

Agenda

Lake Auburn Stakeholder' Group Meeting (Focus Group 2 Ordinance Drafting)

March 28, 2024

2:30 p.m. Community Room S(second floor), 60 Court Street

- Review Council Committee Charge
 - o **Focus Group 2**
 - Task 1 - Septic Systems Inspection Program: Sec 60-952(f)(6) consider amending the described inspection method to shift responsibility for the inspection to the land-owner and provide a phased implementation.
 - Task 2 - Development/ New Systems in the Watershed: Consider further limits on the number of new subsurface wastewater disposal systems. The current ordinance will limit the construction of new systems (new here having the same meaning as the state plumbing code) to an estimated 38 new systems.

- Assigning tasks/ deliverables
