**Q:** Please provide a copy of the Obligee required final performance and payment bond forms. **Bid Spec attached #5 Does not specify on the bond forms. Does the City of Auburn require the surety to issue the final bond/s of their specific bond forms? Yes or No? If yes, we will need pdf copies of the required performance and payment bond forms. If they are unsure, they will need to contact the Obligee to confirm.**

**A:** Standard AIA Document A312-2010 Payment and Performance Bond forms will be accepted.

**Q:** Please have the customer confirm the final performance and payment bond requirement is to be 100% of the final contract amount if awarded. If the contract is awarded to New England Fire Equipment & Apparatus Corporation. **Bid Spec attached #5 Does not specify the amount of the final bonds rather it just states they are required. The application the customer completed stated the final bond is to be in amount of 10% of the contract. This is not typical and as such we need clarification and confirmation that the final bonds are to be 100% of the final contract amount if awarded. If they are unsure, they will need to contact the Obligee to confirm.**

**A:** Performance and payment bonds are for 100% of the contract. The mentioned 10% is retainage withheld until contract completion.
