

ATTENTION AUBURN RESIDENTS

**YOUR NEW
TRASH &
RECYCLING
CARTS ARRIVE
IN JUNE!**

Flip over for more details.

Your Curbside Collection Just Got Easier

Beginning July 13, 2026, your residential curbside trash and recycling will be picked up by an automated side-load truck.

At this time, there are no changes to the scheduled route days. Should any adjustments be necessary in the future to enhance efficiency, both the City and Casella will ensure residents are notified in advance.

Residents will no longer have to provide their own bins. All trash must be inside of the cart with the lid closed.

We will no longer collect any material left outside of the cart!

Prior to your start date, you will receive two new 64-gallon wheeled carts, one for trash and one for recycling included with your service. Colored lids help to keep items clean and dry and distinguish trash from recycling. There is no need to be home to receive your carts. Carts will include additional instructions for placement as well as a calendar and frequently asked questions.
