Public Services

- Public Services crews assisted emergency personnel due to an accident on Old Danville Road, a home heating oil truck rolled on its side. The crews provided road closure signs, a truck with clean sand to contain the oil as well as other emergency items need.
- Public Services crews were busy putting up the necessary road posting signs on Broad St., Rodman Rd. (South area), as well as continuing to replace and or fixing faded and damaged signs under the new regulations.
- Crews continue to focus on the mandatory Bureau of Labor Standard hearing test requirements.
- Fleet have been working hard on keeping the trucks up and running making them safe for the road.
- Crews were out inspection their districts to check for any road defects, potholes, missing or damaged signs, as well as any other noticeable signs of upcoming issues.
- Many roads throughout the City are beginning to show signs of spring with frost heaves and, unfortunately, pot holes. Crews were out on Garfield Road., Hotel Road, Pettengill Park and South Main Street, posting frost heave signs and filling with sand and filling pot holes.
- Crews were busy loading trucks, keeping the calcium tank and salt shed filled and cleaned.
- Second shift crew took down the ice rink at Festival Plaza.
- Crews began with litter patrol around the Mall Area and Washington Street Area.
- Crews were directed to pick up a few items left on the side of the road one being a refrigerator with the doors on which could cause a serious problem should a child find it and play in it. Other items picked up were trash bags, dresser, T.V.
- The arborist crew performed tree evaluations at 10 Dunham Avenue, 54 Hillsdale Drive, Valview Drive,
