A portrait of Ashley Kirklen, a Black woman with long, dark hair, smiling warmly. She is wearing a bright pink top and a small gold earring. The background is a dark blue gradient.

# Ashley Kirklen

Emcee, WLWT Anchor,

Leadercast 2023 Host

Ashley Kirklen is an anchor and reporter for WLWT News 5 in Cincinnati. Previously, Ashley worked in Georgia and Michigan, and before her journalism career, she taught English in South Korea. Ms. Kirklen is a proud Graduate of Indiana University, where she earned her Bachelor of Arts in Communications and is a member of the National Association of Black Journalists.

A close-up portrait of Andy Stanley, a middle-aged man with short, light brown hair and green eyes, smiling warmly. He is wearing a light blue button-down shirt. The background is a solid dark blue color.

# Andy Stanley

Best Selling Author, Pastor, and  
Founder of North Point Ministries

Communicator, author, and pastor Andy Stanley founded Atlanta-based North Point Ministries (NPM) in 1995. Each month, more than 10.5 million of his messages, leadership videos, YouTube videos, and podcasts are accessed online. He is the author of more than 20 books and loves engaging with live audiences, which he has pursued for over three decades at leadership events around the world. Andy holds an undergraduate degree in journalism from Georgia State University and a master's degree from Dallas Theological Seminary.

A portrait of Dr. Radhika Dirks, a woman with long, dark, wavy hair, looking slightly to the right. She is wearing a white top with a lace-up detail. The background is a dark blue gradient.

# Dr. Radhika Dirks

Artificial Intelligence Expert, Co-founder  
of Seldn & XLabs

Radhika is an Artificial Intelligence Expert. She has been named one of Forbes' 30 Women in AI to Watch and one of Deloitte's top women in the AI world. Radhika co-founded Seldn, an AI start-up that accurately predicted the rise of ISIS. As CEO and co-founder of XLabs, a moonshot factory for AI innovation, she is working on solving huge problems—like getting closer to the cure for cancer.

A portrait of Joe Boyd, a man with short dark hair, a beard, and light-colored eyes, wearing a dark blue shirt. He is looking directly at the camera with a slight smile. The background is a solid dark blue color.

# Joe Boyd

CEO and Managing Partner, Leadercast

Leadercast CEO Joe Boyd is a storyteller and entrepreneur. Before Leadercast, Joe led a highly successful creative agency and production company, Boonrise, that assisted organizations in establishing story-driven cultures. Through Boonrise, Boyd was able to shape the culture of multiple Fortune 500 companies. He is passionate about leadership development and speaks on improvisational leadership, story-driven living, and embracing failure.

A close-up portrait of Eddie Ndopu, a man with short dark hair, a mustache, and glasses, wearing a suit and tie. He is looking slightly to the left with a gentle smile. The background is a solid blue color.

# Eddie Ndopu

A Global Changer, UN Disability

Rights Advocate

Edward (Eddie) Ndopu wasn't expected to live past the age of five. But now he is an award-winning, internationally acclaimed South African disabled humanitarian working with the UN. Ndopu is a beacon of hope and possibility for the one billion people living with disabilities worldwide. Eddie believes, "Leaving no one behind means giving way for the most vulnerable segments of society to move from the back of the line to the front so they can lead."

A portrait of Stephanie Chung, a woman with short, styled brown hair, smiling warmly. She is wearing a blue top and a thin necklace. The background is a dark blue gradient.

# Stephanie Chung

Global Brand Ambassador, Wheels Up

Stephanie Chung is a widely recognized trailblazer in the aviation industry. After working her way up through various roles at USAir, Delta, Bombardier, Flexjet, and JetSuite, she made history. Stephanie became the first African American and the second female president of a major private aviation company. Later, as the founding Chief Growth Officer at Wheels Up, she found creative ways to generate revenue through new client acquisitions and growing a diverse membership base.

A portrait of Jeremie Kubicek, a man with a beard and mustache, wearing a blue plaid blazer over a dark blue shirt. He is smiling slightly and looking directly at the camera. The background is a solid dark blue color.

# Jeremie Kubicek

Best Selling Author, Leadership Expert

& Co-Founder of GiANT

Jeremie is the Executive Chairman of GiANT, which certifies coaches to serve companies and their employees. Before founding GiANT and Leadercast (and writing numerous books), Jeremie had one of those near-death experiences you see in the movies. It led him on a journey to discover that leadership starts with knowing and leading yourself. Once you lead yourself well, you can lead others. His new book, *The Peace Index*, was released in October 2022.

A portrait of Erica Keswin, a woman with long, wavy brown hair, wearing tortoiseshell glasses and smiling. The background is a dark blue gradient. A green bar is at the top of the page.

# Erica Keswin

Workplace Strategist, Bring Your  
Human to Work Author

Erica is a workplace strategist who has worked for the past twenty years with some of the most iconic brands in the world as a consultant, speaker, author, and professional dot-connector. Her bestselling book, *Bring Your Human to Work*, distills the critical practices of the most human companies into practical advice that any business leader can use to build a “human workplace.”

A close-up portrait of Dr. Henry Cloud, a middle-aged man with dark hair and a friendly smile, wearing a dark suit jacket over a light-colored shirt. The background is a solid blue color.

# Dr. Henry Cloud

Leadership Expert, Clinical Psychologist,  
& Bestselling Author

Dr. Henry Cloud is an acclaimed leadership expert, clinical psychologist, and New York Times bestselling author. Henry consults with CEOs and teams to improve performance, leadership skills, and culture. His 45 books, including the iconic *Boundaries*, have sold nearly 20 million copies worldwide. In his new book, *Trust*, Dr. Cloud explores the five foundational aspects of trust that must be present for relationships to function successfully and helps us understand how to implement them.
