Three of the committee members were on both committees.

Minutes:

Review the meeting minutes of July 13, 2015

Motion: by Rick Whiting to approve the minutes of the meeting on July 14, 2015.

2nd by Larry Pelletier

Vote: 7-0-0 in favor, motion carried.

Discussion:

Review of Accomplishments of Annual Plan and 5 year Consolidated Plan Outcomes:

Reine Mynahan reviewed the draft Consolidated Annual Performance and Evaluation Report.

Comments:

Plan has been a good balance of helping people and businesses/buildings.

PAL Diversion Program has been successful in reducing crime in that neighborhood.

Targets for the programs show success. Committee members expressed satisfaction that the majority of goals were achieved. The committee was appreciative that projected outcomes had not been understated in the 2010-15 Consolidated Plan for fear that outputs would not be achieved.

Adjournment

Respectfully submitted,

Reine Mynahan
