceed two stories or 35 feet in height. A public building, church or temple, or accessory building or structure may have a maximum height of 65 feet from grade, provided that the front yard, rear yard and each of the side yards shall be increased by one foot for each foot in height in excess of 35 feet.

(5) *Off-street parking and loading.* Provisions for off-street parking shall not be required in the NB district, except for dwellings and for any parking and loading area required as a condition of special exception approval.

(Ord. of 9-21-2009, § 3.61C)

ORDER

ORDERED, that the City Council hereby amends the City of Auburn 2010 Comprehensive Plan Future Land Use Map for the property located at 33 Dunn St (PID # 221-195) from New Auburn Village Center (NAVC) to Neighborhood Business (NB) and,

FURTHER ORDERED, that the City Council hereby amend the City of Auburn Zoning Map for the property located at 33 Dunn St (PID # 221-195) from Multi-Family Urban (MFU) to Neighborhood Business (NB).
DRAFT
City of Auburn
City Council Information Sheet

Council Meeting Date: May 14, 2018 Order: 42-05072018

Author: Phillip L. Crowell, Jr., Chief of Police

Subject: Transfer of Forfeiture Assets – Alicia Whittemore

Information:
In January 2018, Auburn Police officers responded to an address on Turner St. for a drug overdose. While officers were assessing the situation and attempting to determine what the subject overdosed on, they located various drugs and drug paraphernalia but nothing the subject could have overdosed on. A female by the name of Alicia Whittemore was present at the time. A small black bag, which belonged to Ms. Whittemore was located in her purse. Ms. Whittemore refused consent to search.

Due to officers not locating the illicit drug responsible for the subject’s overdose, it was probable that it was located in Ms. Whittemore’s black bag. The bag was seized pending a search warrant. Ms. Whittemore was currently on bail conditions stemming from a felony drug trafficking charge. She was arrested for Possession of Schedule Z Drugs and Violation of Conditions of Release. Officers applied for and received a search warrant for Ms. Whittemore’s black bag. Inside the black bag, officers located crack pipes, plastic bag Dominican Ties commonly used to package illegal drugs, a $100.00 bill rolled up in a tubular fashion for ingesting illegal substances. Two of the Dominican Ties tested positive for cocaine base while the other bags tested were inclusive. It is believed they contained Fentanyl as the subject was treated with Narcan which had a positive result.

Due to the results of the search warrant, officers returned to Androscoggin County Jail and seized $1,833.48, which Ms. Whittemore had on her person. In addition to the rolled up $100.00 bill, the total amount seized from Ms. Whittemore is $1,933.48. Due to the subject’s overdose, drugs, drug paraphernalia, cash in Ms. Whittemore’s possession as well as her criminal history, it is believed the money seized from Ms. Whittemore are proceeds from the illegal sale and distribution of drugs.

City Budgetary Impacts: The State of Maine, Office of the Attorney General, seeks to transfer $1,933.48 U.S. Currency to the Auburn Police Department. The received funds will be used for K9 expenses and drug testing for active investigations.

Staff Recommended Action: Vote to accept the transfer of $1,933.48.

RE: FORFEITURE ASSETS – ALICIA WHITTEMORE

In January 2018, Auburn Police officers responded to an address on Turner St. for a drug overdose. While officers were assessing the situation and attempting to determine what the subject overdosed on, they located various drugs and drug paraphernalia but nothing the subject could have overdosed on. A female by the name of Alicia Whittemore was present at the time. A small black bag, which belonged to Ms. Whittemore was located in her purse. Ms. Whittemore refused consent to search.

Due to officers not locating the illicit drug responsible for the subject’s overdose, it was probable that it was located in Ms. Whittemore’s black bag. The bag was seized pending a search warrant. Ms. Whittemore was currently on bail conditions stemming from a felony drug trafficking charge. She was arrested for Possession of Schedule Z Drugs and Violation of Conditions of Release. Officers applied for and received a search warrant for Ms. Whittemore’s black bag. Inside the black bag, officers located crack pipes, plastic bag Dominican Ties commonly used to package illegal drugs, a $100.00 bill rolled up in a tubular fashion for ingesting illegal substances. Two of the Dominican Ties tested positive for cocaine base while the other bags tested were inclusive. It is believed they contained Fentanyl as the subject was treated with Narcan which had a positive result.

Due to the results of the search warrant, officers returned to Androscoggin County Jail and seized $1,833.48, which Ms. Whittemore had on her person. In addition to the rolled up $100.00 bill, the total amount seized from Ms. Whittemore is $1,933.48. Due to the subject’s overdose, drugs, drug paraphernalia, cash in Ms. Whittemore’s possession as well as her criminal history, it is believed the money seized from Ms. Whittemore are proceeds from the illegal sale and distribution of drugs.
ORDERED, that the City Council hereby accepts the transfer of $1,933.48 forfeiture assets in Rem in U.S. Currency to the Auburn Police Department (Unified Criminal Court Docket No. CR-18-338 Alicia Whittemore).

Public comment – no one from the public spoke. Passage 5-0.

VII. Reports

Mayor Levesque – reported on his vacation in Eastern France. He met with the Mayor of Bitche and found that there are a lot of similarities between the two cities and he would like to discuss with the Council, staff, and community members about potentially forming a “Sister City” relationship with their City. He noted that a lot of meetings and tours are coming up including the Airport, 911 Center, Awards celebration, Auburn Business Association banquet, graduations, and a Sesquicentennial Committee meeting.

Councilor Young – no report
Councillor Lasagna – reported that tomorrow is the School Building Committee meeting at 6:30 PM and Thursday is the Auburn staff appreciation event.

Councillor Fournier – reported on the Library Board of trustees meeting and a discussion that was held on parking concerns at the Library. In regards to the School Committee, she said that she already reported on the April 3rd meeting. They will be discussing Proficiency Based Learning and the concerns raised by the public on Wednesday the 25th and she encouraged councillors to attend if they are able. They will also continue school budget discussions. She also reported that Edward Little High School’s Social Studies teacher, Jen Heidrich, has spent the semester studying Anthropological Cultural studies on ELHS. On May 25, 2018 the students will be presenting their findings and conclusions. The event will be held at the ELHS Library and will be broken down into two sessions. One is from 8:15 AM to 8:45 AM, and the second is from 11:30 AM to 12:30 PM. She invited the Councilors to attend.

Councillor Walker – reported that the United New Auburn Association is meeting on this Tuesday at Rolly’s at 6:00 PM, the Neighborhood Watch Group is meeting on this Thursday at 6:30 PM at the Sixth Street Congregational Church. He noted that the Age Friendly Community Committee meets twice a month and they will be seeking applicants to serve on the committee. These will be Mayor appointments. He thanked Larry Pelletier for coming forward with his comments regarding the Parks Department. Last, he responded to comments made by Mr. Herrick regarding trash on Riverside Drive adding that Washington Street also has to be cleaned up.

Councillor Gerry – reported that usually the LATC meetings are held on the second Wednesday of the month at AVCOG at 12:30 PM and the public is invited to attend. The Recreation Advisory Committee meets on the 2nd Wednesday of the month at 6:30 PM and the public is encouraged to attend. She stated that there are a lot of different activities that residents can apply for (boards and committees) and residents are encouraged to apply. Last, she noted that the next Age Friendly Community meeting is scheduled for Tuesday, May 1st.

City Manager Report – reported on the FY19 budget process, the upcoming employee recognition event which will be held on Thursday, and the upcoming School Building Committee meeting. He commented on the Council Retreat that was held on April 9th noting that it was an open meeting that was held at Martin Dale Golf Course in which someone anonymously contributed to the cost of the retreat. They had a good discussion and if the notes of the retreat will be posted on the website.

Denise Clavette, Assistant City Manager thanked Council for supporting the Sports Tourism initiative. A suggestion was made to come up with a Sports Tourism Committee. She provided an update on their recent meeting. They are collaborating with Chamber, Maine Office of Tourism, Bates College, CMCC, and Lewiston and Auburn Schools and Cities.

KIDS TO PARKS DAY

WHEREAS, May 19th, 2018 is the eighth Kids to Parks Day organized and launched by the National Park Trust; and

WHEREAS, Kids to Parks Day empowers kids and encourages families to get outdoors and visit America’s parks; and

WHEREAS, it is important to introduce a new generation to our nation’s parks because of the decline in Park attendance over the last decades; and

WHEREAS, we should encourage children to lead a more active lifestyle to combat the issues of childhood obesity, diabetes mellitus, hypertension and hypercholesterolemia; and

WHEREAS, Kids to Parks Day is open to all children and adults across the country to encourage a large and diverse group of participants; and

WHEREAS, Kids to Parks Day will broaden children’s appreciation for nature and outdoors; and

NOW THEREFORE, I, Jason J. Levesque, Mayor of Auburn, do hereby proclaim to participate in Kids to Parks Day. I urge residents of Auburn to make time May 19th, 2018 to take the children in their lives to a neighborhood, state or national park.

IN WITNESS WHEREOF, I have hereunto

Set my hand and caused the Seal of the

04/19/2018 9:00 AMH\Documents\Consolidated Pan 4.14.17\Budget 2\PY2018\Budget 2018 Manager (1)
The City of Auburn is preparing to submit its 2018 Action Plan with request of funding to the U. S. Department of Housing and Urban Development (HUD). The Action Plan describes the fourth-year budget and proposed activities for the Community Development Block Grant and HOME Investment Partnerships Programs to carry out the goals and objectives of the Consolidated Plan.

This Draft 2018 Action Plan process provides for a 30-day comment period. All comments received by the public will be included in the package that is submitted to the City Council. Oral or written comments may be submitted to Yvette Bouttenot, Community Development, 60 Court Street, Auburn, ME 04210, tel. 333-6601 ext. 1336, e-mail ybouttenot@auburnmaine.gov. Comments may also be made during the public hearing to be held on April 23 during the City Council meeting. A second public hearing is to be held on May 7, 2018. Both meetings will be at 7 pm at Auburn Hall.

2015-2019 CONSOLIDATED PLAN

In 2015 the City of Auburn adopted the 2015-2019 Consolidated Plan. The Consolidated Plan identifies many of the community’s issues, establishes priorities, and describes how Community Development resources will address these needs. This Consolidated Plan sets forth goals, objectives, and performance benchmarks for measuring progress, and establishes a framework for assessing the programs and projects Auburn will make available for revitalization.

GOALS OF THE 2015 TO 2019 CONSOLIDATED PLAN

These are what the Auburn Community Development program intends to work towards and the measurable outcomes that will be accomplished in this five-year period:

Goal 1: Promote Jobs and Development
Assist 20 businesses

Goal 2: Prevent Deterioration of Housing Stock
90 home owner units rehabilitated
100 owner and rental housing made lead safe
40 rental units rehabilitated with exterior improvements
500 target area buildings inspected with 170 units improved

Goal 3: Improve Parks and Establish Community Gardens
1 park upgraded and 1 newly constructed
3 community gardens

Goal 4: Make Neighborhood Streets Safer and More Walkable
3,000 linear feet of repaved sidewalks

Goal 5: Support People in their Efforts to Transition out of Poverty
1,000 persons assisted

Goal 6: Prevent Homelessness
200 homeless persons assisted with case management
125 at-risk persons assisted with security deposits

Goal 7: Increase Owner Occupancy
25 renters assisted to purchase a home

Goal 8: Support Housing Construction of Affordable Units
60 new affordable rental units

Goal 9: Support Fair Housing and Increase Housing Choice

4 landlord and tenant fairs
4 Fair Housing poster contests

2018 FUNDING

This plan is built on a budget based on previous year funding levels until allocations are announced by HUD. Funding for the Community Development Program is primarily from two sources, Community Development Block Grant and HOME Investment Partnerships Program funds. These are entitlement grants which means the City will receive these each year.

The following is a summary of anticipated resources for the period July 1, 2018 to June 30, 2019. *Congress has approved the FFY2018 Appropriations Bill and HUD anticipates that the Grantee allocations will be announced on or before May 23. HUD advises grantees not to submit the Annual Action Plan until after FFY2018 allocations are announced. An affected grantee may delay submission of its action plan to HUD by up to 60 days after the date allocations are announced. In order not to delay the beginning of its 2018-2019 program year any more than necessary the City of Auburn is following this plan:

- Adhere to normal schedule through May 15, 2018;
- Build the plan on flat funding from previous year allocation. An increase to funding is anticipated and the Citizen Advisory Committee voted to add additional funding for Public Service Agencies up to the CAP; Administration of CDBG Program up to the CAP. Additional funds will be used to proportional increase funding for Housing Rehab and Challenge Grant Programs. Additional funding for HOME Program will be shared with Lewiston and all programs will be proportionally increased.

**Community Development Block Grant Funds:** The proposed budget for FFY2018 is $1,143,561 from the following sources of Community Development funds:

FFY2018 COMMUNITY DEVELOPMENT
BUDGET DESCRIPTIONS

STRATEGY: SUPPORT FAIR HOUSING AND INCREASE HOUSING CHOICE

*Build a Fair Housing Website Page to disseminate information to landlords and tenants about the rights and responsibilities of each party and the means for assistance in the event of a problem.*

1. **Fair Housing**
   **Proposed Budget:** $4,000
   **Description:** Update the Analysis of Impediments to Fair Housing (AI) and implementation of identified Fair Housing strategies identified in the report.

   The Cities of Auburn and Lewiston will be undertaking fair housing activities to raise awareness of Fair Housing Laws. The Analysis of Impediments to Fair Housing Choice Report (AI) completed in 2013 identified activities to be undertaken in first four years. In 2018 the Cities were to begin work on the Fair Housing Assessment Planning Tool (FHP) however HUD has delayed this requirement until 2020. The Cities need to be pro-active and in lieu of the more extensive FHP updating the current AI is advised. The cost can be shared by both Auburn and Lewiston Community Development and the Housing Authorities.

   **Anticipated Outputs:** Update to the 2013 Impediments to Fair Housing Plan and identify Fair Housing Activities to be undertaken in the next 4 years.

STRATEGY: PROMOTE JOBS AND DEVELOPMENT

Assist small businesses to start up, succeed and grow through

- Loans to upgrade and adapt buildings in target areas; and
- Loans to support job creation for low-income people anywhere in the City.

2. **Economic Development Programs**
   **Proposed Budget:** $150,000
   **STAR Program (Storefront Traffic Accelerates Revitalization)**
   **Description:** Funds will be used to provide loans to businesses and property owners for building renovations in the Union Street, Downtown, and New Auburn Target Areas. This program helps to create jobs and will encourage the redevelopment of vacant storefront properties. Funds will be used to provide forgivable loans to expanding businesses or to business start-ups. Funds can be used for working capital, equipment or inventory purchase, or building improvements. The program will help to create jobs in the community, primarily benefiting low- and moderate-income persons.

   **Anticipated Outputs:** 3 Business Loans
STRATEGY: PREVENT DETERIORATION OF HOUSING STOCK

- Provide grants, deferred loans, and low-interest loans for the rehabilitation of owner and rental housing that is occupied by low and moderate-income households;
- Provide matching funds to the 3-year federal grant to reduce childhood lead poisoning;
- Provide Community Development staff support to the Lewiston-Auburn Lead Subcommittee to assist with implementation of the 5-Year Strategic Action Plan for the Reduction of Childhood Lead Poisoning in the Cities of Auburn and Lewiston.
- Financially support code enforcement activities that result in improvements to the housing stock.
- Provide financial assistance to encourage exterior as well as health and safety improvements.

3. Rehabilitation Loan Program
   Proposed Budget: $148,629
   Project Delivery Costs: $93,000

   **Description:** Funds will be used to provide loans under the Rehabilitation Loan Program to upgrade residential buildings, increase curb appeal, address code violations, weatherize homes, and to provide a loan match to the Lead Hazard Reduction Grant. The Rehabilitation Program helps to maintain and upgrade the quality of housing, particularly in targeted areas and assists low-income property owners and investors to address housing problems. The program also helps to increase or stabilize the tax base, provides an economic stimulus for contractors and suppliers, eliminates lead hazards, and prevents properties from becoming blighting influences in the more densely populated neighborhoods.

   The Project delivery costs covers staff salaries, benefits, supplies and equipment to implement the program. This does not count against the Administrative Cap.

   **Anticipated Outputs:**
   - 4 units: health and safety repairs
   - 3 units: with whole house/curb appeal improvements
   - 2 units: with lead paint problems eliminated
   - 4 units: repairs of code enforcement violations

4. Lead Testing and Clearance
   Proposed Budget: $5,000

   **Description:** Funds will be used to cover the cost of performing lead clearances in buildings that have been rehabilitated with federal funds. These funds will be used only for projects where there are no Lead Grant funds involved. All rehabilitation projects must now comply with strict lead requirements to reduce the hazards caused by lead-based paint. One of the requirements imposed by Title X is that a property that is rehabilitated with federal funds must be lead safe that is documented through a clearance
test. These funds pay for the contractor to take samples and have the sample analyzed by a certified lab.

**Anticipated Outputs:** 15 lead tests

5. **Community Concepts, Inc. Weatherization**  
   **Proposed Budget:** $53,950

   **Description:** Funds will be used to weatherize homes and pay for a portion of the program salary expense. This weatherization program includes wall, ceiling and basement insulation, caulking windows and doors, etc. An assessment is done to determine payback and only improvements which have a reasonable payback are undertaken. This program leverages an amount that is greater than our CDBG investment through a Department of Energy grant. These funds would not come to our community without the CDBG match.

   **Anticipated Outputs:** 13 units weatherized

6. **Code Enforcement**  
   **Proposed Budget:** $50,000

   **Description:** Funds will be used to cover salary costs for a Code Enforcement officer of the City of Auburn. Code enforcement efforts will be directed in three target areas, Downtown, New Auburn and Union Street. The focus of the code enforcement effort is to control vacant and dangerous buildings, nuisance complaints, and to expand code enforcement efforts to improve the overall condition of the housing stock. This will include coordinating building improvements, some of which will come through the City’s Rehabilitation Program.

   **Anticipated Outputs:** 100 buildings inspected  
   25 buildings with health/safety violations repaired/private funds  
   3 buildings with health and safety violations repaired/public funds

**STRATEGY: IMPROVE PARKS AND ESTABLISH COMMUNITY GARDENS**

- Enhance physical infrastructure of key in-town parks;
- Improve lighting at Union Street;
- Extend the Riverwalk into New Auburn;
- Improve walkways to and from parks;
- Provide opportunities for growing fresh healthy foods by establishing community gardens in the Downtown, Union Street and New Auburn target areas.

7. **Community Gardens**  
   **Proposed Budget:** $8,220 (2019 growing season)  
   $7,000 (2018 growing season)
Description: Funds will be used to support a garden coordinator and a neighborhood garden champion for the Webster Street and the Newbury Street gardens for the season beginning in April 2019. Community gardens encourage people to improve their health, stretch their food dollars, learn about growing vegetables, and provide a place where neighbors can meet to engage in a positive way. The garden coordinator will be supervised by St. Mary’s Nutrition Center which will be considered an in-kind match. This allocation will count towards the Public Service Cap in the 2019 budget.

Anticipated Output: Support for Webster Street and Newbury Street Gardens

STRATEGY: MAKE NEIGHBORHOODS STREETS SAFER AND MORE WALKABLE

Provide grants to Neighborhood Organizations and groups for projects that will enhance a neighborhood. The funds will be used for public infrastructure projects. This activity may also meet the previous strategy to improve parks and greenspaces.

8. Neighborhood Challenge Grants
   Proposed Budget: $40,000

Description: Funds will be used in increments of $1,000 up to $10,000 to provide funding for projects that will enhance neighborhoods. Increased safety, beautification and improved parks are the goals. The budget amount of $25,000 will be awarded to applicants for projects of $1,000 or more. One $10,000 grant may be awarded. City staff will assist the applicants with the development of the projects.

Anticipated Output: dependent on the applications received
   Up to 4 - $10,000 grant
   Up to 8 grants of $1,000 - $5,000

9. Chestnut Street Closing
   Proposed Budget: $135,000

Description: Chestnut Street is the home to the Auburn Pal Center, the athletic fields directly behind the center and the basketball courts/playground area across the Street known as the gully. It is a pass through for vehicular traffic between Webster and Winter Street. Given the pedestrian/child traffic at the PAL Center and the increased speeding motorists the safety of the pedestrians and children are a great concern. The funds will be used to close the street creating a safer green space in front of the PAL Center and a pedestrian friendly access to the “gully”. It will also provide additional parking. Timeline for the project is the summer of 2018.

Anticipated Output: 1 improved greenspace/park
10. **Library Avenue Reconstruction/Downtown Walkability Project**  
   Proposed Budget: $135,000

   **Description:** Reconstruction of Library Avenue to include new curbing, sidewalks, crosswalks and street lights. The goal is to provide safe, comfortable, attractive and convenient access and travel for pedestrians, bicyclists, motorists and transit users of all ages, abilities and preferences in the downtown area. This project will be leveraged with TIF Funds and Public Services Budget.

   Anticipated Output:  
   - 570 ft. of street reconstruction  
   - 800 ft. new sidewalks and curbing  
   - 4 new streetlights  
   - 13 parking spaces on Library Avenue

**STRATEGY: SUPPORT PEOPLE IN THEIR EFFORTS TO TRANSITION OUT OF POVERTY**

*Focus on helping young people growing up in poverty to get the personal and educational skills needed to live a healthy and productive adult life.*

- Expand programming for at-risk teenagers that helps them learn work skills, graduate from high school
- Create youth apprenticeship opportunities with local businesses

*Support low-income adults to successfully provide for themselves and their families through education and development of employment skills including mentoring, work readiness, and job training.*

11. **Androscoggin Head Start and Child Care**  
   **Promise Early Education Extended Care Program**  
   Request: $10,000  
   Proposed Budget: $10,000

   **Project Description:** Funds would provide social services for families enrolled in head start at Webster School and other sites. Services are available to economically disadvantaged children whose parents are working or in job training. These services assist families in meeting their basic needs, provide parent training, provide information and referrals, develop a strategy to maintain or attain economic independence, and provide crisis intervention. These services facilitate families’ efforts to maintain or obtain financial independence from assistance and help children achieve school readiness.  
   **Anticipated Output:** 19 Auburn families
12. Literacy Volunteers of America/Androscoggin
   Literacy Services for Adults & Families
   Request: $8,895  
   Proposed Budget: $8,895

   **Project Description:** Funds will be used to help recruit, train and support volunteers to provide tutoring to illiterate adults and families. The Adult Literacy Program provides one-on-one tutoring for reading, writing, and basic math for adults and families in Androscoggin County who are at the lowest two literacy levels. They also offer one-on-one tutoring for English speakers of other languages. The focus is to help adults with low literacy skills and immigrants gain critical reading, writing, and math skills that will help with employability. 90% of their students’ primary goal is to obtain a job, pass a job-related test, or participate in career training.

   **Anticipated Output:** 90 Auburn residents

13. Auburn Police Department
   Work with Me
   Request: $87,466
   Proposed Budget: $47,090

   **Description:** Auburn Police Department will work collaboratively with Auburn School Department, Central Maine Community College, and Community Concepts, Inc. Bridges Out of Poverty initiatives to provide case management for at-risk youth ages 15-19. Funds will be used to cover the program coordinator’s salary, student intern and PAL summer intern stipends, and College Mentor Stipends.

   **Anticipated Output:** 40 Auburn youth

14. Auburn Recreation Department
   Recreation Scholarships
   Request: $15,500
   Proposed Budget: $15,000

   **Description:** Support families who are involved in education or working by providing summer day care for their children. Families will be required to enroll in an education or training program for their children to qualify. Funds will pay for grants to 30 children. Funds will pay for scholarships, approximately $500 per child.

   **Anticipated Output:** 25 households (40 children)
15. **Pine Tree Society**  
**Title Career Development Services**

Request: $10,000  
Proposed Budget: $5,000

**Description:** The goal of this program is to assist people with disabilities gain employment skills, secure and retain meaningful employment and be more economically independent and engaged in the community. Pine Tree Society will provide individualized Career Development Services to individuals aged 16 and up. The services will include career planning, temporary work experiences, skill development, job placement, job coaching and job retention.

**Anticipated Output:** 25 people

16. **Community Concepts, Inc.**  
**Community Partnership for Protecting Children (CPPC)**

Request: $15,000  
Proposed Budget: $12,500

**Description:** CPPC is a network of partners that strives to reduce child abuse and neglect by developing tangible and sustainable strategies to strengthen families, neighborhoods and the child welfare system. It is designed to increase safety and well-being of individuals living and working in our most at-risk neighborhoods, to engage the entire community to strengthen relationships, change policies, and generally make it easier to give and receive support. CDBG funds will be used to support the CPPC Community Builder positions and incorporate the Bridges Out of Poverty Getting Ahead workshops.

**Proposed Output:** 50 people

**PREVENT HOMELESSNESS**

Support homeless people first with housing, then with services to help them provide for themselves and their families through work readiness training and job skill development.

- Provide staff support to Lewiston-Auburn Alliance for Services to the Homeless (LAASH) to improve access to services and housing for persons who are homeless or at risk.
- As a first step towards helping the homeless or at-risk households re-integrate into the community provide a City-sponsored Security Deposit Program as well as other “housing first” approaches.

17. **Safe Voices**

Request: $12,000  
Proposed Budget: $11,000

**Project Description:** Funds will be used to pay the shelter worker salaries to provide services to families experiencing domestic violence and homelessness to develop skills
for self-sufficiency. The shelter serves women and children who are victims of domestic violence. The shelter is open 24 hours, 365 days each year with day and evening staff. Their clients are usually forced to leave behind most of their possessions and many lose their jobs when they come to the shelter. The ongoing case management services and connections to community resources help them to increase their income and non-cash benefits for overall housing stability which helps to prevent the reoccurrence of homelessness. The shelter advocate will assist the family by developing self-sufficiency skills, connect them with resources such as work ready training and job skills.

**Anticipated Output:** 70 Auburn residents

18. **Tedford Housing**  
**Request:** $7,000  
**Proposed Budget:** $7,000

**Description:** Funds will be used to pay for case management services for a supportive housing project in Auburn. Tedford Housing operates a permanent supportive housing for formerly homeless single adults. Services will help these individuals to improve quality of life and remain living independently. Without these services, many formerly homeless families fail to maintain housing. Tenants tend to have been homeless two or more times for an extended period. They typically have a disability and have frequent physical health challenges. Each person will be evaluated and have a plan of care. Additionally, the plan will identify opportunities to move towards a volunteering activity, academic courses or training.

**Anticipated Output:** 7 formerly chronically homeless persons
HOME INVESTMENT PARTNERSHIPS PROGRAM

Source of Funds: U. S. Department of Housing and Urban Development

Objective: Housing
- Expand supply of decent, safe, sanitary and affordable housing
- Strengthen public-private partnerships
- Development of rental housing

Eligible Activities
- Rehabilitation of owner-occupied housing
- Rental housing development
- Homebuyer assistance
- Tenant-based rental assistance

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councillor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

A. Discussion or consideration of the employment, appointment, assignment, duties, promotion, demotion, compensation, evaluation, disciplining, resignation or dismissal of an individual or group of public officials, appointees or employees of the body or agency or the investigation or hearing of charges or complaints against a person or persons subject to the following conditions:
   (1) An executive session may be held only if public discussion could be reasonably expected to cause damage to the individual’s reputation or the individual’s right to privacy would be violated;
   (2) Any person charged or investigated must be permitted to be present at an executive session if that person so desires;
   (3) Any person charged or investigated may request in writing that the investigation or hearing of charges or complaints against that person be conducted in open session. A request, if made to the agency, must be honored; and
   (4) Any person bringing charges, complaints or allegations of misconduct against the individual under discussion must be permitted to be present.

B. Discussion or consideration by a school board of suspension or expulsion of a public school student or a student at a private school, the cost of whose education is paid from public funds, as long as:
   (1) The student and legal counsel and, if the student is a minor, the student’s parents or legal guardians are permitted to be present at an executive session if the student, parents or guardians so desire;

C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency;

D. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators. The parties must be named before the body or agency may go into executive session. Negotiations between the representatives of a public employer and public employees may be open to the public if both parties agree to conduct negotiations in open sessions;

E. Consultations between a body or agency and its attorney concerning the legal rights and duties of the body or agency, pending or contemplated litigation, settlement offers and matters where the duties of the public body’s or agency’s counsel to the attorney’s client pursuant to the code of professional responsibility clearly conflict with this subchapter or where premature general public knowledge would clearly place the State, municipality or other public agency or person at a substantial disadvantage;

F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;

G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and

H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph C in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.
