### AUBURN PUBLIC SERVICES CONTRACTS WITH PINE TREE WASTE FOR RECYCLING

AUBURN, ME. – The City of Auburn has contracted with Pine Tree Waste, Inc. for the collection of recyclables beginning August 4, 2014. Pine Tree Waste is also currently contracted with the City for the collection of curbside solid waste.

The current recycling schedule will remain the same. The only marked difference will be the style of truck that will be used to collect the recyclables. Pine Tree Waste will be collecting recyclable materials in a packer truck, the same style that collects solid waste. Residents can be assured that the materials are being recycled, regardless of the style of truck used to collect them.

For additional information regarding the Recycling Program, residents may contact Auburn Public Services Planner, Jaclyn Beebe at [jbeebe@auburnmaine.gov](mailto:jbeebe@auburnmaine.gov).
