MEMORANDUM (sent via e-mail)
May 10, 2022

TO: John Blais, Deputy Director of Planning & Permitting
FROM: Tom Miragliuolo, Senior Planner Municipal Planning Assistance Program
RE: Acceptance of Auburn's Amended Comprehensive Plan 2022 for Review
CC: Amy Landry, AVCOG

Thank you for submitting the Auburn Comprehensive Plan Amendment for our review for consistency with the Growth Management Act (30 M.R.S.A. § 4312 et seq).

The Department has accepted your plan for review. You will be notified within 35 working days *as to whether* the plan is “complete”. A Notification of Completeness means that portions of the plan other than the Future Land Use Plan have been found by the Department to be consistent with the Act. If the plan is found complete you will then be notified within an additional 10 working days as to the entire plan's consistency with the Growth Management Act.

Important dates for the state's review of Auburn's Comp Plan Amendment:

- 6/14/2022: Due date for public and state agency comments
- 6/29/2022: Deadline for state completeness review
- 7/14/2022: If applicable - deadline for state Consistency Review

The Department cannot accept your plan for review due to missing element(s) of the plan. Please submit the needed element(s) noted below for the plan review to begin. You may submit them to me via emailing or regular mail.

The second page of this memo is a **public notice** that we ask you to have posted in a prominent public location in your municipal building.

Again, thank you for your submission. If you have any questions, please contact me by phone at (207) 287-3860 or by email at tom.miragliuolo@maine.gov.
