Question: Medicine Take-Back - What happens to the meds?

Answer: Destroyed in a waste-to-energy facility like ours

Come tour our waste-to-energy facility in Auburn, owned by Auburn and 11 area municipalities, with Lewiston as our Ash-for-Trash associate partner. We safely process local trash and convert it into electricity and an inert ash, and reduce landfill needs by 90%.

Tours are scheduled for Saturday, May 4, from 10 AM to Noon.

Pre-registration is required. Note: Children below the 7th grade are not allowed in the plant but can visit other areas of the facility.

Visit the plant and have a chance to win a Backyard Composter.

To register, or for more information, go to: midmainewaste@midmainewaste.com or call 783-8805 x0

Directions

Take Hotel Road, Rodman Road or Minot Avenue to Poland Road. Take Poland Road to Goldthwaite Road (1 block from the intersection of Poland and Hotel). Follow Goldthwaite to the end of the road. Follow signs for parking.
