FATAL CAR CRASH INVESTIGATION

Auburn Police Department is investigating a fatal car crash that occurred in the area of 436 Merrow Rd. Auburn Police and Auburn Fire responded to 436 Merrow Rd at 1:06am to find a vehicle fully engulfed in flames in the middle of the road.

Preliminary investigation shows that the vehicle was occupied by two subjects. The vehicle left the roadway, striking a large tree and rolling several times before coming to rest back in the road where it burst into flames. Both subjects were in the vehicle when discovered by authorities.

Investigators are working to identify the two subjects in the vehicles. The names of both subjects will not be released until identification has been confirmed by the Medical Examiner's Office and families notified.

The preliminary investigation shows that speed may have been a factor in the crash.
