# A MESSAGE TO OUR COMMUNITY

## FROM THE TEAM AT AUBURN RECREATION

**WELCOME BACK!** As things slowly start to open back up, we have never been more excited to see a packed parking lot, kids bouncing basketballs in the hallways, and our favorite seniors popping in to say “hi” and chat for a few minutes. **To say we have missed you would be an understatement!**

We’ve all learned and grown over this past year, as individuals and as a community. To say Auburn is the BEST doesn’t even come close to describing the generosity, concern, connections and spirit of willingness we have witnessed since March 2020. We continue to evolve and adjust to the world around us and we strive to keep up with new developments with the ever-changing COVID-19 pandemic. We have changed up some of our favorite programs and added new ones in response to our community’s more pressing needs.

You will see some changes within our programs, including a **NEW REGISTRATION SYSTEM!** Take a look at page 3 for information on how this will impact you and the online registration process.

As you browse through this Summer Brochure, please keep in mind that **all our facilities, programs, and policies are subject to change as a result of COVID-19 and Maine CDC guidelines.** Many of the programs listed here are already open for registration, so please give us a call or log onto your Team Sideline account for info & updates.

### WHAT TO KNOW WHEN VISITING OUR FACILITIES

- **Do not come to an Auburn Recreation facility if you feel sick or have had any symptoms of COVID-19 in the past 3 days.**
- Maintain at least 6’ of physical distance from others
- **Face coverings are required** upon entering facility
- Face coverings are also currently required during exercise
- There will be no lingering in common areas
- Adhere to one-way directional entry/exit signs
- Hand sanitizer will be available throughout the building
- Bring your own water bottle (fountains are only available to fill a water bottle)
- A list of symptoms is available on the Maine CDC website and is posted throughout our facilities
- Dispose of your masks properly - please do not litter and discard them in our parking lots

*We understand and respect that not everyone is comfortable participating in programs right now, and we will continue to work with you to manage refund requests. As always, we encourage participants to check with a medical professional before engaging in any recreation programming.*

**Thank you for your patience, vigilance, support and positive feedback. See you soon!**

**Payment Plan Policy:** Payment Plans are available for programs \$40 or more. These are 90 day payment plans and can only be set up in person, in the office. When an account with an outstanding balance doesn't show any payment past 90 days, it will be sent to collections. If you are on a payment plan and stop/miss a payment without communicating with us, we may deny or remove the participant from the activity. If you are on a payment plan and would like to register for a new program, your balance must be under \$200 before registration and new payment plan can occur.

**Non-Residents:** Participants who do not live in Auburn must pay an additional fee of \$10 per class. This includes senior citizen non-residents, unless otherwise specified.

Examples: line dancing, 1st Auburn Seniors, senior arts and crafts, senior chair yoga, etc.

## Grab n’ Go Grocery Program

Created in March of 2020 in response to the COVID-19 pandemic, the Grab n’ Go program was designed to assist Auburn residents who faced with food insecurity. As the program evolved, the PAL Center became the heart of our GNG efforts. Currently this program supplies a weekly box of groceries to households that qualify (based in household income). If you or someone you know is in need of food assistance, please reach out to Auburn Recreation staff at [auburnrec@auburnmaine.gov](mailto:auburnrec@auburnmaine.gov) or 333-6611.

## Sponsors, Partners and Donations

The PAL and GNG programs are *perfect* examples of how the Auburn Community steps up to help their neighbors during hard times. The efforts and generosity both programs have experienced from our Auburn family is truly amazing and deeply appreciated. It takes a vast amount of energy, time and resources for these programs to operate, and we would not be able to continue to offer these programs without the dedication of our community through partnerships, sponsors and donations. If you are interested in finding out more information on ways to support these incredible community programs, please contact Auburn Recreation, PAL or GNG staff.

# Auburn's Public Art Projects | 2021

The City of Auburn is proud to announce the addition of two incredible new public art projects, both of which are scheduled to be installed in 2021. The sculpture "**Bud Form**" will be installed in Longley Park downtown, next to the Longley Bridge. Maine artist **Hugh Lassen** was selected by the Public Art Committee after an extensive RFP process. This piece is scheduled to be installed by Fall of 2021.

To compliment the addition of this sculpture, the City of Auburn is also installing a piece called "**The Fish**" in our beautiful new Anniversary Park (New Auburn). This larger-than-life-sized fish sculpture is a creation of Maine artist **Thomas Berger**. This piece is on target to be installed by May/June, 2021.
