Offices of the Mayors

City of Lewiston, Maine - City of Auburn, Maine

PROCLAMATION

Whereas: The opportunity to have access to health care and long-term financial security is a basic need that all Americans share, and it is the foundation for future generations; and

ቼት We believe all Americans should have peace of mind about their future long-term financial security; and

Whereas: All Americans should have access to affordable health care, including prescription drugs, and these costs should not burden future generations; and

Whereas: Wellness and prevention efforts, including personal changes in diet and exercise, need to be top priorities; and

Ψήρετεασ: Americans should have choices when it comes to long-term care, allowing them to maintain their independence at home or in their communities with expanded and affordable financing options; and

Whereas: Our children and grandchildren should have an adequate quality of life when they retire, and Social Security must be strengthened without burdening future generations; and

Whereas: Workers should be provided with financial incentives to save, should have access to effective retirement plans, and should be able to keep working and contributing to society regardless of age; and

Whereas: Americans of all ages should have access to tools to help manage their finances and save for the future, along with better, easy-to-understand information to help them increase their financial literacy; and

Whereas: Individuals, businesses, health care providers, non-profit organizations, and government need to work together to address these areas of concern, and AARP's **Divided We Fail** initiative is a very pro-active approach to finding solutions for lifetime financial security and quality, affordable health care.

Now, therefore, We, Laurent J. Gilbert, Sr., and John Jenkins, Mayors of the Cities of Lewiston and Auburn, by virtue of the authority vested in us, do hereby support AARP's Divided We Fail effort and urge our State and Federal elected officials and candidates to do the same.

IN WITNESS WHEREOF, we have hereunto set our hands and caused the seals of the Cities of Lewiston and Auburn, Maine, to be affixed this 3rd day of June, 2008.

Mayor Laurent F. Gilbert, Sr.

FINANCIAL MANAGEMENT REPORT FOR MAY 2008

PREPARED BY THE FINANCE DEPARTMENT DENISE BROWN, FINANCE DIRECTOR

"Maine's City of Opportunity"

Financial Services

June 16, 2008

Honorable Mayor Jenkins and Members of the City Council

Attached please find the financial report for the month of May 2008. As of May 31st, the City has completed eleven months of the fiscal year. The City's major revenue sources – personal property taxes were due on August 27th. The first half of the real estate taxes were due on September 17th, and the second half were due on March 17th. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 91.6% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

Revenues

Revenues collected through May 31st were \$63,415,671, or 97.68, of the budget. The accounts listed below are noteworthy.

- A. Personal Property Taxes have traditionally been due by July 15. This year, however, due to the additional time needed to complete the property assessments and the Tax Commitment, personal property taxes were due on August 27th. The second half of the taxes were due on March 17. We have collected 96.45% of the budgeted amount.
- B. Homestead Exemption has been fully received.
- C. Penalties & Interest are above anticipation.
- D. *Intergovernmental City of Lewiston* reflects the receipt of the tax sharing from the City of Lewiston.
- E. Parking Tickets & Fines are up due to aggressive accounts receivable.
- F. *Investment Income* is above anticipated expectations.
- G. *Rental Income* is higher due to the annual payment from Maine Intermodal Transportation, Inc. for the lease at the intermodal facility.
- H. Sale of Recyclables is above anticipation due to the increase in commodity pricing.

I. Sale of Property reflects the sale to the Auburn Lewiston Municipal Airport for the purpose of building a taxiway.

Expenditures

Expenditures through May 31st were \$56,993,103, or 87.79%, of the budget. Noteworthy variances are:

- A. Mayor and Council: Full payments for AVCOG dues and the annual audit have been made.
- B. *Planning & Permitting*: Expenditures are above normal due to the increase in utilities.
- C. Community Programs: Full payment of the appropriation for the Liberty Festival was made in July.
- D. *Debt Service*: All debt service payments have been made.
- E. *Property:* All of the City's insurance premiums have been paid for the fiscal year.
- F. Workers Compensation: The annual workers compensation transfer was made for both the City and School departments in October.
- G. *Intergovernmental Programs*: The City funds these agencies quarterly upon receipt of their invoices. The County Tax payment was due September 1 and paid in full on Friday, August 31st.

<u>Investments</u>

This section contains an investment schedule as of May 31st, as well as a comparison of the investments between May 31st and the prior month. Currently the City's funds are earning an average interest rate of 2.01%, compared to approximately 5.06% last year at this time.

Fiscal Year-End Forecast

Through conservative spending and aggressive revenue collections, and barring any unforeseen circumstances during the month of June, the City's financial position looks favorable for the end of the fiscal year.

Respectfully Submitted,

Denise Brown Finance Director

Dear Ms. Magno -

I am writing on behalf of Gritty McDuff's at 68 Main Street. We are requesting that the City of Auburn allow Gritty's to utilize the city property located directly behind our Pub for a special function. The event is for the Region 1 Youth Soccer Championships and will be primarily for the "soccer kids" and their families. The function will happen sometime the week of June 23rd, during an afternoon. This will be "picnic type" event and we will not be serving beer or alcohol outdoors, nor allow anyone drinking those beverages off the deck. This event is not open to the public.

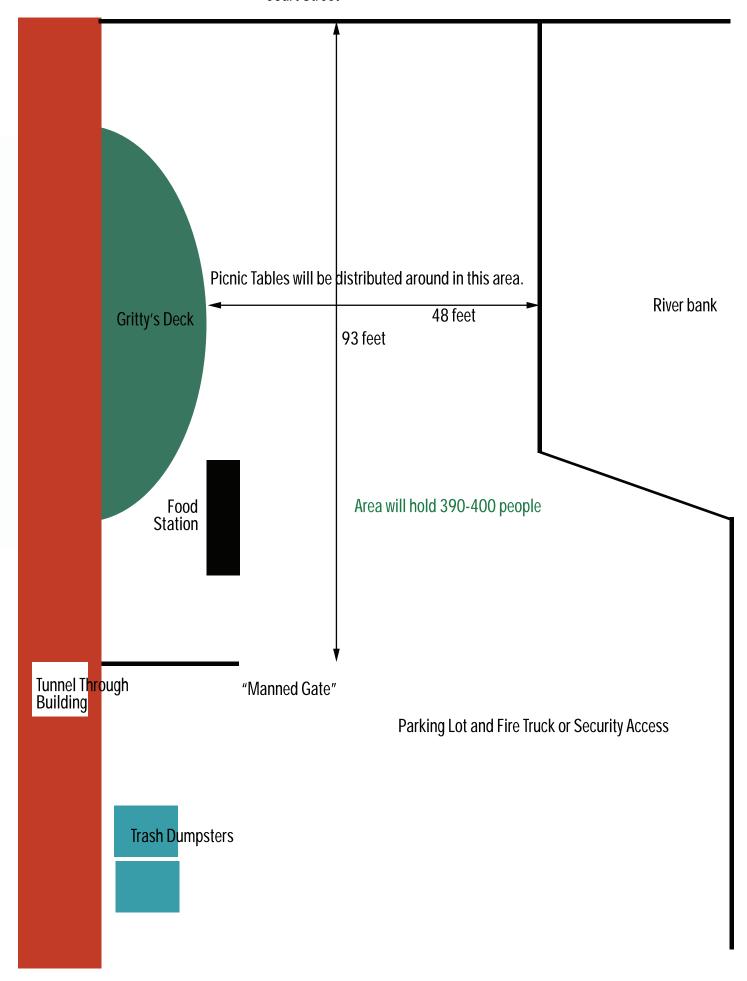

- We would set-up the tables and a BBQ station in the area behind the Pub. (As shown on attached diagram.)
- No port-a-potties will be needed because our establishment has rest room facilities.
- No portable bars would be outdoors although wait staff from Gritty's would take food orders
 from event participants who are sitting at the picnic tables located in the area shown on the
 diagram.

Ms. Magno, your prompt response to this request would be appreciated because there is planning that we have to do if you grant our request. Thank you for considering our request and we look forward to hearing from you soon. If you have any questions or concerns, please feel free to contact me or Walter Crites at our corporate offices. Our office number is 772-2739 X104.

Re: Club Texas Liquor License Application & Special Amusement Permit Public Hearing

We have requested a public hearing regarding the renewal of Club Texas's Liquor License and Special Amusement Permit. We have several areas of concern that we would like to share with the Council. We have seen a substantial rise in the calls for service to the business over the last year as compared to the year before.

We have also seen an increase in the number of OUI arrests in the Center St area as well as arrests who were identified as drinking at Club Texas prior to the arrest.

We have identified the over serving of liquor as the underlying cause of the increases shown in the yearly comparison. On June 9th, Deputy Chief Moen, Lt. Watkins and County Alcohol Investigator Rob Ulrich met with the management team of Club Texas, including owners Jim & Rhonda Hart.

We reviewed our concerns with them and they have developed a work plan to reduce these types of incidents, which include additional staff, alcohol server/seller training for all staff, and signage prohibiting the wearing of gang colors. We have reviewed the work plan and believe that it is sufficient at this time.

We have established a working relationship with the business and based on their willingness to work together with us to reduce these problems; I am recommending that the City Council approve the Liquor License and issue a six-month conditional Special Amusement Permit. This will allow an opportunity for their work plan to address these problems. During this time period, we will be monitoring calls for service and also meeting regularly with the business to review the results of the work plan on a regular basis.
