

Housing Lead Program Coordinator

The City of Auburn is a growing community offering a high quality of life in one of the state's most beautiful living areas, along the banks of the pristine Androscoggin River. The City, with a population of almost 24,000, is seeking a highly motivated individual for the position of Housing Lead Programs Coordinator. This position is responsible to organize, coordinate and implement a variety of services and supportive activities for Lead abatement and remediation programs for the City of Auburn. The successful individual will oversee the US Department of Housing and Urban Development (HUD) Lead Based Paint Hazard Reduction and Healthy Homes Grant.

Additionally, this position will be responsible for daily operations including meeting with prospective clients, developing a scope of work and verifying project goals, perform inspections, drafts bids specifications, assures construction projects conform to an approved budget and monitors program outcomes. The individual will work closely with the Community Development Manager and Financial Grants Manager.

Qualifications include bachelor's degree in public administration, public health, or business administration, 3-5 years of experience in a related field or a combination of education and work experience. A good knowledge of applicable federal and state lead paint laws and building codes is preferred. Candidates must have a Maine Drivers License and a good driving record.

Salary is dependent upon qualifications and experience in a range of \$46,000 to \$62,000, with outstanding fringe benefits including paid vacation, sick time, retirement, health insurance, and many supplemental benefits as well.

Applicants should submit a cover letter and resume to Christine Mumau, Director of HR, City of Auburn, 60 Court Street Auburn, Maine 04210 or cmumau@auburnmaine.gov. For additional information about the municipality as well as a job description, please contact Christine Mumau at cmumau@auburnmaine.gov or 207-333-6600. Deadline for submission is October 1, 2021.
