ORDER 67-05132019

Ordered that the Auburn City Council hereby adopts and approves the following School Budget articles for Fiscal Year 2019-2020

2. That \$ 10,597,542 be authorized to be expended for Special Education;
3. That \$-0- be authorized to be expended for Career and Technical Education;
4. That \$ 834,264 be authorized to be expended for Other Instruction;
5. That \$ 4,894,395 be authorized to be expended for Student and Staff Support;
6. That \$ 965,499 be authorized to be expended for System Administration;
7. That \$ 1,525,475 be authorized to be expended for School Administration;
8. That \$1,822,093 be authorized to be expended for Transportation and Buses;
9. That \$5,134,574 be authorized to be expended for Facilities Maintenance;
10. That \$ 742,768 be authorized to be expended for Debt Service and Other Commitments;
11. That \$ 39,260 be authorized to be expended for All Other Expenditures;
12. That \$ 42,001,875 be appropriated for the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and that \$16,355,070 be raised as the municipality's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688;

Explanation: *The city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.*

Robert P. Hayes, Ward Two
Andrew D. Titus, Ward Three
Alfreda M. Fournier, Ward Four

Leroy G. Walker, Ward Five
Belinda A. Gerry, At Large

Jason J. Levesque, Mayor

13. That \$140,835 be raised and appropriated for the annual payments on debt service previously approved by the city's legislative body for non-state-funded school construction projects or non-state-funded portions of school construction projects, in addition to the funds appropriated as the local share of the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with Maine Revised Statutes, Title 20-A, Section 15690 (2A) ;

***Explanation:** Non-state-funded debt service is the amount of money needed for the annual payments on the city's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters or other legislative body.*

14. That \$1,210,952 be raised and appropriated in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$1,210,952, as required to fund the budget recommended by the School Committee.

The School Committee recommends \$1,210,952, which exceeds the State's Essential Programs and Services allocation model by \$1,210,952. The School Committee gives the following reasons for exceeding the State's Essential Programs and Services funding model:

The Essential Programs and Services funding model does not recognize all of the costs of special education services, transportation services, instructional services, co-curricular services and other services that the School Department provides.

***Explanation:** The additional local funds are those locally raised funds over and above the city's local contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state-funded debt service that will help achieve the school department budget for educational programs.*

15. That the school committee be authorized to expend \$44,955,256 for the fiscal year beginning July 1, 2019 and ending June 30, 2020 from the city's contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, fund balances, state subsidy and other receipts for the support of schools;

16. That the City of Auburn appropriate \$382,181 for Adult Education and raise \$190,404.00 as the local share, with authorization to expend any additional, incidental or miscellaneous receipts in the interest and for the well-being of the adult education program.

Robert P. Hayes, Ward Two
Andrew D. Titus, Ward Three
Alfreda M. Fournier, Ward Four

Leroy G. Walker, Ward Five
Belinda A. Gerry, At Large
David C. Young, At Large

Jason J. Levesque, Mayor

17. That in addition to amounts approved in the preceding articles, the School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs or other sources do not require the expenditure of other funds not previously appropriated.

ORDER 77-06242019

ORDERED, that the Auburn City Council hereby adopts the purpose, composition, terms, and outcomes of a Recycling Ad-hoc Committee below.

Recycling Ad-hoc Committee

The mission of the Recycling Committee is to study, recommend, and report on programs/models being implemented in response to the changing marketplace. Our goal is to have both the residential and commercial community conscious of recycling and related issues that affect the quality of life in Auburn.

Recycling in the broad sense is the reuse or extension of usable life of materials that have fulfilled the purpose of original manufacture or possession. Recycled materials may be remanufactured into new or different materials, renovated to their original purpose or reused in their current configuration via change in ownership. Recycling may parallel waste removal but is the opposite of waste disposal as recycled materials are removed from the waste stream to begin a new economic life.

For these reasons, the Auburn City Council has created a Recycling Ad-hoc Committee. This Committee, composed of six Auburn residents and one city councilor, appointed by the City Council for a six-month term with the option to expand the term an additional six-months, shall conduct a minimum of six scheduled public meetings and shall:

1. Identify the key impacts of the current recycling program;
2. Compare the current model with different models we could adopt;
3. Identify our current costs for recycling and compare with other municipalities which have adapted to the changing market; and
4. Create a public education and awareness campaign for the recommended changes.

The Recycling Committee is encouraged to include content experts to attend and participate in the meetings to ensure the most recent information pertaining to recycling is being considered. The Recycling Committee shall provide the City Council with one status report in September 2019 and a final report in December 2019 of the studies, reports, activities, and recommendations to the City Council.
