

PUBLIC MEETING
citylink BUS SHELTERS

Wednesday, April 29, 2015

Auburn Hall

2:00 PM

Community Room, 2nd Floor

Lewiston Public Library

6:00 PM

Couture Conference Room, 1st Floor

The Lewiston-Auburn Transit Committee (LATC) is providing two opportunities to receive public input on identifying potential bus shelter locations for the citylink bus service.

LATC is looking to relocate existing bus shelters and identify key locations for new shelters. Bus shelter locations will need to be safe, accessible, in a public right-of-way or authorized private property, and have a high level of demand.

Accommodations will be made for persons with disabilities. Auxiliary aids will be provided upon advance request.

Any inquiries regarding this project may be directed to the attention of Marsha Bennett, Transit Coordinator, Androscoggin Valley Council of Governments, 125 Manley Road, Auburn, Maine 04210. Telephone (207) 783-9186.
