

REZONING PETITION

We, the undersigned registered voters of the City of Auburn, do herein petition the City of Auburn to amend the Agricultural/Rural zoning portion of the zoning ordinance on (PID 347-003) to allow for a Zone change of Agriculture & Resource Protection Zone to Suburban Residential to support residential opportunities in an otherwise residential neighborhood along Andrews Drive and Oak Hill Road. The property has not been in agricultural use for the last 30 years. The lot is outside the floodplain. Of the 38.22 total acres, approximately 4.73 acres lies in the Lake Auburn Watershed District and would remain protected. Only the remaining 33.49+/- acres is recommended for a Zone change.
