AUBURN SCHEDULES COMMUNITY MEETING TO IMPROVE
NEIGHBORHOODS

AUBURN, ME. – The City of Auburn is developing a neighborhood revitalization strategy for the Downtown, New Auburn and Union Street areas. Much of the strategy will be drawn from work the City has already completed, but the City would also like ideas and input from its citizens. In an effort to connect, the City will be hosting a community meeting at Auburn Hall on Tuesday, August 4, 2015 at 6:00 PM for community members to share their ideas and suggestions regarding neighborhood improvements.

“Mark Eyerman of Planning Decisions will be facilitating the meeting. Mark will talk about the City’s existing plans to improve the downtown neighborhoods. We want to understand how the Downtown, New Auburn, and the Union Street areas can be improved and what the City should be doing to make Auburn’s older neighborhoods better,” said Reine Mynahan, Community Development Director.

If you have questions about the revitalization plan or want more information about the community meeting, please contact Reine Mynahan at 333-6601 ext. 1330 or email rmynahan@auburnmaine.gov.
