Please describe why you wish to serve on the Committee/Board.
My motivation is to get involved and learn how the city operates. I enjoy learning the processes that drive the development of the city and the collaborative efforts it takes to achieve progress.

What do you hope to accomplish?
I plan on living in this city for the next several decades and I would like a chance to participate in what happens. The planning board is a very important job in the city. I could learn a lot in this role and in the future could use this experience to serve on other boards.

Are you presently serving on a City board or committee? If so, which one(s)?

Please describe why you wish to serve on the Committee/Board.
I want to serve on the Planning Board because I believe civic involvement is important. I am a teacher and father of two children. Modeling civic engagement for my own kids as well as for my students is important to me. I also believe the Planning Board serves an important and indispensable function in our community. My nearly two decades of collective experience and institutional understanding serving on public boards can help further the work that the Planning Board does. Additionally, Planning Board provides an opportunity for me to leverage my experiences, helping residents better understand local land use policies and processes through discussion and engagement at public meetings. Planning Board is a good personal fit where I think my skill set can best be used for the wider community while being civically engaged and promoting civic engagement for my children, students, friends, and neighbors.

What do you hope to accomplish?
Promote responsible decision making, transparency, community engagement and ethical decision making while both reviewing projects and reviewing ordinances changes.

Are you presently serving on a City board or committee? If so, which one(s)?
LAWPC, Zoning Board of Appeals

Have you completed FOAA Training?
Yes

Application Date	1/26/2026			
Expiration Date	4/26/2026			
Board Member	Ryan Matthew Walker			
Status	Validated			

Basic Information

Name

Ryan Matthew Walker

Please describe why you wish to serve on the Committee/Board.

I frequently visit and enjoy Auburn's public parks. I also have children who utilize Auburn Recreation programming. In addition, I regularly volunteer for trail maintenance and stewardship of the multi-use trail network at Mount Apatite. I view joining the Parks and Rec Advisory Board as a way to further my advocacy and support for Auburn's public parks and recreation facilities.

What do you hope to accomplish?

I hope to contribute to the success of Auburn's Parks and Recreation Department by offering my perspective, insights, and knowledge I have gained as both a user and volunteer steward of Auburn's public parks.

Are you presently serving on a City board or committee? If so, which one(s)?

No

Have you completed FOAA Training?

Yes

What is your ward?

Education

MFA Sculpture 2009
University of Massachusetts Dartmouth, North Dartmouth, MA
BFA 3D/Sculpture 2001
Massachusetts College of Art, Boston

Professional Experience

Exhibits Preparator: Maine State Museum, Augusta, ME
2015-Present

Art Teacher: Maine Central Institute, Pittsfield, ME 2013-2015

- Design and implement curricula for art classes including: *Studio Foundations I & II, Art and Design Fundamentals, 3D Design, Photography, Ceramics, and Advanced Art*
- Manage and maintain the art studio facility, equipment, and supply inventory
- Advise co-curricular clubs: *Art Club, Masardis* (a literary and performance club), and *Longboard Club*
- Participation in the Maine Learning Initiative One-to-One technology program

Highlights: Organize numerous student art exhibitions on and off campus. Promote MCI Visual Arts through community events such as presenting to the Valley Arts Alliance in Newport, ME.

Artist Mentor: Spindleworks / Independence Association, Brunswick, ME
2009-2013

- Provided guidance and assistance to adult artists with disabilities in the creation of their work
- Taught classes and workshops on various art skills, techniques, and subjects
- Supervised and maintained the 3D Studio/Woodshop
- Facilitation of special activities such as visiting artist collaborations and field trips
- Contributed to curation and installation of exhibitions of art at Spindleworks and elsewhere

Highlights: Oversaw the redesign and renovation of the Spindleworks 3D Studio/Woodshop space to improve organization, functionality, accessibility, and safety. Managed several collaborative projects between Spindleworks and Maine performance artist Crank Sturgeon.

Facility Maintenance and Installation Technician: Fuller Craft Museum, Brockton, MA
2007-2009

- Installed approximately 35 exhibitions of fine art and craft including: furniture, ceramics, jewelry, glass, fiber, painting, and sculpture
- Transported and installed numerous displays off-site at locations including: Logan Airport, Craftboston Show, and Providence Fine Furnishings Show
- Coordinated and executed in-house carpentry, construction, and painting projects
- Facilitated proper handling, crating, and condition reporting of fine art and craft objects
- Supervised part-time and volunteer laborers

Highlight: Collaborated frequently with Education Department and Exhibitions and Collections Department to plan, design, and install exhibitions of work from private collections, the permanent collection, and travelling exhibitions.

Teacher of Record: University of Massachusetts Dartmouth, N. Dartmouth, MA
2005-2007

- Taught undergraduate art courses: *3D Concepts* and *Sculpture I/Clay Modeling*
- Instructed students in proper hand and power tool usage and various sculptural processes and material usage
- Facilitated class lectures, discussions, and techniques

Highlight: Taught numerous freshmen who went on to declare Sculpture as their major and directly attributed their decision to having taken my class.

Sculpture Department Technician: University of Massachusetts Dartmouth
2004-2005

- Supervised and maintained woodshop and metal fabrication facilities
- Assisted undergraduate and graduate students with the creation of their work

Highlight: Acquired a great deal of experience and knowledge in repairing power tools and shop equipment.

Sculptor's Assistant: Murray Dewart Sculpture, Brookline, MA
2001-2004

- Executed layout and fabrication of small and large sculptures in materials including: stone, wood, bronze, and ductile iron
- Installed and maintained large-scale, outdoor sculptures at private residences, art and educational institutions, cemeteries, and municipal park settings
- Designed and fabricated custom bases, concrete footings, and anchoring systems for large scale sculptures

Highlight: Fabrication and installation of sculpture by Murray Dewart in Franklin Street Park in Cambridge, MA including: a nine ton bronze and granite gateway, three large scale bronze sculptures, and a cast iron fence.

Volunteer Experience
