WO 4166

City of Auburn
Mechanics Row Garage Phase 4 Repairs – Addendum 1

Item #1 Revised Schedule: Because this project lands on each side of the City of Auburn’s fiscal year, work must start by June 4th and the project is to be completed by August 15th.

Item #2 Questions: All questions are to be submitted to Josh Martin-McNaughton, Becker Structural Engineers at JMartinMcNaughton@beckerstructural.com, by 5 P.M., Monday February 5th.

Item #3 Specifications: Specification section “07180 Traffic Membrane” is to be removed from the bid package.

Receipt of **Addendum No. 1** to the City of Auburn’s Bid #2018-019, Mechanics Row Parking Garage Phase 4 Repairs is hereby acknowledged. This signed addendum must be included with the bid.
