### City of Auburn Salesforce Developer

The Auburn Community Development Office (ACDO) is providing an excellent opportunity for a person to join the ACDO team in helping shape their future success in a very visible way. The ideal candidate will help develop, integrate, and support a variety of services using the Salesforce platform that adhere to best practices. This includes typical Salesforce implementations, custom platform development, creating workstreams from design to deployment and training team members so they can become proficient in daily usage of the system.

The successful candidate will have a least 3 years certified Salesforce administration experience; a solid understanding of and detailed experience with the Salesforce architecture with a deep understanding of its capabilities and constraints present in at least one of the Salesforce clouds, and process understanding of at least one of the modules. The person will have strong data management ability, attention to detail, excellent problem-solving skills and strong verbal and written communications.

For more information or if interested, qualified candidates should submit a cover letter, resume and eligible references for similar work to: Zak Maher, at [zmaher@auburnmaine.gov](mailto:zmaher@auburnmaine.gov) or call at 207-333-6600. This position is a negotiable, per diem contracted position, and does allow for remote work.

**The City of Auburn is an Equal Opportunity Employer.**
