Auburn City Council Meeting & Workshop

February 19, 2013

- **V. Open Session** Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*. Time limit for open sessions, by ordinance, is 45 minutes.
- VI. Unfinished Business
- VII. New Business
- VIII. Executive Session
- **IX. Open Session** Members of the public are invited to speak to the Council about any issue directly related to City business which is *not on this agenda*.
- X. Future Agenda/Workshop Items

XI. Adjournment

Executive Session: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda. The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405(6). Those applicable to municipal government are:

- A. Discussion of personnel issues
- B. Discussion or consideration by a school board of suspension of expulsion
- C. Discussion or consideration of the condition, acquisition or the use of real or personal property permanently attached to real property or interests therein or disposition of publicly held property or economic development only if premature disclosures of the information would prejudice the competitive or bargaining position of the body or agency
- D. Labor contracts
- E. Contemplated litigation
- F. Discussions of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute;
- G. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes; consultation between a body or agency and any entity that provides examination services to that body or agency regarding the content of an examination; and review of examinations with the person examined; and
- H. Consultations between municipal officers and a code enforcement officer representing the municipality pursuant to Title 30-A, section 4452, subsection 1, paragraph in the prosecution of an enforcement matter pending in District Court when the consultation relates to that pending enforcement matter.

City Council Workshop Information Sheet

City of Auburn

Council Workshop Date: February 19, 2013

Item A

Author: Sue Clements-Dallaire, City Clerk

Subject: Consolidation of voting places for small local only elections

Information: Title 21-A states that municipal officers may, after public notice and hearing held at least 90 days before an election, and subject to the approval of the Secretary of State, consolidate voting places so that more than one voting district votes in the same voting place. We are requesting that the Council approve small local only elections (School Budget Elections and Special Local Elections that are not held at the same time as a Primary or State Referendum Election) be consolidated to one polling place. Past School Budget Elections have been held at Auburn Hall due to the low turnout.

Financial: A savings of approximately \$4,932 + per election by consolidating.

Action Requested at this Meeting: Discussion with request for a public hearing and action on 3/4/2013.

Previous Meetings and History: N/A

Title 21-A: ELECTIONS

§632

Chapter 9: CONDUCT OF ELECTIONS
Subchapter 1: PREELECTION PROCEDURE
Article 2: LOCAL OFFICIALS' RESPONSIBILITIES

§631-A. Voting places

1. Establishing suitable voting places. If the municipal officers determine that there is no building within a voting district that is suitable for a voting place, as described in section 627, the municipal officers may, subject to the approval of the Secretary of State, establish a voting place outside the voting district in a suitable building that is as close as possible to the voting district and as convenient as possible to the voting district.

[2007, c. 455, §28 (NEW) .]

2. Consolidating voting places. The municipal officers may, after public notice and hearing held at least 90 days before an election, and subject to the approval of the Secretary of State, consolidate voting places so that more than one voting district votes in the same voting place. When voting places are consolidated under this process, the voters from the different voting districts may vote in the same or separate guardrail enclosures in the building.

[2007, c. 455, \$28 (NEW) .]

3. Change of voting place. If the municipal officers wish to change the location of a voting place, they must apply to the Secretary of State at least 60 days before the next statewide election, unless an emergency exists. The Secretary of State shall design the application form. The Secretary of State must approve the application before the voting place may be changed.

City Council Workshop Information Sheet

City of Auburn

Council Workshop Date: February 19, 2013

Item В

Author: Sue Clements-Dallaire, City Clerk

Subject: Use of tabulating machines for the June 11, 2013 election

Information: Historically, tabulating machines have not been used for School Budget Elections. We have printed paper ballots in house and have hand counted them. There was some discussion after last year's School Budget Election to consider using tabulating machines rather than hand count. The cost of using a tabulating machine for the School Budget Election was not included in the budget for FY13.

Financial: Approximate cost of \$1175 to use a tabulating machine.

\$500 to program the machines (two machines, one for the polling place and a spare)

\$590 ballots (.27 per ballot, 2,000 plus S & H) \$85 Maintenance contract Jan 1 through June 30

Action Requested at this Meeting: Seeking direction from the Council

Council Workshop Date: 02/19/2013

Item \mathbf{C}

Author: Dorothy Meagher

Subject: Request for emergency funds to supplement the General Assistance allocation budget

Information: As identified in Title 22, Part 5, Chapter 1161 of the Maine Statutes;

General Assistance program means a service administered by a municipality for the immediate aid of persons who are unable to provide the basic necessities essential to maintain themselves or their families.

With the changes in State regulations and programs, the burden has fallen on municipalities for assisting our poor. This year we have already taken in 790 applications as of January 31, 2013 compared to 630 last year at this time. More households have been found eligible due to lost of wages, unemployment benefits, TANF timed out and the increase in housing cost.

Since July 1st we have assisted a total of:

24 unduplicated households who have timed out on TANF for a total of \$16,982

35 unemployed households (these are individuals who have exhausted their unemployment and are *employable with a total of \$23,577.*

57 households pending disability with the Social Security office for \$53,618

This is an example of the clients we see in our office. As a result we have exhausted our line items for rental assistance and electricity for this fiscal year. I'm asking your approval to allocate additional money for the support of the poor.

Financial: I am requesting an additional \$2,000 for electricity, and \$50,000 for rental assistance to cover us to the end of this fiscal year.

City Council Workshop Information Sheet

City of Auburn

Council Workshop Date: February 19, 2013

Item D

Author: Clint Deschene, City Manager

Subject: City Council Code of Conduct

Information: The Council agreed to developing a Council Code of Conduct to better prepare the City for Council transition and training. One work plan item the City is working on for future Council's is an orientation process that is implemented from a written plan. One component of the orientation is have a clear understand of Council Conduct. This document meets that need.

Financial: None

Action Requested at this Meeting: Review and comment on document.

Code of Conduct prepared by Dan Stockford

CITY COUNCIL CODE OF CONDUCT CITY OF AUBURN, MAINE

INTRODUCTION

The City Council serves an essential role as the governing body of the City of Auburn. The City Council of the City of Auburn is committed to serving the public interest and common good of the City and its residents, and Councilors are expected to act accordingly. In order to foster reasonable, effective, and cooperative governance of the City, Councilors shall adhere to the following Code.

Council members are expected to support and demonstrate the following values:

- Respect for their fellow councilors, citizens of Auburn and City staff;
- Open mindedness;
- Careful consideration of all matters that come before the Council and participation in constructive debate and deliberations;
- Appropriate demeanor and polite oral and written communications;
- Integrity and commitment to the best interest of the City and its inhabitants;
- Acceptance and support for decisions and actions taken by the Council, whether or not an individual Councilor voted with the majority.

The City of Auburn Charter provides that the City Council is comprised of the Mayor and seven City Councilors. For purposes of this Code of Conduct, the terms "Council" and "Councilor" shall include the Mayor unless specified otherwise.

INTERACTIONS WITH THE PUBLIC

Councilors shall treat members of the public with courtesy, respect, and professionalism and shall not demonstrate bias against, nor favor, any member of the public.

To ensure clear and effective communication, Councilors shall:

- Clearly distinguish between their personal positions and the official position of the Council and City when dealing with members of the public;
- Defer to the City Manager or the Mayor to speak on behalf of the City or the Council when speaking as a body; and
- Not disclose information received, or statements made, in executive session.

INTERACTIONS WITH CITY STAFF

The Council's role is to establish City policies, ordinances and priorities as the City's governing body. It is City staff's duty to provide relevant information to the Council and to implement the Council's decisions. Actions by staff in providing information to the Council or in implementing Council decisions should not be construed as constituting disagreement with, or disparagement of, any Councilor who held a minority

position on a particular issue. Staff may not be instructed or influenced by any individual Councilor acting separate from the Council as a whole.

Administering the day-to-day functions of the City is the responsibility of the City Manager. Councilors must respect the distinction between their role in voting to establish policies and ordinances, and the City Manager's role in executing those policies and ordinances, administering the operation of City departments, and overseeing the work of City employees. As such, Councilors shall:

- Not issue directives to City staff;
- Make all requests for information through the City Manager;
- In their official capacity, interact with City staff solely through the City Manager, as required by Section 7.1(B) of the City Charter, which states that "[t]he Mayor and Councilors shall direct administrative functions of the City solely through the City Manager."
- Avoid confusion over whether a Councilor is acting in an official or private capacity when
 interacting with City staff, and acknowledge the impropriety of dealing with staff members outside
 of the prescribed role of the Council.

It is important for all Councilors to recognize that any conduct or behavior that intrudes on the direction and supervision responsibilities of the City Manager relative to City employees interferes with the efficient operation of City government and must be avoided.

INTERACTIONS WITH FELLOW COUNCILORS

The Council's role is as a governing body. With the exception of the Mayor's specific duties under Section 3.3 of the City Charter, no Councilor has any individual authority outside of the governing process by which the Council acts as a whole in its official capacity. As individuals, when not acting in their corporate collective capacity as the City Council, individual Councilors may exercise and are limited to the same rights as other citizens. Although Councilors are free to advocate for their position during the decision-making process, the decisions of the Council are binding on the City. Councilors must put aside disagreements and accept the will of the Council once a decision is made.

Councilors' communications with each other shall:

- Be civil;
- Not contain personal attacks or criticism; and
- Not discourage free and open debate and exchange of ideas.

CONCLUSION

Councilors must recognize the trust and responsibility granted to them by the City of Auburn, and shall endeavor to repay that trust through earnest contribution to effective City governance. To effectively achieve this goal, Councilors must abide by this Code of Conduct and, above all, be guided by the overarching principle of respect for others. Repeated or serious failure to comply with this Code of Conduct may be met with official reprimand or censure as approved by a majority of the Council.

City Council Workshop Information Sheet

City of Auburn

Council Workshop Date: February 19, 2013

Item Ε

Author: Clint Deschene, City Manager

Subject: City Manager Work Plan, Calendar Year 2013

Information: Pursuant to Council Goal setting the City Manager will present annual priorities of the City. This is not an all inclusive list but identifies and reinforces the Council's policy objectives.

Financial: None as a policy, individual items with the plan may have financial components but approval does not fund.

Action Requested at this Meeting: Review the plan and provide comments for later approval as a consent calendar item.

2013 Work Plan

City of Auburn City Manager Work Plan 2013

CREATE AN AUBURN SPECIFIC ECONOMIC DEVELOPMENT PLAN

<u>Coordination Area / Staff:</u> Economic Development: Clint Deschene, Howard Kroll, Roland Miller, Eric Cousens

<u>Description:</u> Design a shared vision of Economic Development, considering ABDC, LAEGC, and AVCOG to focus on small business and industrial growth for Auburn.

Steps:			<u>Date:</u>
1.	Review	existing plans and determine success and failures.	July, 2013
	a.	Foreign Trade Zone	
	b.	2 Industrial Parks	
	c.	Intermodal Plan	
2.	Review	Department Structure	Spring to Summer
3.	Port Au	thority, review process.	April, 2013

COMMUNITY SAFETY

Coordination Area / Staff: Public Safety (All Departments)

<u>Description:</u> Community Safety extends to staff and the City as a whole. The Council has indicated a desire to address or approach the City's direction for the next fiscal year in addressing the safety of Auburn.

Steps:		<u>Date:</u>
1.	Staff will address budget with safety objectives.	May 2013
2.	Safety Team will review approaches to expand.	June 2013
3.	Citizen Engagement Goal will highlight safety.	See below.

CITIZEN ENGAGEMENT PROCES

Coordination Area / Staff:

City Manager, Executive Coordinators (Kroll, Crowell, Bogart, & D'Auteuil)

Description:

Generate a map of potential neighborhoods in the City and begin regional sessions to obtain input on needs. A key area to concentrate on in the process is policing. Then later have a second meeting to share progress and gather input on performance.

Steps:		<u>Date:</u>
1.	Generate Maps.	May 1, 2013
2.	Post meetings and locations.	June 2013
3.	Hold meetings.	June & July, 2013
4.	Draft plans by area.	August, 2013
5.	Conduct follow up meetings.	2014

ICE ARENA IMPLEMENTATION

Coordination Area / Staff:

Clint Deschene, Denis D'Auteuil, Ravi Sharma, Roland Miller, New Director

<u>Description:</u> The approved lease agreement for a two sheet arena requires many coordinated efforts of construction, hiring, planning, and operation.

Steps:		Date:
1.	Determine Construction Schedule	Pending Developer
2.	Present an operation schedule and plan	March 2013
3.	Recruit a director.	May 2013
4.	Develop schedules, contracts, operational planning, and fundraising.	Summer 2013
5.	Present regular reports to Council and Community	Monthly

DEVELOP A COUNCILOR ORIENTATION PROGRAM

Coordination Area / Staff:

All Staff.

Steps:

<u>Description:</u> The City Council of Auburn needs a program for annual review of duties and City functions. The review will include information on the role of the City Council, but will also include information on City Departments, training opportunities, City ordinances, policies, charter, etc. This process should also be coordinated with Lewiston in all areas possible.

Manager compiles basic information for the program.
 Departmental meeting with staff to organize and delegate.
 Include roles of staff and Council.
 Indicate Hiring process and structure.

Date: Delayed per Council

c. List Unions.

Staff meeting to compile and review final product.
 Present and implement with Council.

August 2013
New 8 Day 2

5. Implement. Nov. & Dec. 2013

COUNCIL REQUESTED REPORTS AND COMMUNICATIONS

Coordination Area / Staff:

Clint Deschene

<u>Description</u>: The City Council has identified 3 areas for more information and regular or more detailed reporting. The areas are financial reports, labor negotiations, and policy tracking.

Steps:		<u>Date:</u>
1.	Add narratives to the monthly financial reports keying on trends.	Monthly
2.	Include Policy implementations to the manager report to track	
	progress on important projects.	Monthly
3.	Provide quarterly reports on union negotiations or as needed.	Quarterly

NEW ELHS PLANNING PROCESS

Coordination Area / Staff:

Clint Deschene, Mayor Labonte, Katy Grondin.

<u>Description:</u> The School continues research into a new ELHS. The research and direction is still undergoing debate and until complete specific steps and plans are uncertain. The following steps will help lead the project to a definitive plan and schedule.

Steps: Date:

1. Work with School on bonding options and process. Spring

2. Research all viable options and present to Committee. On-going.

3. Work toward a City vote on a Council and School Committee agreed plan.

2013 BUDGET

Staff:

Clint Deschene, Jill Eastman, Department Heads, Council

Description: Working with the Council, create an informative engaged budget process.

Steps:		Date:
1.	Staff requests submitted	January 2013
2.	Manager reviews with staff.	February
3.	Manager meets individually with Council on CIP and Budget	March
4.	Budget presented to Council.	March
5.	Council review process.	March & April
6.	Council adopts budget. (pending State budget)	Late April or May.
7.	School Budget reviewed by Council.	May 4 th , 2013
8.	School Validation Vote	June 11 th , 2013

ADDENDUM

- 1. L-A Forest Board Ordinance
 - a. Submission by the board for Council review by summer 2013.
- 2. Transportation Station.
 - a. Project coordinated with LATC and will
- 3. New Fire Chief and Matrix Implementation. Review Rescue Delivery structure.
 - a. On-going.
- 4. Recreation Facilities Plan
 - a. Under Review by staff with fields currently contracted to Wright-Pierce.
- 5. Recycling
 - a. Consider options during budget.
- 6. Volunteer Committee/Group
 - a. May evolve from Citizen Engagement Task.
- 7. Ward Redistricting
 - a. Pending State process.
- 8. Meeting with Lewiston City Council
 - a. On-going.
- 9. Joint Meetings with School Committee
 - a. On-going.
- 10. City Councilor "Tours" or Departmental Meeting (November 2013)
 - a. Part of Orientation.
- 11. Discussions of Charter Review. (More than a year?)

Note, some of the above items are part of the Comprehensive Plan.

The above goals will be reported to the City Council during the Manager's report as significant progress or changes occur. The City Manager will provide a six month progress report and a one-year recap. It is fully understood that the Manager will work toward the items but not all will be completed to be successful. It is also understood that the ability to complete these items is affected by additional items that arise during the normal course of business.

City Council Agenda Information Sheet

City of Auburn

Council Meeting Date: February 19, 2013

Order 13-02192013*

Author: Phillip L. Crowell, Jr., Chief of Police

Subject: Transfer of Forfeiture Asset – Leon Payne

Information: In September 2012, an Auburn police officer working patrol observed a vehicle with Alabama registration plates operating erratically on Turner St. The officer conducted a motor vehicle stop on Chestnut St. The officer identified the operator and confirmed that he didn't possess a license to operate a motor vehicle in the State of Maine. In addition, the subject had three sets of bail conditions. One of the conditions prohibited the operator from using or possessing illegal drugs or alcohol as well as the condition that he not drive unless duly licensed and was subject to random search and testing of his person and residence.

The operator of the motor vehicle was arrested. While being searched pursuant to arrest the officer found wads of money in all four pants pockets of the operator. The operator thought he had approximately \$4,000.00. The officer counted \$6,823.00 in US Currency. A search of the vehicle yielded a small amount of marijuana.

Once the operator was released to the custody of the Androscoggin County Jail the officer went to the operators address on Bearce St. in the City of Auburn to conduct a search pursuant to his bail conditions. The officer located another \$4,420 in US Currency. In addition, drug trafficking paraphernalia was found. The K-9 alerted on a digital scale which had white a powdery substance on it. A chemical field test of the residue from the scale resulted in a positive test for the presence of cocaine. A total of \$11,243.00 is being sought for forfeiture.

Financial: The State of Maine, Office of the Attorney General, seeks to transfer \$11,243 in U.S. currency to the Auburn Police Department.

Action Requested at this Meeting: Vote to accept transfer of \$11,243.00 in U.S. Currency.

Previous Meetings and History: Designation of federal asset forfeiture funds requires that funds must to be used for law enforcement services. The Auburn Police Department utilizes forfeited funds for crime prevention, drug enforcement and our K-9 program.

The Auburn Police Department seeks to accept the following Criminal forfeited assets:

District Court Criminal Docket No. CR-12-1139 – Leon Payne \$11,243.00

In September 2012, an Auburn police officer working patrol observed a vehicle with Alabama registration plates operating erratically on Turner St. The officer conducted a motor vehicle stop on Chestnut St. The officer identified the operator and confirmed that he didn't possess a license to operate a motor vehicle in the State of Maine. In addition, the subject had three sets of bail conditions. The first two sets had the standard conditions while the third set prohibited the operator from using or possessing illegal drugs or alcohol as well as the condition that he not drive unless duly licensed and was subject to random search and testing of his person and residence.

The operator of the motor vehicle was arrested. While being searched pursuant to arrest the officer found wads of money in all four pants pockets of the operator. The operator thought he had approximately \$4,000.00. The officer counted \$6,823.00 in US Currency. A search of the vehicle yielded a small amount of marijuana. A Lewiston Police Department K-9 responded to the scene and conducted a "sniff" of the vehicle and the money. Prior to instructing the K-9 to start the "sniff", the K-9 jumped up and alerted on the bag of money seized.

Once the operator was released to the custody of the Androscoggin County Jail the officer went to the operators address on Bearce St. in the City of Auburn to conduct a search pursuant to his bail conditions. The operator's girlfriend was present during the search. The officer found a wad of money in a box of food. According to the officer the girlfriend was surprised to see the money. She told the officer that she thought there was approximately \$2,000.00. The officer counted the money and found there to be \$4,420 in US Currency. In addition, drug trafficking paraphernalia was found. The K-9 alerted on a digital scale which had white a powdery substance on it. A chemical field test of the residue from the scale resulted in a positive test for the presence of cocaine. A total of \$11,243.00 is being sought for forfeiture.

It should be noted that the operator that was arrested had been arrested recently two other times. Each time he was in possession of approximately \$3,000.00 in US Currency. This subject has been and is currently being investigated for drug trafficking.

Chief Philip Crowell, Jr. Auburn Police Department 60 Court Street Auburn, ME 04210

RE: State of Maine vs. Leon Payne
Androscoggin County Superior Court Doc. No. CR-12-1139 - Criminal Forfeiture
Required Vote of Municipal Officers/Approval of Transfer of Forfeiture Assets

Dear Chief Crowell:

Enclosed please find a draft Approval form for submission to the municipal officers.

Please inform the municipal officers that:

- A. 15 M.R.S.A. §5824(3) requires that, before any forfeitable item may be transferred to a State Agency, County or Municipality, the municipal legislative body must publicly vote to accept the item(s) if subsequently ordered forfeited by the Court;
- B. Under Rules issued by the Department of the Attorney General, a public vote must be made on each forfeiture "approval" and a "continuing resolution" of approval cannot be accepted;
- C. As with all forfeitures, an approval of a transfer by the municipal legislative body does not guarantee either that the Defendant(s) *In Rem* will in fact be forfeited or, if forfeited, that the Court will order the item(s) transferred to the approving Department, Agency, County or Municipality. The municipal legislative body's approval only signifies that, if the Defendant(s) *In Rem* are in fact ordered forfeited and, if the Attorney General and the Court agree to a transfer of all or part of the Defendant(s) *In Rem* to a Department, Agency, County or Municipality based upon the "substantial contribution" of that Department, Agency, County or Municipality, then that entity is in fact, willing to accept the Defendant(s) *In Rem* or portions thereof. In order to streamline what is otherwise a cumbersome forfeiture process, it is our practice to seek State, county or municipal approval in anticipation of the final order of forfeiture. However, final forfeiture is not guaranteed and both the municipal legislative body and the law

enforcement agency involved are **cautioned** that they **should not encumber** funds or property until a Final Order granting them lawful title to the property is delivered to them;

D. Under the provisions of the Forfeiture Statute, if the municipal legislative body fails to approve a transfer in a timely manner, any forfeited items shall be transferred to the State of Maine General Fund.

Assuming your municipal legislative body does grant its approval, kindly see to it that the accompanying form is signed by the appropriate person and is "embossed" with the seal of the municipality. Then, please return the **original** to me for filing, and retain a copy for your records.

My sincere thanks for your attention to this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,

David Fisher

Goal Setting Notes

City of Auburn Planning Session January 5, 2013 Meeting Highlights

Attendees

Clint Deschene, Howard Kroll, Belinda Gerry, Bob Hayes, David Young, Josh Shea, Mary Lafontaine, Tizz Crowley, Jonathan LaBonte, and Carole Martin, facilitator; Scott Taylor, observer

Getting Grounded - Meeting Overview

As we enter the New Year, it is important to spend some time together thinking big about what we want for the City of Auburn. If we can hold a big picture vision of what it is we hope our city can "look like", we have a shared focus.

No topic is off-limits today, if you have an off the wall idea share it if only to spur conversation; we are in workshop mode. Clint and Howard are in input mode and will be active participants in the conversation.

A few *ground rules* to help keep us on track:

- Listen Deeply
- Keep an open mind
- Give benefit of the doubt
- Think big and long-term
- One conversation no sidebars

An *opening exercise* to help us think big: *If money was no object, what is the one thing you would invest in for Auburn's future?* Responses:

- The Auburn bypass connecting Center Street to 95
- Beautiful, inviting gateway from the turnpike exit to Court Street
- Buy the entire turnpike and expand access from the turnpike to Turner and beyond
- The largest high tech incubator/coop space in New England
- The best school system in the state
- The best school system including facilities in the country
- Full implementation of the comprehensive plan
- Transitional learning center at old EL campus for couch surfing teens to live and work and learn and a place where other students could use to learn as well
- Develop and implement a center of excellence for lifelong learning which provides education, training, enrichment – free opportunities for all Auburn residents regardless of age of socioeconomic position

Setting the Stage: Our Shared Vision and Goals for Auburn

The intent here is to think big and long-term – as in, it is 2023 – ten years from today. What does Auburn "look like"? If I am a child or a resident of Auburn, what do I see and why am I happy and proud to live here?

Our shared vision – 10 years from today...

...Auburn is a cohesive place – whether you're a tourist or a resident, you know what the city has to offer. While neighborhoods are distinct and each has unique things to offer – interesting restaurants and small shops, walkable safe streets and natural places to use and explore – as a city, Auburn feels like a close-knit community. Our population is bigger than it was 10 years ago and continues to grow – people

are moving here because there are jobs and residents are taking ownership for what they want their neighborhoods to be like – including proud display of our history and heritage. They are also moving here because there is an inhabited downtown – people living, working and playing. Our local government is respected for its competence and focus and is held up as a great example of municipal leadership that played a vital role in the City's transformation.

In order to achieve this vision, what are the top goals we must focus on in 2013?

- Focus on economic development by:
 - Creating an Auburn-specific economic development plan specifically designed to support the achievement of our shared vision, factoring in AVCOG and Auburn Business Development Corp. and the growth council – and focusing on small business and industry growth. To achieve this, steps include:
 - Reviewing all existing plans utilizing clearly established criteria asking for each what has been accomplished, what hasn't and why? Also, examining funding allocations and governance structures. Examples of unconnected piece parts for review: intermodal plan, Foreign Trade Zone, two industrial park plans.
 - Review current economic development department structure and make adjustments, as needed, for the department to be structured to accomplish what needs to be done to achieve focused growth toward our vision.
 - Consider such possibilities as creating a port authority to focus on industrial growth.
- Focus on community safety by:
 - Convening the community through forums to discuss neighborhood safety and educating residents about the opportunities and duty to self-police and report; help establish neighborhood priorities and to increase familiarity amongst residents. This approach will have many long-term advantages to supporting change and improvement in the city including aligning resources with community-driven priorities, some of which are included in the comprehensive plan.
- Undertake a targeted public awareness campaign, focusing on all the City has to offer, including services and programs.

Other potential priorities for 2013 include:

- Exploring grant opportunities for additional financial support to achieve our priorities
- Re-represent PUD residential recreation
- Ensure protection of Lake Auburn
- Beautification and accessibility of City corridors
- Quality of life promotions what we're doing
- In conjunction with the school system, public education on a shift in approach to mass customized learning
- Better understand the existing, tangible relationship with Lewiston contractual agreements, shared services, etc – and consider the implications
- Create a system to build goals into workshops and not do this kind of work on Saturdays
- Adoption of street structure plan with teeth
- Identify neighborhoods with pre-existing identities to promote and build upon

- Create a budget that meets councilors' needs
- A realistic plan for promoting the ice arena
- Create a gr code system to promote historic sites
- Make changes without undue tax burden
- Reinstate police station availability to transients

From here to there – structuring our meetings and improving communication to support the achievement of our shared vision and goals

The following changes and action steps were agreed to by all:

- "We" before "I" using the shared vision as the focus for making decisions about structuring meetings and time utilization. Methods for accomplishing this include:
 - o Reporting only key topics, with advance content review by the mayor
 - Supporting agreed-upon decisions even if you disagree
 - Continuing to have themes to meetings and seek councilor input in advance
 - Remembering that council meetings are intentionally focused on budget, policy and ordinance-related matters; workshops focus on vision and method for accomplishing it
 - Utilizing a consent agenda; councilors will file reports in the same fashion as the city manager and only items in need of clarification/discussion will be discussed during meetings
 - Revising the ordinance that defines meeting structure to ensure that it aligns with and supports focusing on big picture priorities
- Investigate the viability of having councilors conduct their own "TV shows" to provide updates and public announcements
- Councilor role for each committee will be clarified by sending out a list to all councilors of what each role entails
- In committee meetings, all councilors are free to speak their own opinions so long as they remember to clearly delineate when they are speaking in their formal councilor capacity and when they are speaking as a resident *first and foremost*, they speak from their councilor role
- City Manager and Staff will not be called out or queried about tasks and the status of task
 completion at Council Meetings; doing so undermines the credibility of staff and their positions
 and thereby reduces the trust citizens have in the system. If a councilor missteps and does this,
 it is the mayor's responsibility to intercede and redirect. Further, City Manager will increase
 communication with councilors about progress.
- All reports should be filed using the shared vision as the context and how what is included in the report aligns with the shared vision.
- After workshop discussions, when an issue is being voted on, a 1-2 sentence description of the
 issue will be stated prior to vote this enables residents to more meaningfully follow
 proceedings.
- Councilor packets will be created by Clint in time for Thursday distribution by 4:30— he commits to striving for a Wednesday at midnight distribution.

Next Steps

- Carole will create meeting highlights
- Clint will create a work plan
- Input on information sheets should be sent to Clint
- Suggestions for agenda items tied to goals should be sent to Clint

What worked about today?

- Connecting as a group we should do it every 4-6months
- Being offsite
- Having a set agenda and advance homework
- Open discussion
- Good connections and new perspectives
- Our commitment to a vision
- Outside facilitation that allowed for treating city employees and councilors the same
- All seemed comfortable engaging and it reinforces our vision
- Being together and learning about priorities
- Venting sharing points of view and getting to know Howard
- The weather!

Today would have been better if...

- Leroy was here
- We were able to engage in conflict more deeply having the press here makes that harder
- More and hotter coffee
- The goals discussion got in the weeds at one point staying entirely on track
- We'd had this earlier in our tenure
- There was a better shared understanding of the comprehensive plan

IN CITY COUNCIL

ORDER 14-02192013

ORDERED that the City Council hereby approves the Goal Setting Notes from 1-5-2013 Planning Session Meeting.

IN COUNCIL SPECIAL MEETING JANUARY 31, 2013 VOL. 33 PAGE 94

Mayor LaBonte called the meeting to order at 6:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. Councilor Crowley was absent, Councilor LaFontaine arrived during the Executive Session, and all other Councilors were present.

I. Executive Session – Discussion on the Ice Arena contract, pursuant to 1 M.R.S.A §405(6)(C).

Motion was made by Councilor Hayes and seconded by Councilor Walker. Passage 5-0, 6:04 P.M.

The Mayor declared Council out of Executive Session at 7:14 P.M.

II. New Business

1. Order 12-01312013 Approving the design and updated budget for the double sheet Ice Arena.

Motion was made by Councilor LaFontaine and seconded by Councilor Walker.

Public comment -

Dan D'Autueil, Maine Gladiators, questioned the Ice Arena budget that was provided. Joe Gray, Sopers Mill Road, Auburn, commented on the delay in getting the Ice Arena budget information, and he had questions and comments about the budget. Claire Barclay, 62 Winter Street, Auburn, hockey parent since 1980 and was on the Board for Auburn Youth Hockey. She commented on Ingersoll Arena and how it has supported itself and feels dual sheet Ice Arena will also support itself. Andy Titus, Lamplighter Circle, Auburn had questions on the Ice Arena Budget. Joe Gray, Sopers Mill Road, Auburn questioned the estimated ice time difference from the original presentation.

City Manager Deschene addressed all of the questions.

Motion was made by Councilor Shea and seconded by Councilor Walker to postpone this item to the 2/4/2013 Council meeting as Unfinished Business. Passage 6-0.

IX. Adjournment

Motion was made by Councilor LaFontaine and seconded by Councilor Walker to adjourn. Passage 6-0, 7:45 P.M.

A True Copy.

ATTEST Musan Clements-Dallaire, City Clerk

IN COUNCIL REGULAR MEETING FEBRUARY 4, 2013 VOL. 33 PAGE 95

Mayor LaBonte called the meeting to order at 7:00 P.M. in the Council Chambers of Auburn Hall and led the assembly in the salute to the flag. All Councilors were present.

I. Consent Items* - None

II. Minutes

Motion was made by Councilor LaFontaine and seconded by Councilor Young to approve the minutes of the January 22, 2013. Passage 7-0.

III. Reports

Mayor's Report - reported.

Committee Reports

Councilor Crowley submitted a written report and reported on additional items that were not included in her written report, Councilor Walker submitted a written report, and Councilor Hayes reported on the Airport Board.

City Councilors' Reports - Councilor Crowley submitted a written report.

City Manager's Report – City Manager Deschene submitted a written report and reported on an additional item.

IV. Communications, Presentations and Recognitions

- Portrait presentation Former Mayor John Jenkins
- Swear in and Badge pinning ceremony Auburn Police Department
 - o Patrol Officer Thomas J. Ellis
 - o Patrol Officer Mitchel Morse
 - o Patrol Officer John Chamberlain

Mayor LaBonté also recognized Officer Scott Laliberte who is being deployed to Afghanistan and presented Mrs. Laliberte with a bouquet of flowers on behalf of the Auburn Police Department.

Proclamation – George E. Roy. Mr. Roy was unable to attend tonight's meeting.
 The presentation will be postponed until the February 19, 2013 Council meeting.

V. Open Session

- Renee Cote, Dawes Avenue, Auburn spoke regarding the U.S. Constitutional Amendment on Campaign Finance. Ms. Cote submitted her written remarks to be included in the record of this meeting.
- Bob Stone, 12 Harrison Circle, Auburn spoke on the U.S. Constitutional Amendment on Campaign Finance.

IN COUNCIL REGULAR MEETING FEBRUARY 4, 2013 VOL. 33 PAGE 96

 John Turner, 46 Rubellite Lane, Auburn and the recipient of a key to both Lewiston and Auburn spoke regarding the U.S. Constitutional Amendment on Campaign Finance and the importance of corporate businesses in Auburn.

VI. Unfinished Business

 Order 12-01312013 Approving the design and updated budget for the double sheet Ice Arena.

Motion was made by Councilor LaFontaine and seconded by Councilor Hayes to enter into Executive Session, pursuant to 1 M.R.S.A. §405(6)(C). Passage 7-0, 7:36 P.M.

The Mayor declared Council out of Executive Session at 8:14 P.M.

Motion was made by Councilor LaFontaine and Seconded by Councilor Walker to approve Order 12-01312013.

Public Hearing – Joe Gray, Sopers Mill Road, Auburn commented that he did not understand comments made by Councilor Hayes regarding the management budget and wanted an explanation. He commented on the roads being horrible, taxes are horrible and everyone sees the Ice Arena as a money loser. We are in need of a new school and will also need a new fire station. He commented that everything but the budget on this has changed. He asked why we have not heard from LAEGC if this is an Economic Development tool. He asked for answers.

Motion was made by Councilor Shea and Seconded by Councilor Walker to amend the order by deleting "and updated budget" and changing the word "approves" to "accepts".

Passage of the amendment 6-1 (Councilor Gerry opposed).

Passage of the order as amended 6-1 (Councilor Gerry opposed).

VII. New Business - None

VIII. Executive Session

IX. Open Session – Joe Gray, Sopers Mill Road, Auburn apologized about earlier comments made because he didn't understand what the vote was about. He also commented that he was still waiting for answers on the athletic fields, the cost of the facilitator at the meeting held a few weeks ago, he would like to know the answers to the questions the Finance Director provided to Councilor Crowley. He also asked where he could get budget information on LAEGC, ABDC, Railroad Commission, and the Airport. He would also like to know how the Chamber of Commerce is integrated.

IN COUNCIL REGULAR MEETING FEBRUARY 4, 2013 VOL. 33 PAGE 97

X. Future Agenda/Workshop Items – Councilor Crowley would like to talk about Councilors being able to speak on various items during meetings now that reports are being submitted in writing.

XI. Adjournment

Motion was made by Councilor LaFontaine and seconded by Councilor Walker to adjourn. Passage 7-0, 8:30 P.M.

A True Copy.

ATTEST <u>Jusan Clements</u> Dallarie Susan Clements-Dallaire, City Clerk

Auburn Ward 1 Report for Meeting Tuesday 2013.02.19

Prepared: Wednesday 2013.02.13

TO: Residents of Auburn and the Auburn City Council **FROM:** Tizz E. H. Crowley- Auburn City Council Ward 1

Congratulations- to all the John Murphy Homes employees recognized at their recent Annual Recognition Awards held January 16th. A total of 59 members were recognized for their years of service; including Scott

Sawyer and Trish Clary (Central Office) and Carol Cook (Harris Road & Mt. Prospect) for twenty-years.

For the first time in JFM history the Margaret Murphy Award was presented to a person outside the JFM family, Senator Olympia Snowe. Senator Snowe has long been a friend and champion of JFM and is a fitting choice for the award. Unfortunately due to the many demands on her schedule as she transitions out of the US Senate and into private life, she was not able to attend the banquet. We will be presenting the award to her later in the year.

Upcoming events- dates to watch- Wednesday, February 13th the public presentation on the Lake Study and Fish Kill was held at Lewiston City Hall. Recording of the meeting is available.

Kids' Ice Fishing Derby is set for Range Ponds State Park, **February 18th**. The "Hooked on Fishing" Kids' Derby runs from 8 a.m. to noon, and all that kids have to do is show up and drop a line in the water. Volunteers from the Sebago Lake Rotary will drill fishing holes through the ice early that morning, and other volunteers will be on hand to bait hooks, mostly with small shiners.

The event is an introduction to ice fishing, organized for children not familiar with the activity. "This is a wonderful opportunity to take your kids out for an enjoyable and educational experience," said Walt Whitcomb, commissioner of the Department of Agriculture, Conservation and Forestry (DACF), which includes the Division of Parks and Public Lands. "Ice fishing is a Maine tradition, and there's no better way for kids to learn how to ice fish than by doing it."

There is no charge for children 12 and under, and the first 500 who pre-register and arrive at the park by 10 a.m. will receive free ice fishing rigs, courtesy of Kittery Trading Post.

Mark your calendar now for the upcoming annual APL Farmer's Market on **February 22nd** from **4:30 - 6:30 PM.** Local vendors will have a variety of offerings such as fruits, vegetables, jams, soaps, homemade treats and more! Come; join us for an evening of fun for the whole family with live music, crafts for kids, garden goodies, animals and more!

March 4, 2013- to April 3, 2013 is the public comment period for the Community Block Grant budget.

Saturday, March 16th is "Salute to Dinny Sullivan, Hats Off to Neighborhood Businesses" Day here in Auburn. Please send us the names and email contact information of any Auburn business you feel should hear "Thank you " for your active support of our community. Surely, you know a local owner to recognize.

Information provided to residents this period: As a Councilor I get calls and questions from Auburn residents. Helping to find the answers is one of my favorite parts of serving on the Council. In the past week we've looked at several things including:

Book Drop-Off locations at the Auburn Public Library- The library has two exterior locations for returning books. The first is a stand-alone unit (about the size of a post office mail box) at the Library Ave. entrance. The other is a slot in the building at the Spring Street entrance which opens into a small room.

The "mail box" style is closed the Library Ave. when the Library is open, and when we are closed for extended periods. The reason is because it fills up quickly and, unfortunately, many people then leave their materials lying outside the door where they are exposed to the elements. The return at the Spring Street entrance is never closed because there is sufficient space inside for any foreseeable number of items.

There is a sign on the Library Ave. drop box says that it will be locked over "holiday weekends", but it obviously wasn't clear

it would also be locked because we had closed at noon on Friday and would be closed on Saturday because of the storm. In the future Library staff will post a different sign under those circumstances to explain that the box is locked if we are going to be closed on a Saturday or Monday that is not a holiday.

Municipal vehicle Use- Another item of follow up related to the City policy about allowing municipal vehicles to go home with employees who may live out of town, even 20+ miles away. The policy or procedure for personal use of these vehicles and using municipal vehicles for commuting to work is the authority of the City Manager. During our budget process, I would expect the Council and community to be updated on the current practices and the financial impact of our procedures.

Swimability Report- The final report from the consultants just arrived yesterday, Tuesday February 12th. I would expect an invitation to a presentation of the report for the community be announced shortly. The news reports were based on a DRAFT version of the report. You can expect my report on the Lake Auburn Watershed Protection Commission's activities at our next regular meeting.

Plowing and Sidewalks- I am confident you will hear from the City Manager updating our experience with this winter's snow plan. Many councilors, including me, were in regular communications during the storm period. Could we improve- yes, were there some excellent examples of good service- absolutely. Please be constructive in your comments. Remember the City does not conduct business through personal Facebook pages.

Safety Reminder- Are your fire hydrants clear of snow and easily visible? I saw the Water and Sewer District crews shoveling out. Please lend hand when the snow is heavy. The home you help may be your own in an emergency. If your hydrant needs a tall location flag installed, please call the District 207-784-6469

.

February is Heart Month- Here's a surprising health tip you might enjoy complying with this week- Chocolate's dark secret. There's no getting around the fact that chocolate is a high fat food. But there is growing evidence that,

in small quantities, some kinds of chocolate may actually be good for you. Dark chocolate is naturally rich in flavonoids (or more specifically, flavanols, a sub-class of these antioxidants). These compounds are thought to *lower blood pressure* and help protect against heart disease—among other things. Recent studies conducted both in the U.S. and Europe seem to support chocolate's beneficial effects on the cardiovascular system, encouraging chocolate manufacturers, to develop proprietary methods of processing cocoa beans aimed specifically at preserving falconoid content.

Exercise is another way to promote heart health. An elementary school child now spends less time outdoors than any generation in human history — 50 percent less time than kids did just 20 years ago. Time outside has been replaced by time indoors, and roughly six hours of each day is devoted to various forms of electronic media, such as televisions, computers or video game consoles. In fact, kids today are six times more likely to play a video game than to ride a bike.

Along with this vastly diminished time outdoors, researchers have noticed other serious changes in the lives and minds of our children. In some areas, academic achievement is stagnating or falling, while increasing numbers of children are less able to engage in vigorous or cooperative play, and learning challenges such as Attention Deficit Disorder are rising.

Yet we know that time spent in nature decreases stress and anxiety and improves focus for adults as well as children. The best way to secure the future of park and recreation services is to broaden the base of people who invest effort, energy and resources into their well-being – in other words empowering citizens through involvement with our Parks department . I encourage Auburn residents to share your interests and concerns with the Auburn Parks & Recreation Advisory Board.

Wouldn't it be nice if, in the future, Municipal Financial information became as readily available as the new State of Maine process? **Maine Open Checkbook is now Online.** In order to increase the public's access to information on how Mainers' hard-earned tax dollars are spent, Governor LePage's administration has created a new website: Maine Open Checkbook.

At the Maine Open Checkbook website individuals can search details of state spending, including vendor payments and employee compensation. Next year the state will expand the service to include revenue data and other details related to budget expenses. Future enhancements will include expanded graphs and reports. Details on vendor payments will be uploaded to the website every month and employee compensation, including salary information and benefits, will be updated on an annual basis.

In closing, I'd like to thank the Voters of Ward 1 for providing me with this wonderful opportunity to serve. I am reminded many of us did not have the right to vote 93 years ago. **Susan B. Anthony Day** is a commemorative holiday to celebrate the birth of Anthony and the Women's suffrage in the United States. The day is on **February 15.** It has been historically celebrated since 1920, after 31 of 48 states had ratified the Nineteenth Amendment to the United States Constitution, giving women the right to vote when fully ratified later that year.

MANAGER'S REPORT

February 19, 2013

Twin Rink Ice Arena

The developer has provided notice to the City that the building and key mechanical components have been ordered. Until these are on a defined schedule the building schedule is still not certain. I am still sharing that the arena will be open for late fall and we should anticipate one surface coming available a month before the second surface.

Staff continues to research management options and renters. My current strategy is to post the position of director and begin reviewing applications in conjunction with other options. Operationally the Ice Arena Director will coordinate with many staff members but will be a direct report of the City Manager's Office.

Winter Storm "Nemo"

Many times the anticipation of a large storm such as the one projected, fails to live up to the hype. In this case the hype was all too accurate. Staff is reviewing all costs associated with the storm in the event a disaster is declared that would allow the City to be reimbursed for some costs.

One aspect that will continue to be reviewed was the parking ban. In anticipation of the storm the City announced closure for noon on Friday. This was for 2 reasons: (1) to free up parking in the garage for winter relief and (2) to send the message to the public that it is best to stay off the streets. In hindsight and with the delay of the harshest weather until last afternoon and evening we may have been able to wait. However, waiting would have delayed the notice of the parking ban and early this year residents were clear in at least 6 hours notice if not 12 hours. In the Downtown areas this is difficult for businesses, but staff remains dedicated to working on each storm.

One outcome from this storm is the hopes to have a one page FAQ of winter storms and information residents and businesses need to know.

Budget

Internal meetings between the manager, finance office, and staff are occurring to review every departmental budget. The current timeline to have a manager recommended budget by mid to late March is still on schedule.

In regard to the Governor's proposed budget, staff is keenly aware of impacts, but is being patient to address known impacts. Too many variables exist to develop a City budget in response until more definitive answers exist. The Staff is working in collaboration with Lewiston to find efficiencies and gathering ideas for when the State budget is more firm.

Policy Updates

Per City Council request staff and I are working on some issues per Council directive. These include:

- 1. Ice Arena operational schedule and plan. This will include key dates or milestones between now and the eventual open of the new facility.
- 2. Economic Development Operational Structure. This will include roles, duties, staff assignments, and agency function in cooperation with the City. I have an aggressive goal to present in workshop this information with financials to consider for February 25th, that only provides one week from the date of this update.
- 3. Outlet Beach report was received on the 12th of February. I am preparing an agenda packet to review this in workshop on February 25th.

Public Items

Joe Gray presented some items and I have responded to his inquiry. I have shared a lot of information but I am also waiting for some clarification.

"Maine's City of Opportunity"

Financial Services

TO: Clinton Deschene, City Manager

FROM: Jill Eastman, Finance Director

REF: January 2013 Financial Report

DATE: February 7, 2013

The following is a discussion regarding the significant variances found in the City's January financial report. Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department.

The City has completed its seventh month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 58.3% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

Revenues

Revenues collected through January 31st were \$39,572,109, or 55.01%, of the budget, which is less the same as last year at this time. The accounts listed below are noteworthy.

- A. Excise tax for the month of January is at 58.95%. Dollar wise this is an increase of \$77,608 compared to last January. Our excise revenues for FY13 continue to stay above our projections, even with our \$300,000 increase in estimated revenue for FY13.
- B. State Revenue Sharing for the month of January is 57.65% or \$1,383,572. The city received \$213,297 this month compared to \$227,031 FY12, \$228,520 FY11, \$295,947 FY10, \$262,614 FY09 and \$287,992 FY08.
- C. Property Tax Revenue in January is 55.95% or \$23,568,422 a slight increase from last January of 0.54%.

D. Business and Non-Business Licenses and Permits are above budget due to Commercial Licenses, Street Openings, Building and Electrical Permits.

Expenditures

City expenditures through January 31st were \$24,621,415, or 67.66%, of the budget as compared to last year at \$23,946,194, or 66.99%. Noteworthy variances are:

- A. Fiscal Service is at 70.84% of budget for the end of January primarily due to Debt Service at 91.03% and Property at 67.07%. The majority of the Debt Service is paid in the fall, and the City's Property and Casualty Insurance premium is due in 2 installments, one in July and the balance in December.
- B. Health and Social services continues to exceed expectations and is at 75.67% of the total budget at the end of January.

Investments

This section contains an investment schedule as of January 31^{st.} Currently the City's funds are earning an average interest rate of .22%, which is less than last January.

Respectfully submitted,

Jill M. Eastman
Finance Director

Office of the Mayor and City Council CITY OF AUBURN

PROCLAMATION

Recognizing George E. Roy for his many years of Community Involvement and the impact he has made on the youth of Auburn.

Filed January 24, 2013 by Leroy Walker

WHEREAS, George E. Roy has been an active member of the community for over 60 years and;

WHEREAS, Mr. Roy has helped Auburn children enjoy the benefits of skating at Ingersoll Arena by purchasing over 100 pairs of skates for those that otherwise could not have participated; and

WHEREAS, Mr. Roy generously donated funds and his time to coordinate with the Auburn Recreation Department to transport and teach children how to skate; and

WHEREAS, Mr. Roy further donated funds to purchase 80 pairs of ice skates for use at the PAL Center; and

WHEREAS, Mr. Roy, without hesitation, donates to help underprivileged kids the opportunity to use our recreational programs and, if needed, food for those in need regardless of age or circumstance; and

NOW, THEREFORE, the Auburn City Council, on behalf of the citizens of the City of Auburn herewith recognizes and commends George E. Roy for his unyielding support and dedication to our youth and recreation department and wish him many more years of happiness which include his love of dance, sharing his wonderful sense of humor, visiting family abroad, and an occasional Tootsie Roll.

IN WITNESS WHEREOF, I have hereunto
Set my hand and caused the Seal of the
City of Auburn, Maine
to be fixed this 4th day of February 2013.

Mayor Jonathan P. LaBonté

Subject: Chip Keene

Good morning, gentlemen;

I am honored to let you know that Captain Chip Keene has been selected as the recipient of the 2013 American Red Cross Blood Services Real Heroes Award!!

I just had a brief meeting with Chip and had the privilege of sharing this news with him. ⊕

Chip was nominated by the Red Cross Blood Services team for his dedication, enthusiasm and tireless efforts during the two very successful 9/11 blood drives at Auburn's Central Fire Station. The Real Heroes Award Selection Committee met last week and overwhelmingly approved his nomination.

Please mark your calendars for Tuesday, March 12 at 7:30am. Captain Keene will be receiving this well-deserved recognition, along with six other incredible community heroes. The United Valley American Red Cross "Real Heroes Breakfast" will be held at the Ramada Inn in Lewiston. I will be sure to send you 'official' invitations, but I wanted to share this wonderful news with you as soon as possible.

I know how proud you are of your entire team - Chip Keene is a wonderful example of the dedication and outstanding commitment of the Auburn Fire Department.

Congratulations! ~Liz

Maine's Bravest Brings Home the "Cup"

The Auburn Fire Department's IAFF Local 797 is excited to announce the success of the 2013 stair climbing team (Maine's Bravest). They out-stepped 2nd place Portland Fire Department by a mere four seconds to bring home the race's victory cup. Portland has held the title of top steppers for the last two years. This is Auburn's third year competing in this event that takes place at One Boston Place in Boston, Massachusetts. The annual event is a fundraiser for the American Lung Association. Auburn's victory at the stair climb is most exciting. More importantly is the stair climb raised over \$400,000 for the American Lung Association. Thank you for all the support from the community, friends, families, and businesses. Auburn surpassed their team goal of \$3,500.00 and raised \$4,910.00.

This event-often referred to as a vertical road race-consists of firefighters wearing firefighting gear and air packs racing up 41 stories as fast as they can. This is a total of 789 stairs. Beyond raising funds for the American Lung Association which goes toward research and treatment of lung disease, firefighters race for various reasons. Some do it in honor of loved ones who are sick, or who have died from lung disease, some for self gratification, some for bragging rights, other's are driven by the opportunity to bring the "cup" home for a year, then have their team's name inscribed on the cup with previous winners.

This year's event had 435 individual firefighters that broke down into 41 teams from all across New England. Team times are computed by taking the 5 fastest climbers per team and adding them together. The firefighters' wives and girlfriends also competed in this event without the gear against other civilian teams.

Some of the highlights from this year's event are as follows:

1st Place: time of 40:22, MAINE'S BRAVEST - AUBURN FIREFIGHTERS LOCAL 797

1 7:55 Mark Tripp

2 8:02 Thomas Printup

3 8:04 Scott Pray

4 8:09 Chip Keene

5 8:12 Stephen Coombs

Individual results are as follows:

- 7:55 Mark Tripp finished 4th of 435 and 4th in his age group (30-39)
- 8:02 Thomas Printup finished 7th of 435 and placed 1st in his age group (20-29)
- 8:04 Scott Pray finighed 8th of 435 and placed 1st in his age group (40-49)
- 8:09 Chip Keene finished 9th of 435 and placed 2nd in his age group (40-49)
- 8:12 Steve Coombs finished 11th of 435 and placed 7th in his age group (30-39)
- 8:39 Mike Lecompte finished 21st of 435 and placed 1st in his age group (50-over)
- 9:37 Ryan Demers finished 55th of 435
- 9:58 Joshua Labonte finished 77th of 435
- 9:59 Dan Masselli finished 78th of 435
- 11:03 Justin Carver 132nd of 435
- 11:41 Matthew Fifield 166th of 435
- 12:54 Joshua Harris 222nd of 435

The firefighters' wives team finished 7th against 47 competing civilian teams. Beryle Martin placed first in her age group with a time of 7:43 and Candace Labonte placed 3rd in her age group with the teams fastest time of 7:03.

Auburn looks forward to defending their title at next year's stair climb race and retain the cup. For more information or to donate to the American Lung Association "Climb for Air event"
