FOR IMMEDIATE PRESS RELEASE

November 7, 2013

SOUTH AUBURN BURGLARY ALERT

The Auburn Police Department is investigating a string of daytime burglaries that have occurred in the South Auburn area in the last week. Seven residences have been broken into with jewelry and electronics as the main targets for the thieves.

The burglaries have been taking place during the daytime when people are not home. The thieves are forcing their way in thru locked doors. We are asking that people in the South Auburn area have a heightened awareness for what is happening in their neighborhood and look out for their neighbors.

People are being asked to call the police department if they seen suspicious people in their neighborhood or if they see an unknown car parked in a neighbor's driveway during daytime hours when the homeowner's typically aren't home.

If we develop suspect information in this investigation, we will send out an update.
