Building Use Priority: Auburn Recreation's facilities will follow the building use priority list when it comes to scheduling and renting out facilities:

1. Recreation Programs (priority will be given to programs and activities that are designed for a specific area i.e. basketball in the gym will take priority over a group meeting). These programs are 100% organized and ran through the Recreation Department. Example; Youth Football, Adult Slow Pitch League, Senior Trip.
2. Co-Sponsored Programs are any programs that are organized and programmed at least 50% through the Recreation Department and 50% with an instructor, organization, or local team where the funds and registrations are being collected by the Recreation Dept. Also in this category will be any City Sponsored Dept. program. Examples include Challenger Soccer, Line Dancing, LA Swish, RAD with the Auburn Police Dept.
3. Any local (Auburn area) community group, organization, team looking to rent the facility and is not offered through the Recreation Dept. Example would be Margaret Murphy Center, Local Home School group, LAYSA, Babe Ruth, Legion Baseball.
4. Any other external group, organization, or team that are looking to rent the facility for a NON-COMPETING activity or program. The Recreation Director will have the final decision on determining what is considered a competing and non-competing program.
