AUBURN POLICE INVESTIGATING FALL at AUBURN MALL

Auburn Police are currently investigating a fall that took place at the Auburn Mall today. Auburn Police and Auburn Fire Departments were called to the Auburn Mall at 1:31 pm for a worker who had fallen through a sky light located on the roof above the Center Court.

The victim, 43 y/o George Beam is an employee of Atlantic Comfort Systems. He was repairing an HVAC unit located on the roof of the mall when the accident took place.

Mr. Beam sustained serious head injuries and was transported by the Auburn Fire Department to Central Maine Medical Center.

The Occupational Safety & Health Administration (OSHA) was called but did not respond to the scene. The cause of the fall is currently under investigation.
