The objective is to provide time for the staff, the Board and the public to have a reasonable time period to review and analyze all the material. No information, plan, report or the like may be submitted on the day of or at the public hearing unless approved by the Planning Board. ,.

The staff shall post all meeting materials including the agenda, draft minutes, the staff report, and all application materials, on the City of Auburn/Planning Board web site by the close of business on the Friday preceding the hearing. Applications shall be available for inspection in the offices of the Planning and Permitting Department during business hours.

Similarly, if members of the public have prepared written material or reports about a petition or application in a compatible electronic format, they should coordinate with the staff in order for it to be included in the meeting material to be posted.

These Policies and Procedures will be posted on the City’s website so that the applicant/petitioner and the public will be aware how the hearing will be conducted.

**G. Conduct at the Public Hearing**

**1. Status of Board Members:**

Any regular Board member may want to recuse him/her self from acting on the application/petition because of a conflict of interest or personal reason. Any member who does shall surrender his/her seat and either leave the chamber or sit in the back of the room. Such member shall not communicate with other members of the Board who are acting on an application/petition and shall not address the Board if they are a party at interest who is potentially affected by the application/petition.

In the case where a member does not have a conflict of interest, as defined by (Maine Revised Statutes, Title 1, Chapter 25 and M,R.S.A. Section 2605, Chapter 30-A, Conflict of Interest and Auburn Code of Ordinances-, Chapter 2, Administration, Article III, Officers and Employees, Division 2, Ethics and Conflicts of Interest) but believes he/she may have the appearance of a conflict, the member shall state the situation and the remaining regular members of the Board shall vote whether they believe a conflict does exist and the member should sit or not.

One Associate member shall be selected to hear and act upon the application/petition for each regular member who is absent or recuses him/her self. Sitting in a public hearing shall be alternated between the two Associate members.

In the case where a hearing is continued to a subsequent meeting and all of the members who sat on the original hearing are not present, a regular member who was absent at the earlier hearing may sit on the continued meeting provided he/she certifies that he/she has familiarized themselves with the testimony and proceedings of the previous hearing.

**2. Staff Report:**

A member of the staff shall present the report prepared by the staff or any other relevant information. Board members may ask questions and seek clarification of the application/petition, potential impacts of the development, if approved, provisions of the Zoning Ordinance or of other applicable regulations and laws. It is not appropriate, at this time, for Board members to comment on the merits of the application/petition and whether it should be approved or not. Those comments should be reserved until after the presentation by the applicant and testimony given by the public. The

Staff Report will also contain draft motions and findings for either approval or disapproval.

**3. Presentation by the Petitioner/Applicant-**

After the presentation of the staff report and questions about it from the Board, the applicant shall make the case for approval of the application or petition and any analysis of the potential impacts of the proposed development. The applicant shall be prepared to respond to questions from the Board or the staff.

In the case of a petition to amend the Zoning Ordinance or the Zoning Map, everyone should be aware that the potential impacts are not limited to the property of the petitioner but would be applicable to all properties in the city in the same zoning district classification. Similarly everyone should be aware that approval of the petition does not limit the extent of development to a specific proposal described by the petitioner. A change of zoning district designation, or the text of the Zoning Ordinance, entitles the petitioner, or all property owners in the same zoning district classification elsewhere in the city to the full development potential described for that zoning district classification. Other uses or a more intensive development, different than a petitioner's specific proposal, may be authorized in that zoning district classification.

**4. Public Participation and Comments:**

A public hearing is an open meeting as described in (M.R.S.A., Title 1, Section 403 and Auburn Code of Ordinances-, Chapter 2 – Administration, Article V, Boards, Commissions and Committees, Divisions 4, Planning Board). The public is entitled to listen to the proceedings. The public is invited to participate in the proceedings at times designated herein. An open meeting does not mean the public is allowed to participate in an ongoing dialogue with the Board or the staff throughout the meeting. Any person may speak; it is not limited to nearby neighbors or to residents of Auburn. Any person who speaks may support, or oppose the application/petition or ask questions of the staff, the Board or the applicant.

The applicant, any member of the public, or any public official addressing the Board shall use the microphones in the chamber. They shall first give their name and address and if representing and speaking in behalf of another party shall so state. All public hearings are recorded to be available for the record. If a person does not use the microphone their comments may not be recorded.

Any member of the public or any public official addressing the Board shall be limited in speaking to five minutes. At the Chair's discretion, an additional five minutes may be granted. A speaker should not repeat, at length, arguments or points made by previous speakers. They should briefly state their agreement or support for those positions. Reading of prepared speeches is not encouraged. The Board welcomes submittal of prepared written statements that will be included in the record.

This part of the hearing is not intended to be a debate, dialogue or rebuttal between the speaker and the Board or staff. Primarily the Board will listen to the testimony but may ask questions of the speaker for clarification of his/her position.

Speakers will be recognized in the order in which they come forward. The hearing is not arranged to hear all of the proponents and then all of the opponents, or vice versa.

It is not the practice of the Board to take a poll of those in favor and those opposed. The number of people with a particular position is not a factor; the strength of their arguments is what matters.

In the interests of an orderly public hearing all persons speaking shall seek recognition from the chair and shall not speak directly to Board members, staff or other members of the public except as the Chair may direct. Board members and staff shall also seek recognition from the chair before speaking to other persons.

The objective of the hearing is to hear testimony. There will be time for dialogue and debate on the merits of the application/petition by the Planning Board later. After all persons who want to speak have done so, the Board will move to close the public comment part of the hearing. After that motion discussion will be limited to Board members and staff.

**5. Discussion, Action by the Board:**

After the presentation by the applicant and public comment, the Chair will call for a general discussion among the Board to gauge their perspective on the application/petition. Members may, through the chair, direct a question to the applicant for clarification. Also, members may think the application/petition might be acceptable if subjected to certain limiting conditions. Through the chair, the member may ask the applicant whether such condition is acceptable.

After general discussion, if it appears there is a consensus, a motion will be in order. After a motion is made and seconded, there will be discussion on the specific motion. Other members may suggest amendment to the original motion and ask the maker of the motion if it is acceptable.

Following parliamentary procedure the Board will decide, by vote, whether to approve, with or without conditions, disapprove or defer action on the application/petition. The vote of the Board on the motion constitutes the decision of the Board and for determining the timing of subsequent actions, such as appeals.

After the vote is taken and the decision made, the Chair shall announce that the applicant will receive written record of the decision within 5 working days of the decision, which shall also be posted on the City's website.

## **ARTICLE IX. Jurisdiction and Duties**

- A. The jurisdiction and duties of the Planning Board shall be defined in the City of Auburn Code of Ordinances under Chapter 2, Article V, Division 4, Section 2-475.

## **ARTICLE IX. Amendments**

These Policies and Procedures may be amended by a majority vote of the membership of the Planning Board present, to include both Regular and Associate members of the Board, provided that a quorum, consisting of five members is met. An affirmative vote by at least five members shall be necessary to authorize any action to amend the By-Laws.

The Planning Board will review these Policies and Procedures every two years at its annual meeting in February.

**\* Disclaimer:** These Policies and Procedures are for the benefit of the Auburn Planning Board, applicants seeking Planning Board action, and the general public. Any conflict between the Auburn Planning Board's Policies and Procedures and State or Local laws shall be superseded by State or Local law.
