

# Notice of PUBLIC MEETING

TO DISCUSS

## HAMPSHIRE STREET

RECONSTRUCTION AND BEAUTIFICATION

THURSDAY, SEPTEMBER 8, 2016  
AT 5:00 P.M.

AT AUBURN PAL CENTER  
LOCATED AT 24 CHESTNUT STREET, AUBURN ME

Please join the City of Auburn for a public meeting to discuss the reconstruction of Hampshire Street from the intersection of Gamage Avenue to the intersection of Turner Street. Work will include roadway improvements with new pavement, drainage, curbing and sidewalks and will also include beautification enhancements with landscaping and pedestrian scale lighting.

Representatives of the City of Auburn (City) will be present on Thursday, September 8, 2016 at 5:00 p.m. to present the preliminary recommendations for the project, listen to concerns, receive comments, and answer questions from anyone with an interest in the project. The City is particularly interested in gaining feedback from the public on ideas and suggestions for making Hampshire Street a more inviting and pedestrian friendly environment. Anyone with an interest is invited to attend and participate in the meeting.

Any inquiries regarding this project may be directed to the attention of Tony Beaulieu, PE, City Engineer, City of Auburn, 60 Court Street, Auburn, Maine 04210. Telephone: 207.333.6601 X1140.
