

Taylor Pond Property Inspections

The Assessing Department is continuing property inspections of waterfront properties on Taylor Pond. Many of you attended the public meetings or have heard about our efforts. We are grateful to the property owners who have invited us into their homes for an inspection. We are closing in on our goal to visit all properties.

Going forward we will continue to visit specific streets on Taylor Pond. We will continue our property inspections until complete; this may include callbacks and second inspections if necessary. **To date we have visited 167 properties.**

If you have any questions about the upcoming inspections, contact the Assessing Department at (207) 333-6601 extension 1114 or by email: kdoustout@auburnmaine.gov
