

Auburn School Committee/City Council Joint Workshop

Agenda

October 19, 2016 5:30 PM

I. Introductions

II. School Construction Process

- Scott Brown, DOE representative, will walk the group through the State Building Construction Process. He will explain the role of the School Committee and the role of the City Council at different points in the timeline and answers any questions.

III. Building Committee Charge

- Katy Grondin, Superintendent of Schools, will review the Building Committee Charge that has been reviewed by Tom Kendall, School Committee Chair, Mayor Labonte and Acting City Manager, Denis D'Auteuil. Included will be the Building Committee selection process, an overview of architect selection process and the role of subcommittees.
