

BULKY WASTE COLLECTION 2021

The City of Auburn's 2021 Bulky Waste Pickup Program is an opportunity for residents who currently receive weekly trash pickup from the city to dispose of materials not normally picked up during weekly solid waste collection.

WE WILL COLLECT:

- Brush (must be placed with the butt ends facing the street in a neat pile; no more than a pickup truck load will be collected; additional brush can be brought to the Public Works Facility on Gracelawn Road)
- Furniture
- Rugs (must be rolled and taped)
- Mattresses and box springs (limit of six combined)
- Tires (four tire limit)
- Metals (excludes large auto parts and metals containing hazardous materials)
- Propane tanks
- White goods (washers, dryers, refrigerators, small appliances)
- Televisions (televisions can also be brought to the PW facility anytime for free disposal)

WE WILL NOT COLLECT:

- Paints, oils, cleaners, gasoline
- No liquids of any type
- Wood waste, including construction and demolition debris
- Sheetrock
- Shingles

Bulky materials must be separated by type, placed in neat piles and separated from normal household waste. No more than one (1) truck load of materials will be collected per residence. Keep all materials off the sidewalks.

Crews will collect materials, at normal collection points, according to the dates listed below. All waste must be at roadside by 7:00 AM on the date that collection begins for your area. Crews will remove waste on a street-by-street basis and **will not return** to a street once waste material has been removed.

For residents with Monday/Tuesday/Wednesday collection, please do not place items curbside prior to Saturday, May 1. Residents with Thursday/Friday collection, please do not place items curbside prior to Saturday, May 8.

For Residents With:

Monday waste collection
Tuesday waste collection
Wednesday waste collection
Thursday waste collection
Friday waste collection

Bulky Waste Must Be Roadside No Later Than:

Monday, May 3
Monday, May 3
Monday, May 3
Monday, May 10
Monday, May 10

From May 1 to May 15, Auburn residents may bring their bulky waste materials (excluding brush and tires) directly to Maine Waste to Energy (Goldthwaite Road) free of charge. You must show proof of residency (license/registration/tax bill). MWE is open from 7:00 AM to 4:00 PM Monday-Friday, and 7:00 AM to 12:00 noon on Saturday.

It is against city ordinance for persons to scavenge through piles of debris put curbside for collection. If caught, it is punishable up to a \$1,000 fine. Anyone observing this activity is encouraged to report it to the PW Department at 333-6670.
