(At 6:00 p.m. a Joint City Council Workshop will be held with the Lewiston City Council for the purpose receiving inter-governmental agency budgets)

Executive Sessions: On occasion, the City Council discusses matters which are required or allowed by State law to be considered in executive session. Executive sessions are not open to the public. The matters that are discussed in executive session are required to be kept confidential until they become a matter of public discussion. In order to go into executive session, a Councilor must make a motion in public. The motion must be recorded, and 3/5 of the members of the Council must vote to go into executive session. An executive session is not required to be scheduled in advance as an agenda item, although when it is known at the time that the agenda is finalized, it will be listed on the agenda.

The only topics which may be discussed in executive session are those that fall within one of the categories set forth in Title 1 M.R.S.A. Section 405. Those applicable to municipal government are:

1. Discussion of personnel issues
2. Discussion or consideration of the condition, acquisition, or the use of real or personal property or economic development if premature disclosure of the information would prejudice the competitive or bargaining position of the body or agency.
3. Discussion of labor contracts and proposals and meetings between a public agency and its negotiators.
4. Consultations between a body or agency and its attorney
5. Discussion of information contained in records made, maintained or received by a body or agency when access by the general public to those records is prohibited by statute.
6. Discussion or approval of the content of examinations administered by a body or agency for licensing, permitting or employment purposes
7. Consultations between municipal officers and a code enforcement officer relating to enforcement matter pending in District Court.

Agenda Information Sheet

Council Meeting Date 4/12/2010 **Agenda Item No.** 1

SUBJECT:

RESOLVE – SPRING CLEAN-UP 2010

INFORMATION:

This item is by City Council request. The City’s Spring Clean-up this year is scheduled for the week of May 3rd. We will conduct the program the same as in past years, only we are limiting the amount of brush we pick up so that it’s reasonable. Also, due to Lewiston cancelling its Spring Clean-up, we are notifying Police Officers to be watchful for those who might bring materials from outside of Auburn to our curbsides. We also will be reasonably enforcing our “picking” ordinance so that we do not compound our illegal junkyard problems throughout the City – we have 24 known illegal junkyards that will most likely cost the City thousands of dollars. No overtime will be paid for any enforcement; and all enforcement will be reasonable, rather than strict or severe.
