

Lewiston Auburn Community Forest Board Meeting

Thursday, September 21, 2017

7:00 pm

Lewiston Public Works Conference Room

Call to order

1. Review and approve last meeting minutes
2. Public Session-“Members of the public are invited to speak to the board about any issue directly related to LACFB business which is not on the agenda. Please be succinct and speak for no more than five minutes. The board will not respond to your issue at this time. If necessary, we will refer your name to the appropriate city department or add the item to a future board agenda.
3. Jordan Tate will review the latest Auburn Conservation Commission actions.
4. The second Auburn Tree Inventory grant has been received and Dave Griswold will give us an update.
5. The Tree Nursery at the Lake Auburn needs some work done. Rick has mowed the field and weed wacked about fifty of the tree mounds. More needs to be done. Doug Boyd also has a dozen small trees to plant on the mounds where the first trees died.
6. Finish “Accomplishments of Community Forest Board” and take a look at “Strategic Priority Goals 2015-2020” with the idea of deciding what we will tackle next. Please bring your copy to the meeting.
6. New business/old Business
7. Adjourn
