RE: Planning Board Notification of Street Discontinuance

---

A proposed development in the Troy Street area will be considered by the Planning Board at your December 12, 2017 meeting. One component of this development is a proposed Discontinuance of Troy Street between Hampshire Street and Troy Street. The Staff will be making a full presentation of that project at that meeting.

One of the required steps found in State Law for the Discontinuance of Municipal Streets is for the Planning Board to be notified. Please consider this memo to be that required notification.
