- **Recreation Facilities – Needs Assessment**

In conjunction with the planning phase of a new High School, the City will be undertaking a recreation needs assessment. This assessment will seek to outline what recreation facilities are available city-wide, what activities and scheduling are taking place, and assess the needs/demand of the community.

- **2013 Public Service Application**

The department has submitted a request for \$25,000 in funding for financial aid assistance to low income families. These funds will assist 125 children from approximately 75 families to participate in recreation programming.

Documentation is needed from the Advisory board which authorizes the department to submit the funding request. Documentation is also needed authorizing the Director to negotiate for and contractually bind the organization.
