### A MESSAGE TO OUR COMMUNITY FROM THE TEAM AT AUBURN RECREATION

**We miss you!** Over the last few months, it has been difficult for us to see our gyms, fields, and spaces sit empty. At the same time, it has been humbling and inspiring to have been able to shift our focus to the very successful "Grab 'N Go" food program, which has provided much-needed meals – and caring support – to members of our community.

Our team has been working hard, developing summer programming that follows Maine CDC guidelines and checklists. We have consulted with local, state, and national recreation professionals and have a plan that we feel confident will work for Auburn. Keep in mind that this is an ever-evolving situation.

Over the next few days, the Auburn Recreation Department will finalize plans for our **modified summer line-up of activities**, with a cornerstone and primary focus: our **day camp** program. We are committed to offering affordable, quality childcare this summer, which is crucial for working families.

While we will be unable to offer the full slate of summer programs that have been offered in the past due to facility and physical distancing concerns, most activities and programs will still take place with best practices in place. Below is our anticipated timeline:

**June 12:** Produce and distribute electronic **Summer Program Brochure** (modified)

**June 1** (or sooner): Open **online registration** for summer programs

**June 2:** Open the **Auburn Recreation office** for in-person registration with modified hours of Tuesday, Wednesday, Thursday from 9:00 am – 3:00 pm. *Please call ahead so we can be prepared to serve you quickly and limit interaction with staff. You may also call and setup an appointment if these new hours do not work with your schedule.*

**Week of June 1:** Begin **Adult and Youth Softball programming** with modifications that adhere to State guidelines and checklists

**June 22:** Start Summer Day Camps (continue through August 14)

We will have a more specific list of programs/activities with dates and any updated procedures by June 12. There is no doubt that day camp for the summer of 2020 will look very different

from years past. From field trips to daily protocols, including no longer having large groups, we will be operating with a new set of rules, guidelines & expectations.

We understand and respect that not everyone will be comfortable participating in summer programs, and we have updated our refund policy accordingly (see below). As always, we encourage participants to check with a medical professional before engaging in any recreation programming.

Thank you for your patience, vigilance, and positive feedback. **We hope to see you soon!**

## **AUBURN RECREATION REFUND POLICY**

This modified refund policy is in response to COVID-19 and will remain in effect from **June 1, 2020 to September 1, 2020**.

As Auburn Recreation moves forward with Summer 2020 programming, we understand and respect that participants may not feel comfortable with participating due to COVID-19. As a result, we are adjusting our refund policy for summer programs to allow for FULL REFUNDS for anyone looking to withdraw from a program before or after attending the FIRST class or meeting. If you decide to attend more than one class, game, or meeting and choose later in the program to withdraw, you may request a prorated refund.

**Refunds:** If Auburn Recreation decides to cancel a class, league, or special event, all fees will be refunded. If you withdraw 3 business days before the first class or onetime event (excluding weekends & holidays), you will receive a full refund. If you withdraw fewer than 3 business days before the first class or one-time event, you will receive a 50% refund. No refunds will be given if you cancel after the class or the one-time event has taken place. If you are dissatisfied with a program after the first class of a session, you must let us know before the second class of the session. We will issue a 50% refund at this time. No refunds will be given after the second class of a session. Refunds take about 14-21 days to process. We do not provide cash refunds. If injury occurs to a participant that prevents the participant from continuing in a class, you may request a prorated refund of the activity fee.

**Trip Refund:** If Auburn Recreation cancels a trip, we will refund all fees to the participant. If the participant notifies us 3 or more business days before the scheduled trip, we will issue a full refund unless otherwise noted in the brochure. If the participant notifies us fewer than 3 business days before the scheduled trip, we will issue a 50% refund. No refunds will be given the day of the trip or after the trip is held.

**Registration Process:** Pre-registration and pre-payment are required for all classes. Programs registrations are accepted in person, mail, online, or over the phone. Payment is expected prior to the start of the first class date. Individuals may register their own family and one other family for programs unless we have specified otherwise.

**Payment:** Full payment is required at the time of registration for classes \$40 and under. For programs \$41 - \$100, a minimum of 50% payment at the time of registration is required along with a signed payment plan. For programs \$101 or more there is a minimum \$50 payment at the time of registration required along with a signed payment plan.

**Payment Plan Policy:** Payment Plans are available for programs \$40 or more. These are 90 day payment plans and can only be set up in person, in the office. When an account with an outstanding balance doesn't show any payment past 90 days, it will be sent to collections. If you are on a payment plan and stop/miss a payment without communicating with us, we may deny or remove the participant from the activity. If you are on a payment plan and would like to register for a new program, your balance must be under \$200 before registration and new payment plan can occur.

**Non-Residents:** Participants who do not live in Auburn must pay an additional fee of \$10 per class. This includes senior citizen non-residents, unless otherwise specified.

If you withdraw 3 business days before the first class or one time event (excluding weekends & holidays), you will receive a full refund. If you withdraw fewer than 3 business days before the first class or one time event, you will receive a 50% refund. **Trip Refund:** If Auburn Recreation cancels a trip we will refund all fees to the participant. If the participant notifies us 3 or more business days before the scheduled trip we will issue a full refund unless otherwise noted in the brochure. If the participant notifies us fewer than 3 business days before the scheduled trip we will issue a 50% refund. No refunds will be given the day of the trip or after the trip is held.

**Inclusion:** Auburn Recreation provides reasonable accommodations to qualified individuals with disabilities. In order to accommodate your needs a request must be made at least 10 days prior to the first day of the program.

**Discounts:** Auburn Recreation does NOT offer a senior discount, sibling discount, or family discount for classes as we attempt to make the classes as low and affordable as possible.

**Building Use Priority:** Auburn Recreation's facilities will follow the building use priority list when it comes to scheduling and renting out facilities:

1. Recreation Programs (priority will be given to programs and activities that are designed for a specific area i.e. basketball in the gym will take priority over a group meeting). These programs are 100% organized and ran through the Recreation Department. Example; Youth Football, Adult Slow Pitch League, Senior Trip.
2. Co-Sponsored Programs are any programs that are organized and programmed at least 50% through the Recreation Department and 50% with an instructor, organization, or local team where the funds and registrations are being collected by the Recreation Dept. Also in this category will be any City Sponsored Dept. program. Examples include Challenger Soccer, Line Dancing, LA Swish, RAD with the Auburn Police Dept.
3. Any local (Auburn area) community group, organization, team looking to rent the facility and is not offered through the Recreation Dept. Example would be Margaret Murphy Center, Local Home School group, LAYSA, Babe Ruth, Legion Baseball.
4. Any other external group, organization, or team that are looking to rent the facility for a NON-COMPETING activity or program. The Recreation Director will have the final decision on determining what is considered a competing and non-competing program. <sup>5</sup>
