Financial Services

TO: Peter Crichton, City Manager

FROM: Jill Eastman, Finance Director

REF: November 2018 Financial Report

DATE: December 10, 2018

The following is a discussion regarding the significant variances found in the City's November financial report. Please note that although the monthly financial report contains amounts reported by the School Department, this discussion is limited to the City's financial results and does not attempt to explain any variances for the School Department.

The City has completed its fifth month of the current fiscal year. As a guideline for tracking purposes, revenues and expenditures should amount to approximately 41.7% of the annual budget. However, not all costs and revenues are distributed evenly throughout the year; individual line items can vary based upon cyclical activity.

Revenues

Revenues collected through November 30th, including the school department were \$39,124,427, or 45.12%, of the budget. The municipal revenues including property taxes were \$30,527,564, or 50.03% of the budget which is more than last year by 1.02% or \$1,257,422. The accounts listed below are noteworthy.

- A. Excise tax for the month of November is at 45.77%. This is a \$30,916 increase from FY 18. Our excise revenues for FY 19 are 4.1% above projections as of November 30, 2018.
- B. State Revenue Sharing for the month of November is 42.86% or \$724,171. This is an increase of \$78,415 from last November.
- C. Property Tax revenues are at 51.54% of the total budget, which is 1.12% more than last year at this time.

Expenditures

City expenditures through November 2018 were \$20,648,309 or 47.99%, of the budget. This is 1.32% more than the same period last year. Noteworthy variances are:

- A. Debt Service is higher than last year by \$315,406.
- B. Public Works is more than last year by \$306,159, primarily due to an increase in overtime for winter road maintenance, road salt and gravel accounts.
- C. LA911 is more than last year by \$468,331, due to the timing of annual subsidy payments.

Investments

This section contains an investment schedule as of November 30th. Currently the City's funds are earning an average interest rate of 1.77%.

Respectfully submitted,

Jum Castman
