

Auburn Agriculture and Natural Resource Protection Subcommittee

AGENDA

December 7, 2017

1. Welcome, be sure everyone knows each other's names (again)
2. Review of notes from previous meeting
3. Review of process moving forward-- activities by consultant and timeline
4. Identify stakeholder groups that might be missing from the group. Is there anyone else who might be helpful on the committee?
5. Review of key issues identified at first meeting. More information needed on any of these items? More to add? NOTE: If other people are going to be added to the committee, then I will ask that this topic be held until the full committee is present.
6. Review of key topics from meeting
7. Schedule of next meeting(s)
8. Anything else?
