RE: Evergreen Subaru
649 Turner Street

Dear Ms. Knight:

Please accept this letter and attachments to support our previous application submittal for the Evergreen Subaru to be located at 649 Turner Street. I trust these attachments will address your review comments so far.

There is a landscape plan prepared by Davis Landscape Company, Inc. Apex Lighting Solutions has prepared a site lighting plan and cut sheets for the lights. A cut sheet for the Subaru sign (which will be relocated from Center Street) is proposed to be installed along Mt. Auburn Avenue and revised site plans are included which show these improvements. I have also attached a colored presentation graphic that I prepared from the site and landscaping plans.

Please let me know if you have any questions or need additional information from me in order to process this application.

Respectfully yours,

STONEBROOK CONSULTANTS, INC.
