First payment is due on September 15, 2016 and the final payment will be due on or before April 15, 2017.

The budget agreement requires you to make monthly/quarterly payments by the fifteenth of the month. Monthly payments will be divided into eight (8) equal installments starting September 15, 2016 and the final payment will be due on or before **April 15, 2017**. Quarterly payments will be due September 15, 2016; November 15, 2016; January 15, 2017 and the final payment will be due on or before **April 15, 2017**. According to this agreement we will not charge interest on unpaid taxes (past the due dates) nor will we pay interest on any advanced payments. Failure to make your monthly/quarterly payment will result in a delinquent notice, interest will be charged and a lien filed on the property.

It is imperative to have your last payment in house on or before April 15, 2017. This last payment is extremely important to have paid on time as the City of Auburn starts the lien process the first of May. Having an unpaid balance could result in a lien being created on your property.

If you wish to participate in the budget plan please sign this agreement and return it to City of Auburn, Tax Office, 60 Court St., Auburn, ME 04210.
