2021 MPI Gracelawn Road Project
February 23, 2021

This addendum amends and /or supplements the bid documents as indicated below. Only these items alter the bid documents. Any verbal discussions or responses are hereby declared null and void. Please acknowledge this addendum on the Bid Form.

Clarifications to the Bid Documents:

The following changes have been made to the Bid Documents:

Question: Will the paved island at the intersection of Mount Auburn Avenue be removed?

Answer: The intention is to leave the Type 5 granite curb in place and remove the pavement from both the roadway and the island and replace with new HMA. Roadway to receive 5" buildup and island to receive 2" 9.5mm HMA. If existing pavement exceeds 5", roadway shall be shimmed with Type A gravel and paid under Item 304.14 Aggregate Base Course Type A. Pavement and bituminous curb removal will be paid under Item 202.20 Remove Bituminous Concrete Surface.

Question: The Common Excavation item states pavement removal is incidental. Please clarify.

Answer: Page 16 of 46 of the bid documents, Section 203 Description, delete "This item includes pavement removal and bituminous curbing removal." Pavement and curbing removal will be paid under item 202.20 Remove Bituminous Concrete Surface.

Question: Is pavement removal for the box cut area included in Item 202.20?

Answer: Yes, all pavement removal including box cut, intersection @ Mount Auburn Avenue, traffic island and driveways will be paid under Item 202.20.

Question: Will grubbing under new proposed sections be paid under common excavation?

Answer: If grubbing is required under new proposed sections than it will be paid under Item 203.20 Common Excavation.
